THIS DEED is dated

24th October

2017 and is made between:

- (1) **THE COMPANIES** listed in SCHEDULE 1 (together, the “**Original Chargors**” and each an “**Original Chargor**”);
- (2) **ELMWOOD SITE SOLUTIONS LIMITED**, a company incorporated and registered in England and Wales with registered number 10693670 (the “**Additional Chargor**”); and
- (3) **GRANT MARTIN EUGENE BEGLAN**, a private individual whose residential address is 323, Benfleet Road, Benfleet, Essex SS7 1PW (the “**Chargee**”).

BACKGROUND:

- (A) Pursuant to a guarantee and debenture dated 10 January 2017 (the “**Original Guarantee and Debenture**”), the Original Chargors created Security Interests over all of their respective property, assets and undertaking as security for, among other things, the present and future obligations and liabilities of the Original Chargors to the Chargee.
- (B) Pursuant to the terms of a facility agreement dated 10 January 2017 and made between, amongst others, (1) Environmental Group Limited (as borrower) (the “**Parent**”) and (2) AIB Group (UK) p.l.c. (as lender) (“**AIB**”) (the “**Facility Agreement**”), AIB agreed to advance a term loan of up to £6,400,000 to the Parent.
- (C) The Parent has agreed to acquire the entire issued share capital of the Additional Chargor pursuant to the terms of a share purchase agreement to be entered into on or about the date of this Deed between (1) the Parent (as buyer) and (2) Antonia Woodward (as seller) (the “**Acquisition**”).
- (D) The parties to the Facility Agreement have agreed to amend and restate the terms of the Facility Agreement to reflect the new structure of the Parent’s group. Further, the Chargors have agreed that the Additional Chargor shall accede to the Original Guarantee and Debenture as a Chargor. The Chargee has also requested that the Original Chargors confirm that their obligations and the Security Interests granted under the Original Guarantee and Debenture are extended to meet any additional obligations owed by the Chargors to the Chargee.
- (E) This Deed is supplemental to the Original Guarantee and Debenture.
- (F) It is intended that this document takes effect as a deed notwithstanding the fact that a party may only execute this document under hand.

IT IS AGREED as follows:

1. INTERPRETATION

1.1 In this Deed,

“**Chargors**” means the Original Chargors and the Additional Chargor.

“**Finance Documents**” means the Loan Note Instrument, the Original Guarantee and Debenture and this Deed.

"Loan Note Instrument" means the loan note instrument constituting Series B Secured Non-Interest Bearing Loan Note Instrument dated 10 January 2017 entered into by the Parent, together with all loan notes constituted and issued pursuant thereto and for the time being outstanding.

"Secured Liabilities" means all present and future liabilities and obligations of the Chargors to the Chargee under the Loan Note Instrument, whether actual or contingent and whether owed jointly or severally or as principal or as surety or in any other capacity whatsoever and whether or not the Chargee was the original creditor in respect thereof, including without limitation interest, commission, costs, charges and expenses charged by the Chargee at rates agreed by it and the Chargors.

"Security Period" means the period from the date of this Deed until the date on which the Chargee has determined that all of the Secured Liabilities have been irrevocably and unconditionally paid and discharged in full.

- 1.2 Save where otherwise specified, capitalised terms used in this Deed have, unless expressly defined in this Deed, the meanings given to those terms by the Original Guarantee and Debenture.
- 1.3 The provisions of clause 1.3 (*Interpretation*) of the Original Guarantee and Debenture apply to this Deed as though they were set out in full in this Deed except that references to the Guarantee and Debenture are to be construed as references to this Deed.
- 1.4 A Finance Document or other document or security includes (without prejudice to any prohibition on amendments) any amendment to that Finance Document or other document or security, including any change in the purpose of, any extension of or any increase in the amount of a facility or any additional facility.
- 1.5 A reference to any asset, unless the context otherwise requires, includes any present and future assets.
- 1.6 Any covenant of the Chargors under this Deed (other than a payment obligation) remains in force during the Security Period.
- 1.7 If the Chargee considers that an amount paid to the Chargee under a Finance Document is capable of being lawfully avoided or otherwise set aside on the liquidation or administration of the payer or otherwise, then that amount will not be considered to have been irrevocably paid for the purposes of this Deed.
- 1.8 Unless the context otherwise requires, a reference to Charged Property includes the proceeds of sale of that Charged Property.

2. CREATION OF SECURITY

2.1 General

- (a) All the security created under this Deed:

Where this Deed purports to create a first fixed Security Interest, that Security Interest will be subsequent ranking Security Interest ranking subject to any equivalent Security created by the Original Guarantee and Debenture until such time as the Security Interests created by the Original Guarantee and Debenture cease to have effect.

- (d) Where a right or asset has been assigned (subject to a proviso for re-assignment on redemption) under the Original Guarantee and Debenture and the same asset or right is expressed to be assigned again under this Deed, that second assignment will take effect as a fixed charge over the right or asset and will only take effect as an assignment if the relevant Security Interests created by the Original Guarantee and Debenture cease to have effect at a time when this Deed still has effect.
