- 4.4 There have been no further asset realisations in the Reporting Period

5. Dividend Prospects / Prescribed Part

Centric

- As préviously advised, in consideration for the monies advanced under the Company's invoice discounting agreement, the Company granted Centric a debenture dated 28 September 2011, which confers fixed and floating charges over all of the assets of the Company In addition, the invoice discounting agreement required the assignment of all book debts to Centric
- 5 2 Centric have now been repaid in full

Grove

- In consideration for monies advanced to the Company as loans, the Company granted Grove a debenture dated 28 September 2011, which confers fixed and floating charges over the assets of the Company. This security ranks behind that granted to Centric and Close.
- At the Administration Appointment Date, the Company's indebtedness to Grove totalled £3,790,000, including interest, and subject to further interest and charges, if applicable
- In the Administration period a distribution of £600,000 had been paid to Grove under their floating charge
- It is currently anticipated that there will be insufficient realisations to repay Grove in full

Close

- 5 7 The Company granted a chattels mortgage to Close on 20 July 2012 in respect of identified plant and machinery on site
- As at the Administration Appointment Date, the Company's total indebtedness to Close was approximately £325,060, subject to accruing interest and charges

- 5 12 The Prescribed Part is calculated as a percentage of net property, is as follows -

Net property less than £10,000 50% unless the Joint Administrator considers that the

costs of making a distribution to the non-preferential unsecured creditors would be disproportionate to the

benefits

Net property greater than £10,000 50% up to £10,000 plus 20% thereafter to a

maximum of £600,000

- 5 13 There have been sufficient realisations to enable a distribution to be made to unsecured creditors pursuant to the Prescribed Part
- The Joint Liquidators currently anticipate a first and final dividend to unsecured creditors via the Prescribed Part will be paid within the next 3-4 months
- 5 15 The Prescribed Part fund is expected to be in the order of £195,000 before costs

- The Joint Liquidators have received claims to date totalling £2,709,250 excluding residual employee claims which are estimated to be in the region of £467,510
