Executive summary

- The dormant subsidiaries were part of a group of 125 companies. The parent company, Erinaceous Group Plc and 71 of its subsidiaries went into administration on 14 April 2008. Due to the complexity of the Group's affairs, it was necessary for the directors to seek administration appointments over a large number of dormant companies, as well as the trading entities
- This report is prepared in accordance with Rule 2.10 of the Insolvency Rules 1986 and relates only to the dormant subsidiaries. The administrators have previously issued three progress reports covering the administrations of Group companies as a whole from 14 April 2008 to 13 October 2009
- The Administrators' Statement of Proposals was approved on 19 July 2008, (see Appendix 3 - Statement of Proposals). On 3 April 2009 a Court Order was obtained which extended the period of administration of the dormant subsidiaries until 13 April 2010
- During the period of administration the Administrators have investigated the affairs of these dormant subsidiaries and have established that they hold no beneficial interests for themselves or the Group as a whole. Hence there is no benefit or statutory basis for these administrations to continue
- There have been no receipts and payments relating to any of the dormant subsidiaries, hence a receipts and payments account is not attached
- Tax clearance from HM Revenue & Customs has been obtained to close these administrations
- On the filing of this report, together with a Form 2.35B with the Registrar of Companies, the administrations of these companies will end and dissolution will follow three months thereafter

Simplified Group structure

Simplified Group structure as at 14 April 2008

• There were approximately 125 companies in the Group and the principal trading entities are shown in the above chart

Progress and outcome of the administrations

- As the dormant subsidiaries had no property to enable a distribution to unsecured creditors, the Administrators were not required to convene a creditors' meeting unless, as set out in the Statement of Proposals, one was requested by creditors. No such meeting was requested. As a result, in accordance with Rule 2.33(5) of the Insolvency Rules 1986, the Statement of Proposals as circulated was deemed approved on 19 July 2008.
- The Administrators have undertaken a thorough review and investigation into whether any of the dormant subsidiaries held any beneficial interest or its affairs impacted on other companies in the Group. No such interest or matter has been identified.
- There have been no receipts and payments.
- The Administrators requested and obtained clearance from HM Revenue & Customs that the administrations of the dormant subsidiaries may be concluded and that each should proceed to dissolution.

Costs of administrations

Costs of administrations

- The Administrators' time costs for the whole period of the administrations to 12 March 2010 are attached to this report (see Appendix 2)

Statement of proposals

Statement of Proposals

The Administrators propose the following

- To continue to do all such things as are reasonably expedient and generally exercise all powers as Administrators as they, in their discretion, consider desirable in order to maximise realisations from the assets of the companies in accordance with the objectives set out above on page 18
- To seek an extension of the administration periods if deemed necessary by the Administrators
- It is proposed that the Administrators' remuneration in relation to each administration will be fixed in accordance with Rule 2 106 of the Insolvency Rules 1986 by reference to the time properly given by the Administrators and their staff in attending to matters arising in the administration
- That the costs of KPMG LLP in respect of tax, VAT, pension and other relevant advice provided to the Administrators be based upon time costs and paid out of the assets of the relevant company
- That each company be dissolved on completion of each administration without further recourse to the creditors if no distributions are to be made
- If it is identified that no better realisations will be made in the administrations, than would be available in a winding up, and if dissolution if not appropriate, to take the necessary steps to put the companies into either Creditors' Voluntary Liquidation or into Compulsory Liquidation or into a Company Voluntary Arrangement as deemed appropriate by the Joint Administrators
- If creditors' voluntary liquidation is deemed appropriate at a later stage, the Joint Administrators may be permitted to seek the appointment of either James Robert Tucker, Myles Antony Halley, Richard John Hill, Richard James Philpott of KPMG LLP as liquidator, being the Joint Administrators of the relevant company, without any further recourse to creditors. Any act required or authorised under any enactment, as Joint Liquidators, may be done by one of them. In accordance with Paragraph 83(7) Schedule B1 of the 1986 and Rule 2 117(3) of the 1986, creditors may nominate a different person as the proposed liquidator, provided the nomination is made after the receipt of the proposals and before the proposals are approved
- If deemed appropriate, an application is made to court under Paragraph 65(3) Schedule B1 1986 in order to make a distribution to creditors of the prescribed part whilst the relevant company is in administration
- That the Administrators are discharged from liability in respect of any action of theirs as Administrators pursuant to Paragraph 98(1), Schedule B1, 1986 on the agreement of the secured creditors being received and preferential creditors where relevant and upon the filing of the receipts and payments account in accordance with 2 110 1986

Note *If no meeting is requested by creditors in accordance with R2 33(5) the proposals are deemed approved*
