***Turnover***

Turnover represents the value, net of value added tax and discounts, of goods provided to customers and work carried out in respect of services provided to customers.

***Depreciation***

Depreciation has been provided at the following rates in order to write off the assets over their estimated useful lives.

|                     |                      |
|---------------------|----------------------|

| Motor vehicles      | 25% reducing balance |

***Stocks***

Stock is valued at the lower of cost and net realisable value.

***Deferred taxation***
