2016 PHASE ONE CREDIT SUPPORT ANNEX FOR INITIAL MARGIN (IM)

dated as of September 1, 2016

to the Schedule to the

ISDA Master Agreement

dated as of November 3, 2011

between

Goldman Sachs International Bank
(*Party A*)

and

J Aron & Company
(*Party B*)

This Annex supplements, forms part of, and is subject to, the above-referenced Agreement, is part of its Schedule and is a Credit Support Document under this Agreement with respect to each party

Accordingly, the parties agree as follows —

Paragraph 1 Interpretation

(a) **Definitions and Inconsistency.** Capitalized terms not otherwise defined herein or elsewhere in this Agreement have the meanings specified pursuant to Paragraph 12, and all references in this Annex to Paragraphs are to Paragraphs of this Annex. In the event of any inconsistency between this Annex and the other provisions of this Schedule, this Annex will prevail, and in the event of any inconsistency between Paragraph 13 and the other provisions of this Annex, Paragraph 13 will prevail.

(b) **Secured Party and Pledgor.** All references in this Annex to the **Secured Party** will be to either party when acting in that capacity and all corresponding references to the **Pledgor** will be to the other party when acting in that capacity, *provided, however*, that if Other Posted Support (IM) is held by a party to this Annex, all references herein to that party as the Secured Party with respect to that Other Posted Support (IM) will be to that party as the beneficiary thereof and will not subject that support or that party as the beneficiary thereof to provisions of law generally relating to security interests and secured parties.

(c) **Scope of this Annex and Each Other CSA.** The only Transactions which will be relevant for the purposes of determining a **Credit Support Amount (IM)** and related **Margin Amount (IM)** under this Annex with respect to a posting obligation of a Pledgor will be the relevant Covered Transactions (IM) specified in accordance with the provisions of Paragraph 13. Each Other CSA, if any, is hereby amended such that the Transactions that will be relevant for purposes of determining any 'Independent Amount' thereunder, if any, with respect to the Pledgor will exclude the Covered Transactions (IM). Except as provided in Paragraphs 8(a) and 8(b), nothing in this Annex will

affect the rights and obligations, if any, of either party with respect to variation margin under each Other CSA, if any, with respect to Transactions that are Covered Transactions (IM)

(d) **Use of Segregated Accounts** This Annex is intended to be used in connection with segregated accounts (each a **Segregated Account**) maintained by third-party custodians for the custody of initial margin posted by a party acting as the Pledgor as specified in Paragraph 13. Accordingly, the parties understand and agree that for purposes of this Annex, (i) a Transfer of Eligible Credit Support (IM) to a Segregated Account is a Transfer of such Eligible Credit Support (IM) to the Secured Party and (ii) Eligible Credit Support (IM) Transferred to a Segregated Account is Posted Credit Support (IM). Any reference in this Annex to a Segregated Account refers to a Segregated Account in respect of the Pledgor.

Paragraph 2 Security Interest

Each party, as the Pledgor, hereby pledges to the other party, as the Secured Party, as security for its Obligations, and grants to the Secured Party a first priority continuing security interest in, lien on and right of Set-off against each Segregated Account and all Posted Collateral (IM) Transferred to the Secured Party hereunder. Upon the Transfer of Posted Collateral (IM) to the Pledgor on the instruction of the Secured Party or as otherwise permitted under this Annex, the security interest and lien granted hereunder on that Posted Collateral (IM) will be released immediately and, to the extent possible, without any further action by either party.

Paragraph 3 Credit Support Obligations

(a) **Delivery Amount (IM)** Subject to Paragraphs 4 and 5, upon a demand made by the Secured Party on or promptly following a Calculation Date (IM), if the Delivery Amount (IM) applicable to the Pledgor for that Calculation Date (IM) equals or exceeds the Pledgor's Minimum Transfer Amount (IM), then the Pledgor will Transfer to the Secured Party Eligible Credit Support (IM) having a Value as of the date of Transfer at least equal to the applicable Delivery Amount (IM) (rounded pursuant to Paragraph 13). Unless otherwise specified in Paragraph 13, the **'Delivery Amount (IM)'** applicable to the Pledgor for any Calculation Date (IM) will equal the amount by which

(i) the Credit Support Amount (IM) applicable to the Pledgor

exceeds

(ii) the Value as of that Calculation Date (IM) of all Posted Credit Support (IM)

(b) **Return Amount (IM)** Subject to Paragraphs 4 and 5, upon a demand made by the Pledgor on or promptly following a Calculation Date (IM), if the Return Amount (IM) applicable to the Secured Party for that Calculation Date (IM) equals or exceeds the Secured Party's Minimum Transfer Amount (IM), then the Secured Party will Transfer to the Pledgor Posted Credit Support (IM) specified by the Pledgor in that demand having a Value as of the date of Transfer as close as practicable to the applicable Return Amount (IM) (rounded pursuant to Paragraph 13). Unless otherwise specified in Paragraph 13, the **'Return Amount (IM)'** applicable to the Secured Party for any Calculation Date (IM) will equal the amount by which

(i) the Value as of that Calculation Date (IM) of all Posted Credit Support (IM)

exceeds

(ii) the Credit Support Amount (IM) applicable to the Pledgor

Credit Support Amount (IM) means, with respect to a party as the Pledgor, unless otherwise specified in Paragraph 13, for any Calculation Date (IM) (i) the Margin Amount (IM) applicable to the Pledgor, if any, minus (ii) the Pledgor's Threshold, *provided, however*, that the Credit Support Amount (IM) will be deemed to be zero whenever the calculation of the Credit Support Amount (IM) yields a number less than zero.

Paragraph 4 Conditions Precedent, Transfer Timing, Calculations and Substitutions

(a) **Conditions Precedent** Unless otherwise specified in Paragraph 13, each Transfer obligation of the Pledgor under Paragraphs 3 and 5 and of the Secured Party under Paragraphs 3, 4(d)(ii), 5 and the provisions of Paragraph 13 relating to the Return of Posted Credit Support (IM) with a Value of zero is subject to the conditions precedent that

(i) no Event of Default, Potential Event of Default or Specified Condition has occurred and is continuing with respect to the other party, and

(ii) no Early Termination Date has occurred or been designated for which any unsatisfied payment obligations (whether present, actual, future or contingent) exist which is (A) in respect of all Covered Transactions (IM) or (B) as the result of a Specified Condition with respect to the other party

(b) **Transfer Timing** Subject to Paragraphs 4(a) and 5, and unless otherwise specified in Paragraph 13, if a demand for the Transfer of Eligible Credit Support (IM) or Posted Credit Support (IM) is made by the Notification Time, then the relevant Transfer will be made not later than the close of business on the Regular Settlement Day, if a demand is made after the Notification Time, then the relevant Transfer will be made not later than the close of business on the next Local Business Day following the Regular Settlement Day

(c) **Calculations** All calculations of Value and Credit Support Amount (IM) for purposes of Paragraph 3 will be made by the Calculation Agent (IM) as of the Calculation Time (IM). In the case of any calculation of Value, the Calculation Agent (IM) may use Values most recently reasonably available for close of business in the relevant market for the relevant Eligible Credit Support (IM) as of the Calculation Time (IM). In the case of any calculation of Credit Support Amount (IM), the Calculation Agent (IM) may use relevant information or data (including but not limited to inputs for any applicable model specified in Paragraph 13 to determine Margin Amount (IM) for certain Covered Transactions (IM)) most recently reasonably available for close of business in the relevant market(s) as of the Calculation Time (IM). The Calculation Agent (IM) will notify each party (or the other party, if the Calculation Agent (IM) is a party) of its calculations not later than the Notification Time on the Local Business Day following the applicable Calculation Date (IM).

(d) Substitutions

(i) Unless otherwise specified in Paragraph 13, upon notice to the Secured Party specifying the items of Posted Credit Support (IM) to be exchanged, the Pledgor may, on any Local Business Day, Transfer to the Secured Party substitute Eligible Credit Support (IM) (the **Substitute Credit Support (IM)**), and

(ii) subject to Paragraph 4(a), the Secured Party will Transfer to the Pledgor the items of Posted Credit Support (IM) specified by the Pledgor in its notice not later than the Local Business Day following the date on which the Secured Party receives the Substitute Credit Support (IM), unless otherwise specified in Paragraph 13 (the **Substitution Date**), provided that the Secured Party will only be obligated to Transfer Posted Credit Support (IM) with a Value as of the date of Transfer as close as practicable to, but not more than, the Value of the Substitute Credit Support (IM) as of that date, as calculated by the Calculation Agent (IM).

Paragraph 5 Dispute Resolution

If a party (a **Disputing Party**) disputes (I) the Calculation Agent (IM)'s calculation of a Delivery Amount (IM) or a Return Amount (IM) or (II) the Value of any Transfer of Eligible Credit Support (IM) or Posted Credit Support (IM), then

(i) the Disputing Party will notify the other party and the Calculation Agent (IM) (if the Calculation Agent (IM) is not the other party) not later than the close of business on (X) the date that the Transfer is due in respect of such Delivery Amount (IM) or Return Amount (IM) in the case of (I) above, or (Y) the Local Business Day following the date of Transfer in the case of (II) above,

(ii) subject to Paragraph 4(a), the appropriate party will Transfer the undisputed amount to the other party not later than the close of business on (X) the date that the Transfer is due in respect of such Delivery Amount (IM) or Return Amount (IM) in the case of (I) above, or (Y) the Local Business Day following the date of Transfer in the case of (II) above,

(iii) the parties will consult with each other in an attempt to resolve the dispute, and

(iv) if they fail to resolve the dispute by the Resolution Time, then

(A) in the case of a dispute involving a Delivery Amount (IM) or Return Amount (IM), the Calculation Agent (IM) will recalculate the Credit Support Amount (IM) and Value as of the Recalculation Date by using the procedures specified in Paragraph 13 for calculating the Credit Support Amount (IM), and for calculating the Value, if disputed, of Posted Credit Support (IM), and

(B) in the case of a dispute involving the Value of any Transfer of Eligible Credit Support (IM) or Posted Credit Support (IM), the Calculation Agent (IM) will recalculate the Value as of the date of Transfer pursuant to Paragraph 13

Following a recalculation pursuant to this Paragraph, the Calculation Agent (IM) will notify each party (or the other party, if the Calculation Agent (IM) is a party) not later than the Notification Time on the Local Business Day following the Resolution Time. The appropriate party will, upon demand following that notice by the Calculation Agent (IM) or a resolution pursuant to (iii) above and subject to Paragraphs 4(a) and 4(b), make the appropriate Transfer

Paragraph 6 Custody Arrangements and the Control Agreement

The Custodian (IM) appointed with respect to each party as the Pledgor and the details of the Segregated Accounts are specified in Paragraph 13. Each party as the Pledgor and the other party as the Secured Party and the relevant Custodian (IM) have entered, or will on the date of this Annex enter into, the Control Agreement providing applicable terms for each party to provide instructions to the Custodian (IM). Prior to the enforcement of its rights under Paragraph 8, the Secured Party will not be entitled to hold any Posted Collateral (IM), except as provided in the Control Agreement or as otherwise agreed between the parties

(a) **Custodian (IM) Risk** Unless otherwise specified in Paragraph 13 with respect to a party as the Secured Party and the other party as the Pledgor

(i) the Pledgor will be liable for the acts or omissions of the Custodian (IM) to the same extent that the Pledgor would be liable hereunder for its own acts or omissions and any such act or omission of the Custodian (IM) will be deemed to be the act or omission of the Pledgor for purposes of Paragraph 7, *provided* that, notwithstanding the foregoing, if Custodian Event is specified as applicable in Paragraph 13, the consequences of any act or omission of the Custodian (IM) that constitutes a Custodian Event will be as set out in the 'Custodian Event' provisions in Paragraph 13,

(ii) the Secured Party will not be liable for the acts or omissions of the Custodian (IM), and

(iii) any obligation of the Secured Party to Transfer, or cause the Custodian (IM) to Transfer, Posted Collateral (IM) held by the Custodian (IM) to the Pledgor will be deemed satisfied by the Secured Party's sending appropriate instructions to the Custodian (IM) in accordance with the terms of the Control Agreement to effect such Transfer. For the avoidance of doubt, the Secured Party will bear no liability for the failure of the Custodian (IM) to comply with such instructions and no such failure will constitute an Event of Default with respect to the Secured Party

(b) **Use of Posted Collateral (IM)** Unless otherwise specified in Paragraph 13 and without limiting the rights of the Secured Party under Paragraph 8, the Secured Party will have no right to

(i) sell, pledge, rehypothecate, assign, invest, use, commingle or otherwise dispose of, or otherwise use in its business any Posted Collateral (IM), or

(ii) register any Posted Collateral (IM) in the name of the Secured Party, its custodian or a nominee for either

(c) **No Offset.** Except as otherwise provided in Paragraph 8, no delivery or return of any margin under any Other CSA will be offset against (or netted with) any Delivery Amount (IM) or Return Amount (IM)

(d) **Distributions and Interest Amount** Except as otherwise provided in this Annex, the Secured Party will have no obligation hereunder to pay or to Transfer to the Pledgor any amount of interest in respect of any Posted Credit Support (IM) in the form of Cash or any Distributions in respect of Posted Credit Support (IM)

(e) **The Control Agreement as a Credit Support Document.** Unless otherwise specified in Paragraph 13, the Control Agreement will not be a Credit Support Document under this Agreement with respect to a party

Paragraph 7 Events of Default

For purposes of Section 5(a)(iii)(1) of this Agreement, an Event of Default will exist with respect to a party if

(i) that party fails to make, when due, any Transfer of Eligible Collateral (IM) or Posted Collateral (IM), as applicable, required to be made by it and that failure continues for two Local Business Days after notice of that failure is given to that party,

(ii) that party fails to comply with Paragraph 6(b) and that failure continues for five Local Business Days after notice of that failure is given to that party, or

(iii) that party fails to comply with or perform any agreement or obligation other than those specified in Paragraphs 7(i) and 7(ii) and that failure continues for 30 days after notice of that failure is given to that party,

provided that, if Custodian Event is specified as applicable in Paragraph 13, any event or circumstance that constitutes or gives rise to a Custodian Event will not constitute or give rise to such Event of Default

Paragraph 8 Certain Rights and Remedies

(a) **Secured Party's Rights and Remedies** If at any time a Secured Party Rights Event has occurred and is continuing, then, unless the Pledgor has paid in full all of its Obligations, the Secured Party may exercise one or more of the following rights and remedies

(i) all rights and remedies available to a secured party under applicable law with respect to Posted Collateral (IM),

(ii) any other rights and remedies available to the Secured Party under the terms of Other Posted Support (IM), if any,

(iii) the right to Set-off (A) any amounts payable by the Pledgor with respect to any Obligations and (B) any Cash amounts and the Cash equivalent of any non-Cash items posted to the Pledgor by the Secured Party as margin under any Other CSA (other than any Other CSA Excluded Credit Support) the return of which is due to the Secured Party against any Posted Collateral (IM) or the Cash equivalent of any Posted Collateral (IM) (or any obligation of the Secured Party to Transfer that Posted Collateral (IM)), and

(iv) the right to liquidate any Posted Collateral (IM) through one or more public or private sales or other dispositions with such notice, if any, as may be required under applicable law, free from any claim or right of any nature whatsoever of the Pledgor, including any equity or right of redemption by the Pledgor (with the Secured Party having the right to purchase any or all of the Posted Collateral (IM) to be sold) and to apply the proceeds (or the Cash equivalent thereof) from the liquidation of the Posted Collateral (IM) to (A) any amounts payable by the Pledgor with respect to any Obligations and (B) any Cash amounts and the Cash equivalent of any non-Cash items posted to the Pledgor by the Secured Party as margin under any Other CSA (other than any Other CSA Excluded Credit Support) the return of which is due to the Secured Party in such order as the Secured Party may elect

Each party acknowledges and agrees that Posted Collateral (IM) in the form of securities may decline speedily in value and is of a type customarily sold on a recognized market, and, accordingly, the Pledgor is not entitled to prior notice of any sale of that Posted Collateral (IM) by the Secured Party, except any notice that is required under applicable law and cannot be waived

(b) ***Pledgor's Rights and Remedies.*** If at any time a Pledgor Rights Event or, if specified as applicable in Paragraph 13, a Pledgor Additional Rights Event has occurred and is continuing, then

(i) the Pledgor may exercise all rights and remedies available to a pledgor under applicable law with respect to Posted Collateral (IM),

(ii) the Pledgor may exercise any other rights and remedies available to the Pledgor under the terms of Other Posted Support (IM), if any,

(iii) the Secured Party will be obligated immediately to Transfer all Posted Collateral (IM) to the Pledgor, and

(iv) to the extent that Posted Collateral (IM) is not so Transferred pursuant to (iii) above, the Pledgor may

(A) Set-off any amounts payable by the Pledgor with respect to any Obligations against any Posted Collateral (IM) or the Cash equivalent of any Posted Collateral (IM) (or any obligation of the Secured Party to Transfer that Posted Collateral (IM)), and

(B) to the extent that the Pledgor does not Set-off under (iv)(A) above, withhold payment of any remaining amounts payable by the Pledgor with respect to any Obligations, up to the Value of any remaining Posted Collateral (IM), until that Posted Collateral (IM) is Transferred to the Pledgor

(c) ***Deficiencies and Excess Proceeds***

(i) A party (the '***Deficiency Obligor***') will remain liable for all Obligations of such party remaining unsatisfied after the exercise of rights and remedies by the other party (the '***Exercising Party***') under Paragraph 8(a) or (b)

(ii) Following the exercise of such rights and remedies, the Exercising Party will, as the Secured Party, Transfer to the Deficiency Obligor any proceeds and Posted Credit Support (IM) remaining after satisfaction in full of all payment and delivery Obligations of the Deficiency Obligor, including (if applicable) the Transfer and release to the Exercising Party by the Deficiency Obligor, in its capacity as the Secured Party, of all Posted Credit Support (IM) hereunder and the return of any other amounts and items posted by the Exercising Party to the Deficiency Obligor as credit support under any Other CSA

(d) ***Final Returns*** Subject to Paragraph 8(c), upon satisfaction in full of all Obligations of the Pledgor (except for any potential liability under Section 2(d) of this Agreement or any obligation to transfer any interest payment under any Other CSA), the Secured Party will Transfer to the Pledgor all Posted Credit Support (IM), if any

Paragraph 9 Representations

Each party represents to the other party (which representations will be deemed to be repeated as of each date on which it, as the Pledgor, Transfers Eligible Collateral (IM)) that

- (i) it has the power to grant a security interest in and lien on any Eligible Collateral (IM) it Transfers as the Pledgor and has taken all necessary actions to authorize the granting of that security interest and lien,
- (ii) it is the sole owner of or otherwise has the right to Transfer all Eligible Collateral (IM) it Transfers to the Secured Party hereunder, free and clear of any security interest, lien, encumbrance or other restrictions other than the security interest and lien granted under Paragraph 2 or any security interest in favor of the Custodian (IM) expressly referred to in the Control Agreement,
- (iii) upon the Transfer of any Eligible Collateral (IM) to the Secured Party under the terms of this Annex, the Secured Party will have a valid and perfected first priority security interest therein (assuming that any central clearing corporation or any third-party financial intermediary or other entity not within the control of the Pledgor involved in the Transfer of that Eligible Collateral (IM) gives the notices and takes the action required of it under applicable law for perfection of that interest), except to the extent subordinate to any security interest in favor of the Custodian (IM) expressly referred to in the Control Agreement, and
- (iv) the performance by it of its obligations under this Annex will not result in the creation of any security interest, lien or other encumbrance on any Posted Collateral (IM) other than the security interest and lien granted under Paragraph 2 or any security interest in favor of the Custodian (IM) expressly referred to in the Control Agreement

Paragraph 10 Expenses

- (a) **General** Except as otherwise provided in Paragraphs 10(b) and 10(c), each party will pay its own costs and expenses in connection with performing its obligations under this Annex and neither party will be liable for any costs and expenses incurred by the other party in connection herewith
- (b) **Posted Credit Support (IM)** The Pledgor will promptly pay when due all taxes, assessments or charges of any nature that are imposed with respect to Posted Credit Support (IM) held by the Custodian (IM) upon becoming aware of the same
- (c) **Liquidation/Application of Posted Credit Support (IM)** All reasonable costs and expenses incurred by or on behalf of the Secured Party or the Pledgor in connection with the liquidation and/or application of any Posted Credit Support (IM) under Paragraph 8 or the Control Agreement, as applicable, will be payable, on demand and pursuant to the Expenses Section of this Agreement, by the Defaulting Party or, if there is no Defaulting Party, equally by the parties

Paragraph 11 Miscellaneous

- (a) **Default Interest.** A Secured Party that fails to make, when due, any Transfer of Posted Collateral (IM) will be obligated to pay the Pledgor (to the extent permitted under applicable law) an amount equal to interest at the Default Rate multiplied by the Value of the items of property that were required to be Transferred, from (and including) the date that Posted Collateral (IM) was required to be Transferred to (but excluding) the date of Transfer of that Posted Collateral (IM) This interest will be calculated on the basis of daily compounding and the actual number of days elapsed
- (b) **Further Assurances** Promptly following a demand made by a party, the other party will execute, deliver, file and record any financing statement, specific assignment or other document and take any other action that may be necessary or desirable and reasonably requested by that party to create, preserve, perfect or validate any security interest or lien granted under Paragraph 2, to enable that party to exercise or enforce its rights under this Annex with

respect to Posted Credit Support (IM) or to effect or document a release of a security interest on Posted Collateral (IM)

(c) **Further Protection** The Pledgor will promptly give notice to the Secured Party of, and defend against, any suit, action, proceeding or lien that involves Posted Credit Support (IM) Transferred by the Pledgor or that could adversely affect the security interest and lien granted by it under Paragraph 2

(d) **Good Faith and Commercially Reasonable Manner** Performance of all obligations under this Annex, including, but not limited to, all calculations, valuations and determinations made by either party, will be made in good faith and in a commercially reasonable manner

(e) **Demands and Notices** All demands and notices made by a party under this Annex will be made as specified in the Notices Section of this Agreement, except as otherwise provided in Paragraph 13

- (bb) in respect of a Pledgor and its obligations to post initial margin hereunder, any reference to the term ‘Regime’ or ‘Regimes’ in this Annex is to all Regimes that are specified as applicable in the above table to the other party as Secured Party provided that each such Regime will, subject to (cc) below and provisions relating to Retrospective Effect (if applicable to such Regime), be included only from the date that the applicable law requires the relevant Secured Party to collect and/or, if applicable, Pledgor to post initial margin under such Regime (and only for as long as it does so),
- (cc) for the purposes of sub-paragraph (bb) above, where one or more Regimes are considered to be the substitute for compliance with one or more other Regimes for the purposes of a posting obligation hereunder, all such Regime(s) will nevertheless continue to be applicable absent agreement in writing between the parties to the contrary,
- (dd) the parties acknowledge that the Pledgor may nevertheless be obliged to post to Secured Party under a regulatory regime which is not specified as a Regime with respect to Secured Party in the above table. In the event that such regulatory regime requires an additional amount to be posted hereunder, Secured Party will use reasonable endeavors to accommodate such request,
- (ee) subject to subparagraph (ff) below, ISDA SIMM™ is the specified ‘*Method*’ for all Covered Transactions (IM) with respect to all Regimes (irrespective of asset class or, as applicable, category applicable to a Transaction under the relevant Regime) whereby
 - (1) ISDA SIMM™ will refer to the version of ISDA SIMM™ applicable to the relevant Secured Party,
 - (2) the margin period of risk will be as provided for in such version of ISDA SIMM™ and

- (gg) For all Regimes and posting obligations hereunder
 - (1) in respect of a Covered Transaction (IM) under a Regime which the parties agree constitutes a ‘cross-currency swap’, obligations to exchange principal will be disregarded for the purpose of determining the Delivery Amount (IM) or Return Amount (IM) with respect to such Regime, and
 - (2) the following approaches apply for the purposes of calculations in respect of the related type of Covered Transaction (IM)

- (A) Unless the alternative approach is specified to apply to the relevant sensitivity, sensitivities to equity indices, funds and ETFs are addressed by the standard preferred approach where the entire delta is put into the applicable asset class/category for equity indices, funds and ETFs. If the alternative approach is specified to apply to one or more of sensitivities to (x) indices, (y) funds or (z) ETFs, then in respect of the relevant sensitivities, the delta is allocated back to individual equities

- (2) it can be transferred to the Segregated Account by Pledgor pursuant to the Control Agreement (and/or any related asset schedule or operational document relating to assets held by the relevant Custodian (IM))
- If a Pledgor's Custodian (IM) has not agreed, pursuant to the Control Agreement to verify that items to be Transferred to the Segregated Account by or on behalf of the Pledgor constitute Eligible Credit Support (IM), then Pledgor will instead give the Secured Party reasonable prior notice of the items it intends to Transfer
- (jj) the parties may from time to time agree in writing that other regimes also comprise 'Regimes' hereunder and that the General Principles be adopted and/or amended to accommodate such additional Regimes. The Exhibit to this Annex contains terms which may be used for such purposes, and
- (kk) to the extent required by a Regime specified as applicable to its posting obligation, the Pledgor will, within a reasonable period of time, procure that any cash credited to the Segregated Account is (i) transferred out of the Segregated Account pursuant to a substitution in accordance with this Annex or (ii) reinvested in accordance with any reinvestment provisions set out in the Control Agreement (unless such cash is
