Achievements and Performance

We have continued to develop our key services which underpin our success in the Leith Community. We are meeting and in many cases surpassing our targets, as the following details from the 12 months in 2014 show:

Our Creche Facility is key to the success of the Centre: it allows parents to attend groups and appointments; it supports vulnerable families through the provision of regular creche spaces and offers a drop in facility for all local families. We also have 2 outreach creches in Restalrig Lochend Community Hub and the Leith Community Education Centre in Edinburgh.

In 2014 there were a total of 4,647 creche sessions used, of these an average of 27% came from the 15% most deprived areas of Scotland (as defined by the Scottish Index of Multiple Deprivation).

A parent has said "My child's confidence has really grown since starting the creche, and has learned to play with other children".

Our Cafe and Families and Food Initiative provides many benefits to local families: the community cafe acts as a 'non-stigmatising gateway' to the Centre; cookery classes in local primary schools and our own Cook School enable both parents and children to learn more about healthy eating. Childhood obesity is rising and although a wide range of national interventions have been put in place to try and address this problem, they tend to be short term. Our cookery classes are for families where the art of cooking has been lost and processed food has been used for generations. There are also considerable implications for improved mental health with good nutrition.

In 2014 the cafe had over 4264 customers. We worked with more than 32 parents in classes running during the year. There was a diverse range of parents both in terms of ethnic background and cookery skills including a Chinese community group and an Asian women's group. The classes not only devote time to learning new cookery skills but importantly they allow parents to use the sessions and classes as social events, meeting likeminded people with similar social difficulties.

In 2014 classes were run for local children aged 9-10. 40 children of mixed ethnic backgrounds took part in these. Many of the children from ethnic minorities feel under pressure to eat a western style diet and this in turn puts added pressure on the cooking at home.

Quotes from cookery class parents "It was great fun to cook with friendly Mums from the community and it was great to have the opportunity to learn to cook new dishes and cooking techniques".

"I liked being able to suggest recipes and ingredients to cook in a supportive, listening and non-judgemental environment.

Dr Bell's Centre also offers many support and counselling sessions and groups including parent support groups, an Asian Women's group and advice surgeries relating to housing, money advice and employment. We have also developed the TAAP (Therapeutic Alliances and Partnerships) Therapy which consists of partnerships with organisations and alliances with individual therapists. Its purpose is to deliver a range of therapeutic services to families which include a child under 8 living in the EH6 or EH7 areas of Edinburgh. Through this trauma therapy we aim to: improve mental health in families with young children; provide a range of therapeutic services offered, free at the point of delivery; deliver early intervention where mental health issues are impacting on families and in the longer term, increase knowledge about the relationship between trauma, substance misuse and mental health.

Achievements and Performance (continued)

Often, we are in touch with disadvantaged families experiencing difficulties long before the statutory agencies are involved. Although there are other organisations offering part of what we do our services are free. In 2014:

219 'TAAP' Trauma therapy sessions were delivered.

480 1:1 appointments were made.

A parent supported by the TAAP therapy sessions has said "Relief in being able to let my feelings out. Validation. Help in recognizing what re important pressing things I need to prioritise which is helping me feel less overwhelmed".

1) Volunteers

23 volunteers have been involved in the work of the Centre in 2014/15. 2 people volunteered as therapists, 9 people volunteered as receptionists, and 3 people volunteered in the cafe. 9 people volunteered on our board of directors.

2) Partnerships

During 2014/15, we had active working partnerships with:

Fort Early Years Centre
Craigentinny Child and Family Centre
Making it work
Family Mediation Lothian
Home-Start Leith and North East Edinburgh
Multi-Cultural Family Base
Restalrig and Lochend Community Hub
Stanwell Nursery
Leith Community Education Centre

These partnerships involve the following areas of work:

Fort Early Years Centre and Craigentinny Child and Family Centre

This partnership relates to our parenting skills work.

Making it work

This City of Edinburgh led employment advice service has based a worker at Dr Bell's since Nov 2013. Job advice and IT drop in sessions run on a weekly basis.

Home-Start Leith and North East Edinburgh and Multi-Cultural Family Base

This partnership (called the 3 organisations partnership) operates a joint referral system so that families can benefit from the range of services on offer via all three agencies.

Restalrig and Lochend Community Hub

We run an outreach creche on Tuesdays at the Hub as a result of this partnership.

Stanwell Nursery

Our new cook school has been developed in partnership with Stanwell Nursery.

Leith Community Education Centre

We run an outreach creche on Wednesdays during term time via this partnership. This helps to deal with the excess of demand over supply within our main creche.

Achievements and Performance (continued)

3) Advice services

Making it Work and Digital Skills Academy are the agencies currently offering advice services at Dr. Bell's.

Financial Review

There were net incoming resources in the year of £10,719 (2014: outgoing resources of £24,716), comprising a decrease of £1,568 in unrestricted funds and an increase of £12,287 in restricted funds. Details of incoming resources and resources expended are shown in the Statement of Financial Activities (SOFA) on page 9 and the accompanying notes.

Grants of £223,424 in total were received for the year and these are detailed in note 2 on page 12. Further breakdown of resources expended in the year is given in note 4 on page 13.

Total funds of £65,462 are carried forward to 2014/15, as detailed in note 8 on page 15. This includes £14,341 in restricted funds, £2,392 representing the net book value of fixed assets and £48,729 in the general fund, which represents the free reserves of the charity. The policy is to build these reserves up to a level equivalent to at least 3 months' annual expenditure for the Centre (the present level is equivalent to just over 2 months).

To date total grant funding of £163,000 has been secured for the year 2015/16. Our main (£5k or over) funders for 2015/16 are: City of Edinburgh Council, The Robertson Trust, The Volant Charitable Trust, The Tudor Trust, The Binks Trust, The Robin Leith Trust, BBC Children in Need, Big Lottery Fund, Comic Relief, The Trusthouse Charitable Foundation, The Schuh Trust, and The Garfield Weston Foundation.

Overheads and support costs are allocated to charitable activities based on staff numbers and room usage. During 2014/15 we have reviewed these allocations to ensure full cost recovery. Total expenditure for the year has remained steady compared to 2013/14.

Report of the Independent Examiner To the Directors of Dr Bell's Family Centre

I report on the accounts of Dr Bell's Family Centre for the year ended 31 March 2015, which are set out on pages 9 to 15.

Respective responsibilities of directors (trustees) and examiner

The directors, as trustees of the charity, are responsible for the preparation of the accounts in accordance with the terms of the Charities and Trustee Investment (Scotland) Act 2005 (the 2005 Act) and the Charities Accounts (Scotland) Regulations 2006. They consider that the audit requirement of Regulation 10(1) (a) to (c) of the Accounts Regulations does not apply. It is my responsibility to examine the accounts as required under section 44(1) (c) of the Act and to state whether particular matters have come to my attention.

Basis of independent examiner's statement

My examination is carried out in accordance with Regulation 11 of the Charities Accounts (Scotland) Regulations 2006. An examination includes a review of the accounting records kept by the charity and a comparison of the accounts presented with those records. It also includes consideration of any unusual items or disclosures in the accounts, and seeks explanations from the trustees concerning any such matters. The procedures undertaken do not provide all the evidence that would be required in an audit, and consequently I do not express an audit opinion on the view given by the accounts.

Independent examiner's statement

In the course of my examination, no matter has come to my attention:

- 1. which gives me reasonable cause to believe that in any material respect the requirements:
 - to keep accounting records in accordance with Section 44(1) (a) of the 2005 Act and Regulation 4 of the 2006 Accounts Regulations, and
 - to prepare accounts which accord with the accounting records and comply with Regulation 8 of the 2006 Accounts Regulations

IETH OCTOBER 2015

have not been met, or

2. to which, in my opinion, attention should be drawn in order to enable a proper understanding of the accounts to be reached.
