Notes to the Abbreviated Accounts

For the year ending 31 May 2012

1 **Accounting policies**

Accounting convention

The financial statements have been prepared under the historical cost convention and in accordance with the Financial Reporting Standard for Smaller Entities (effective April 2008).

Exemption from preparing a cash flow statement

The accounts do not include a cash flow statement because the company, as a small reporting entity, is exempt from the requirement to prepare such a statement under Financial Reporting Standard 1 Cash Flow Statements/Financial Reporting Standard for Smaller Entities(effective April 2008).

Turnover

Turnover represents net invoiced sales of services, excluding Value Added Tax.

Deferred tax

Deferred tax arises as a result of including items of income and expenditure in taxation computations in periods different from those in which they are included in the company's accounts. Deferred tax is provided in full on timing differences which result in an obligation to pay more (or less) tax at a future date, at the average tax rates that are expected to apply when the timing differences reverse, based on current tax rates and laws. Deferred tax is not provided on timing differences arising from the revaluation of fixed assets where there is no commitment to sell the asset.

Going concern basis

The financial statements have been prepared on a going concern basis which is dependent upon the company's director continuing to provide the necessary financial facilities to enable the company to continue in operation for the foreseeable future.

Depreciation

Depreciation has been provided at the following rates in order to write off the assets over their estimated useful lives.

Plant & machinery 25% on reducing balance
