30TH SEPTEMBER 2007
TRUSTEES' ANNUAL REPORT

The trustees present their annual report and the unaudited financial statements of the charity for the year ended 30th September 2007

Structure, governance and management

Governing document

Coddswallop Trust is a company limited by guarantee governed by its Memorandum and Articles of Association. It is also registered as a charity with the Charity Commission. In the event of the charity being wound up members are required to contribute an amount not exceeding £1.

Appointment of trustees

The directors of the company are also charity trustees for the purpose of charity law. All of the trustees retire at each Annual General Meeting but are eligible for re-election. The trustees have the power to co-opt any suitably qualified individual either to fill a vacancy or as an additional trustee.

Organisation

The charity is organised so that the trustees meet regularly to manage its affairs.

Risk management

The trustees have assessed the major risks to which the charity is exposed and are satisfied that systems are in place to mitigate the exposure to major risks.

Objects and activities

The principal activity of the charity is to advance the education of the public in the knowledge of the history and development of packaging, packaging materials, advertising material and associated matters.

Achievements and performance

This year has been one of consolidation for the charity. Income increased due to higher levels of donations whilst expenditure fell as no major activities were carried out in the year. Issues of the Coddswallop Newsletter continue to be produced and specialist collections shown in the front foyer cabinets.

Financial review

The statement of financial activities shows net income of £1,115 for the year which compares to net expenditure of £1,805 in 2006. Fund balances carried forward amounted to £6,889, all of which lie in unrestricted funds, available for charitable purposes at the discretion of the trustees.

Reserves policy

The level of reserves at 30th September 2007 was £6,889 which is equivalent to approximately 10 months expenditure. The charity's policy is to hold reserves of at least £2,500 so that the charity can continue to operate if donations were to reduce.

TRUSTEES' ANNUAL REPORT

Responsibilities of the trustees in relation to the financial statements

Company and charity law require the trustees to prepare financial statements for each accounting period which give a true and fair view of the state of affairs of the charity at the end of the financial period and of its income and expenditure for that period. In preparing those financial statements, the trustees are required to -

- Select suitable accounting policies and then apply them consistently
- Make judgments and estimates that are reasonable and prudent
- Prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charity will continue in operation

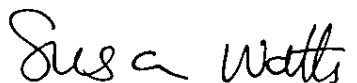

The trustees are responsible for keeping proper accounting records which disclose with reasonable accuracy at any time the financial position of the charity and which enable them to ensure that the financial statements comply with the Companies Act 1985. They are also responsible for safeguarding the assets of the charity and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

This report is prepared in accordance with the special provisions of Part VII of the Companies Act 1985 relating to small companies.

The trustees' annual report was approved by the trustees on behalf by

30TH SEPTEMBER 2007
PRINCIPAL ACCOUNTING POLICIES

These financial statements have been prepared under the historical cost convention and in accordance with the Financial Reporting Standard for Smaller Entities (effective January 2007), the Statement of Recommended Practice, "Accounting and Reporting by Charities" (SORP 2005) issued in March 2005 and the Companies Act 1985. The following is a summary of the more important accounting policies used by the charity.

Incoming resources

All income is accounted for as soon as the charity has entitlement to the income, there is certainty of receipt and the amount can be measured.

Income is only deferred when

- The donor specifies that the grant or donation must only be used in future accounting periods, or
- The donor has imposed conditions which must be met before the charity has unconditional entitlement.

Grants receivable

Grants in respect of revenue items are written off to the income and expenditure account in the period to which they relate. Grants in respect of specific projects are credited to a restricted fund, against which relevant expenditure is charged.

Donations and fundraising

This income is received in cash by way of donations, gifts and special fund-raising events. Cash donations are included in full in the Statement of Financial Activities when receivable. Cash collected at special fundraising events is included in the Statement of Financial Activities after deducting the expenditure incurred directly in staging the event.

Resources expended

Expenditure is recognised when a liability is incurred.

- Charitable activities includes those costs incurred by the charity in the delivery of its activities and services for its beneficiaries.
- Governance costs include those costs incurred in meeting the constitutional and statutory requirements of the charity.

Fund accounting

Funds held by the charity are either -

- Unrestricted funds - these are funds which can be used in accordance with the charitable objects at the discretion of the trustees.
- Restricted funds - these are funds that can only be used for particular restricted purposes, imposed by the donor or through the terms of an appeal.
