- 2 3 Book Debts and Cash in Hand – The sales ledger was written down by some 25% by the Director to take into account any bad/doubtful debts and any associated costs following non - completion of contracts Due to the complicated contractual nature of the amounts due, specialists Quantity Surveyors were appointed to assist the Joint Liquidators As anticipated, a number of accounts were disputed and subject to counter claims for work which either was not completed or the quality of did not meet the standard required In these cases, negotiations were undertaken to achieve settlements where possible and in addition it was found that the remaining smaller debtors had paid their accounts directly into the company's bank account prior to Liquidation These funds were then utilised by the bank in order to reduce its indebtedness accordingly and ultimately the total amount realised was slightly less than anticipated

- 2 4 Furniture & Equipment, Motor Vehicles, Plant & Machinery, and Vauxhall Vans (Subject to Finance) – Agents, Ellis Willis & Beckett, were appointed to realise the physical assets of the company by way of public auction or private treaty. Introduction to Lending Sources

The P&A Partnership may make referrals to P&A Lender Services Ltd ('PALS') being an associated company. PALS and its authorised representatives are not authorised under the Financial Services and Markets Act 2000 or by the Financial Services Authority to provide specific investment advice but they may be able to introduce funding seeking parties ('FSP's') to one or more reputable lending services ('Lender').

In such circumstances where any party associated with the referral is subsequently subject to any formal insolvency procedure and the Partners of The P&A Partnership are appointed office holders in relation to any formal insolvency, then any arrangement fees or commissions or payments becoming due to PALS (if any) from any Lender in respect of the acquisition or future trading of the business and assets of the insolvent party, will be paid into the realisation fund in the formal insolvency for the benefit of creditors.
