## Directors' report

The directors present their annual report on the affairs of the Company, together with the audited financial statements and auditor's report, for the year ended 30 June 2014.

This Directors' report has been prepared in accordance with the provisions applicable to companies entitled to the small companies' exemption.

Further information on the basis of preparation of these financial statements can be found in note 1.

### Principal activity

The principal activity of the Company in the year under review was that of the development of the potential 6.0MW wind farm at Draperstown, County Londonderry. This will continue to be the principal activity of the Company.

### Results and dividends

The loss for the year, after taxation, was £3,007 (2013: £1,329).

The directors do not recommend the payment of a dividend.

### Directors

The directors who served throughout the year, except as noted, were as follows:

E Rafferty  
N Ward  
D Crockford  
N Harris

### Independent auditor and statement of provision of information to the independent auditor

Deloitte LLP has expressed their willingness to continue in office as auditor of the Company and a resolution to reappoint them will be proposed at the forthcoming Annual General Meeting.

Each of the persons who is a director at the date of approval of this report confirms that:

- so far as the director is aware, there is no relevant audit information of which the Company's auditor is unaware; and
- the director has taken all the steps that he/she ought to have taken as a director in order to make himself/herself aware of any relevant audit information and to establish that the Company's auditor is aware of that information.

This confirmation is given and should be interpreted in accordance with the provisions of s418 of the Companies Act 2006.

Approved by the Board of Directors  
and signed on behalf of the Board

D Crockford  
Director

13 February 2015

## **Directors' responsibilities statement**

The directors are responsible for preparing the annual report and the audited financial statements in accordance with applicable law and regulations.

Company law requires the directors to prepare financial statements for each financial year. Under that law the directors have elected to prepare the financial statements in accordance with United Kingdom Generally Accepted Accounting Practice (United Kingdom Accounting Standards and applicable law). Under company law the directors must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the Company and of the profit or loss of the Company for that year. In preparing these financial statements, the directors are required to:

- select suitable accounting policies and then apply them consistently;
- make judgments and accounting estimates that are reasonable and prudent; and
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the Company will continue in business.

The directors are responsible for keeping adequate accounting records that are sufficient to show and explain the Company's transactions and disclose with reasonable accuracy at any time the financial position of the Company and enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the Company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

## **Independent auditor's report to the members of Brackagh Quarry Windfarm Limited**

We have audited the financial statements of Brackagh Quarry Windfarm Limited for the year ended 30 June 2014 which comprise the Profit and Loss Account, the Balance Sheet, the Cash Flow Statement and the related notes 1 to 13. The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

This report is made solely to the Company's members, as a body, in accordance with Chapter 3 of Part 16 of the Companies Act 2006. Our audit work has been undertaken so that we might state to the Company's members those matters we are required to state to them in an auditor's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the Company and the Company's members as a body, for our audit work, for this report, or for the opinions we have formed.

### **Respective responsibilities of directors and auditor**

As explained more fully in the Directors' responsibilities statement, the directors are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view. Our responsibility is to audit and express an opinion on the financial statements in accordance with applicable law and International Standards on Auditing (UK and Ireland). Those standards require us to comply with the Auditing Practices Board's Ethical Standards for Auditors.

### **Scope of the audit of the financial statements**

An audit involves obtaining evidence about the amounts and disclosures in the financial statements sufficient to give reasonable assurance that the financial statements are free from material misstatement, whether caused by fraud or error. This includes an assessment of: whether the accounting policies are appropriate to the Company's circumstances and have been consistently applied and adequately disclosed; the reasonableness of significant accounting estimates made by the directors; and the overall presentation of the financial statements. In addition, we read all the financial and non-financial information in the annual report to identify material inconsistencies with the audited financial statements and to identify any information that is apparently materially incorrect based on, or materially inconsistent with, the knowledge acquired by us in the course of performing the audit. If we become aware of any apparent material misstatements or inconsistencies we consider the implications for our report.

### **Opinion on financial statements**

In our opinion the financial statements:

- give a true and fair view of the state of the Company's affairs as at 30 June 2014 and of its loss for the year then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice; and
- have been prepared in accordance with the requirements of the Companies Act 2006.

### **Opinion on other matter prescribed by the Companies Act 2006**

In our opinion the information given in the Directors' report for the financial year for which the financial statements are prepared is consistent with the financial statements.

### **Matters on which we are required to report by exception**

We have nothing to report in respect of the following matters where the Companies Act 2006 requires us to report to you if, in our opinion:

- adequate accounting records have not been kept, or returns adequate for our audit have not been received from branches not visited by us; or
- the financial statements are not in agreement with the accounting records and returns; or
- certain disclosures of directors' remuneration specified by law are not made; or
- we have not received all the information and explanations we require for our audit; or
- the Directors were not entitled to take advantage of the small companies exemption from preparing a Strategic report or in preparing the Directors' report.

## Notes to the financial statements For the year ended 30 June 2014

### 1. Accounting policies

Brackagh Quarry Windfarm Limited is a company incorporated in the United Kingdom under the Companies Act. The address of the registered office is given on page 1. The nature of the Company's operations and its principal activity is set out in the Directors' report on page 2.

The financial statements are prepared in accordance with applicable United Kingdom accounting standards. The particular accounting policies adopted are described below and have been applied consistently throughout the current and preceding financial year.

#### **Accounting convention**

The financial statements are prepared under the historical cost convention.

#### **Basis of preparation**

The financial statements have been prepared on the basis the Company is a going concern, which the directors consider appropriate.

The directors have separately reviewed integrated forecasts for the Company, for the foreseeable future, which indicate that the Company will be able to meet its cash flow demands and liabilities as they fall due from cash flows from operations and existing working capital and support from the Group as required.

The Company has received confirmation that the Group, which has substantial free cash resources, will continue to support the activities and allow the Company to meet its liabilities as they fall due.

#### **Intangible fixed assets**

Intangible assets acquired separately from a business are capitalised at cost. Intangible assets are amortised on a straight line basis over their estimated useful lives up to a maximum of 20 years. The carrying value of intangible assets is reviewed for impairment at the end of the first full year following acquisition and in other periods if events or changes in circumstances indicate that the carrying value may not be recoverable.

#### *Development costs*

Costs capitalised as development wind intangibles represent the costs incurred in bringing individual wind farm projects to the consented stage, including related interest costs. Costs associated with reaching the consent stage include options over land rights, planning application costs and environment impact studies. These may be costs incurred directly or acquisition of a controlling interest in a project.

The point of capitalisation occurs following a site review by the Board, ensuring the key planning, construction and financing risks have been mitigated to a level where the Board considers it probable that the site will deliver future economic benefits. This includes demonstration of technical feasibility, intention to complete, availability of resources, how the asset will generate future economic benefits and the ability to reliably measure expenditure.

Development wind assets are not amortised until the asset is substantially complete and ready for its intended use. The asset is subjected to impairment testing on an annual basis until this time. At the point the project reaches consented stage and is approved by the Board, the carrying value is transferred to Property, Plant & Equipment as assets under construction. Amortisation is over the expected useful life of the related operating asset. The asset is derecognised on disposal, or when no future economic benefits are expected from their use. The carrying value of development costs is reviewed for impairment annually when the asset is not yet in use or more frequently when an indication of impairment arises during the reporting year.

# Brackagh Quarry Windfarm Limited

## Notes to the financial statements (continued) For the year ended 30 June 2014

### 1. Accounting policies (continued)

#### Taxation

Current tax, including UK corporation tax and foreign tax, is provided at amounts expected to be paid (or recovered) using the tax rates and laws that have been enacted or substantively enacted by the balance sheet date.

Deferred taxation is provided in full on timing differences which result in an obligation at the balance sheet date to pay more tax, or a right to pay less tax, at a future date, at rates expected to apply when they crystallise based on current tax rates and law. Timing differences arise from the inclusion of items of income and expenditure in taxation computations in periods different from those in which they are included in financial statements. A deferred tax asset of £1,772 (2013: £1,347) remains unrecognised due to the recoverability being regarded as unlikely.

### 2. Information regarding directors and employees

The Company has no employees (2013: none). The directors received no remuneration from the Company (2013: none).

### 3. Loss on ordinary activities after taxation

	2014 £	2013 £
<b>Loss on ordinary activities is stated after charging;</b>		
Audit fees	2,000	2,000

### 4. Net finance (charge) / income

	2014 £	2013 £
Interest (payable) / receivable	(1,007)	671
Less: Interest on shareholder loans	(160,994)	(60,688)
Add back: Finance costs capitalised	160,994	60,688
<b>Net finance (charge) / income</b>	<b>(1,007)</b>	<b>671</b>

### 5. Intangible fixed assets

	Development costs £
<b>Cost and net book value</b>	
At 30 June 2013	747,250
Additions	834,385
<b>At 30 June 2014</b>	<b>1,581,635</b>

Interest charges on the shareholder loans for the year of £160,994 (2013: £ 74,145) are included within development expenditure. Also included within development costs is £7,140 (2013: £23,265) of internally capitalised costs incurred during the year.

# Brackagh Quarry Windfarm Limited

## Notes to the financial statements (continued) For the year ended 30 June 2014

### 12. Related party disclosures

The Company borrowed from related companies to fund development costs during the year. REG Holdings Limited and Creagh Concrete Products Limited are shareholders in the Company's parent company, REG Creagh JV Company.

The balance on these loans at the end of the year is shown below. The term of these loans is 20 years with outstanding principal and accrued interest payable at the end of the loan term.

		2014	2013
		£	£
	<i>Interest rate</i>		
REG Holdings Limited	15%	1,511,284	584,539
Creagh Concrete Products Limited	15%	275,791	237,596
		<u>1,787,075</u>	<u>822,135</u>

The Company was owed £1 by its immediate parent, REG Creagh JV Company Limited, at the end of the year.

The Company also entered into a lease agreement with Creagh Concrete Products Limited for the use of land at Brackagh Quarry, Draperstown. Rent is one peppercorn per annum.

The Company did not enter into any other transactions with related parties.

### 13. Ultimate parent undertaking

The ultimate parent undertaking and controlling party is Renewable Energy Generation Limited, a company incorporated in Jersey. The Registered Office of the ultimate parent undertaking is Elizabeth House, 9 Castle Street, St Helier, Jersey, JE4 2QP. This is the largest and smallest group which prepares consolidated financial statements including the Company.

The immediate parent company is REG Creagh JV Company Limited. A company registered in England & Wales. The financial statements are available from the registered office given on page 1.
