Notes to the Abbreviated Accounts
for the Year Ended 30 September 2014

1. **ACCOUNTING POLICIES**

Accounting convention

The financial statements have been prepared under the historical cost convention and in accordance with the Financial Reporting Standard for Smaller Entities (effective April 2008).

Turnover

Turnover represents the value of goods and services by reference to the value of work performed by the company. Turnover is stated exclusive of value added tax and arises within the United Kingdom. Work in progress is valued at an appropriate proportion of sales value which is based on the stage of completion as at the year end. The movement in work in progress is included as part of turnover for the year.

Goodwill

Goodwill was amortised over 5 years and has now been fully written off.

Tangible fixed assets

Depreciation is provided at the following annual rates in order to write off each asset over its estimated useful life.

Plant and machinery	- 25% on reducing balance
Motor vehicles	- 25% on reducing balance

Stocks

Stocks are valued at the lower of cost and net realisable value, after making due allowance for obsolete and slow moving items.

Deferred tax

Deferred tax is recognised in respect of all timing differences that have originated but not reversed at the balance sheet date.

Hire purchase and leasing commitments

Rentals paid under operating leases are charged to the profit and loss account on a straight line basis over the period of the lease.
