On the same date Kaupthing Bank agreed to change the terms of the loan it had made to CAL. Details of the restructuring can be found in note 16 to the financial statements. This restructuring provides the company with much greater certainty that it will be able to service its debt obligations in the future and provides support from Kaupthing Bank to November 2013.

## Directors' responsibilities statement

The directors are responsible for preparing the Annual Report and the financial statements in accordance with applicable law and regulation.

Company law requires the directors to prepare financial statements for each financial period that give a true and fair view of the state of affairs of the company and of the profit or loss of the company for that period. Under that law the directors have elected to prepare the financial statements in accordance with United Kingdom Generally Accepted Accounting Practice (United Kingdom Accounting Standards and applicable law).

In preparing those financial statements the directors are required to:

- Select suitable accounting policies and then apply them consistently
- Make judgements and estimates that are reasonable and prudent.
- State whether applicable UK Accounting Standards have been followed, subject to any material departure disclosed and explained in the financial statements.
- Prepare the financial statements on the going concern basis, unless it is inappropriate to presume that the company will continue in business.

The directors confirm that they have complied with the above requirements in preparing the financial statements.

The directors are responsible for keeping proper accounting records that disclose with reasonable accuracy at any time the financial position of the company and enable them to ensure that the financial statements comply with the Companies Act 1985. They are also responsible for safeguarding the assets of the company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

## Disclosure of information to auditors

The directors have taken all the steps they ought to have taken in order to make themselves aware of any relevant audit information and to establish that the company's auditors are aware of that information.

## Notes to the financial statements for the year ended 29 February 2008

### 1 Principal account policies

The financial statements have been prepared on a going concern basis in accordance with the Companies Act 1985 and applicable Accounting Standards in the United Kingdom. A summary of the more important accounting policies, which have been applied consistently, is set out below.

#### Basis of accounting

The financial statements are prepared in accordance with the historical cost convention.

#### Basis of preparation - going concern

The directors have obtained confirmation from Chestnutbay AcquisitionCo Limited, the Company's parent undertaking, that it will provide sufficient financial support to the company to ensure it can meet its obligations as they fall due for a period of at least twelve months from the date of approval of the financial statements. Accordingly the directors have determined that the going concern basis is appropriate.

#### Basis of consolidation

The financial statements contain information about Chestnutbay Limited as an individual company and do not contain consolidated financial information as the parent of a group. The company is exempt under Section 228 of the Companies Act 1985 from the requirement to prepare consolidated financial statements as it and its subsidiary undertakings are included by full consolidation in the consolidated financial statements of its parent Chestnutbay AcquisitionCo Limited, a company incorporated in England and Wales.

#### Investments

Investments are carried at cost less any provision for impairment in value.

#### Deferred taxation

Deferred tax is recognised in respect of all timing differences that have originated but not reversed at the balance sheet date where transactions or events that result in an obligation to pay more tax in the future or right to pay less tax in the future have occurred at the balance sheet date. An asset is not recognised to the extent that the transfer of economic benefits in the future is more likely than not.

Deferred tax is measured at the average tax rates that are expected to apply in the periods in which the timing differences are expected to reverse, based on tax rates and laws that have been enacted or substantially enacted by the balance sheet date. Deferred tax is measured on a non-discounted basis.

#### Cash flow statement

The company is a wholly owned subsidiary of Chestnutbay AcquisitionCo Limited and the cash flows of the company are included in the consolidated group cash flow statement of that company. Consequently, the company is exempt under the terms of Financial Reporting Standard 1 from publishing a cash flow statement.

#### Pension scheme arrangements

The company operates a defined contribution stakeholder pension scheme and on behalf of a small number of employees. No contributions are made by the company.

Copies of the consolidated financial statements of Chestnutbay AcquisitionCo Limited may be obtained from the Secretary at the company's registered office, Orbital House, Park View Road, Berkhamsted, Herts HP4 3EY. The company's ultimate parent undertaking is Kaupthing Bank hf, a company incorporated in Iceland.

## 16 Events subsequent to the balance sheet date

The company is a wholly owned subsidiary of Chestnutbay AcquisitionCo Limited (CAL). CAL acquired the Chestnutbay Limited group in June 2007 which was partially funded by an 18 month bridging facility provided by Kaupthing Bank hf which expired on 28 December 2008.

CAL hedged its exposure to interest rate movements on its principal debt by way of two interest rate swaps held by Kaupthing Singer & Friedlander Limited. Any repayment, refinancing or default of the principal debt would have crystallised a liability to settle all future payments due under the interest rate swaps. The close-out value of the swaps increased significantly as interest rates fell.

The original intention was for CAL to refinance the principal borrowings before they expired. However, due to material changes in the global and UK economic and financial environment it became clear that this would not be possible. As a result, CAL commenced discussions with Kaupthing Bank to agree a consensual debt restructuring in December 2008.

## CHESTNUTBAY LIMITED

On 1 July 2009 CAL agreed and executed a restructure with its banks which had the following effect:

- The existing Kaupthing Bank facility was restructured and its maturity date was extended to 2013
- CAL issued new share capital to Kaupthing Bank in consideration for the bank reducing the amount due under the facility from £76.4m to £50m.
- Liabilities under the interest rate swap with Kaupthing Singer & Friedlander were settled in full.
- CAL's immediate parent, Chestnutbay Middleco Limited was placed into administration
- CAL was acquired by a newly incorporated company, Conchord Limited, a subsidiary of Kaupthing Bank hf.

The company remains a guarantor under the amended and restated agreement.

### 17 Related party transactions

The company has taken advantage of the exemption not to disclose transactions with related parties under Financial Reporting Standard 8 - Related Parties, as it is a wholly owned subsidiary of Chestnutbay AcquisitionCo Limited and all relevant transactions are disclosed in that company's consolidated financial statements.
