Notes to the Abbreviated Accounts

For the year ending 31 January 2011

1 Accounting policies**Accounting convention**

The financial statements have been prepared under the historical cost convention and in accordance with the Financial Reporting Standard for Smaller Entities (effective April 2008). The company was dormant throughout the year ended 31 January 2011. However, reference to information in relation to the year ended 31 January 2010 has been made where appropriate. Following changes in accounting convention, dividends paid are now shown as a movement in reserves. Accordingly, the comparative profit & loss account has been restated to reflect this change.

Turnover

Turnover represents net invoiced sales of services, excluding value added tax.

Hire purchase and leasing commitments

Assets obtained under hire purchase contracts and finance leases are capitalised as tangible assets and depreciated over the shorter of the lease term and their useful lives. Obligations under such agreement are included in creditors net of the finance charge allocated to future periods. The finance element of the rental payment is charged to the profit and loss account so as to produce constant periodic rates of charge on the net obligations outstanding in each period.

Depreciation

Depreciation has been provided at the following rates in order to write off the assets over their estimated useful lives.

Motor vehicles	25% on reducing balance
