Indigenx Limited
Statement of accounting policies
31st October 2008

The full financial statements, from which these abbreviated accounts have been extracted, have been prepared in accordance with the Financial Reporting Standard for Smaller Entities (effective June 2002) under the historical cost convention, modified by the revaluation of certain fixed assets.

(a) Turnover

Turnover consists of invoiced sales net of returns, trade discounts and value added tax.

(b) Depreciation

Depreciation has been provided at the following rates in order to write off the assets over their estimated useful lives.

Computing Equipment 100% Straight Line

(c) Leases

Assets held under finance leases, which confer rights and obligations similar to those attached to owned assets, are capitalised as tangible fixed assets and are depreciated over the shorter of the lease terms and their useful lives. The capital elements of future lease obligations are recorded as liabilities, while the interest elements are charged to the profit and loss account over the period of the leases to produce a constant rate of charge on the balance of capital repayments outstanding. Hire purchase transactions are dealt with similarly, except that assets are depreciated over their useful lives.

Rentals under operating leases are charged on a straight-line basis over the lease term, even if the payments are not made on such a basis. Benefits received and receivable as an incentive to sign an operating lease are similarly spread on a straight-line basis over the lease term, except where the period to the review date on which the rent is first expected to be adjusted to the prevailing market rate is shorter than the full lease term, in which case the shorter period is used.

(d) Stocks and work in progress

Stocks and work in progress have been valued at the lower of cost and net realisable value.

(e) Current taxation

Corporation tax payable is provided on taxable profits at the current rate.

(f) Pension costs and other post retirement benefits

The company does not operate a pension scheme
