DIRECTORS' REPORT

The Directors present their report and the audited financial statements for the fourteen month period ended 31 December 1996.

PRINCIPAL ACTIVITIES

The principal activity of the company in the period under review was that of Design and Build Contractors and Property Developers.

RESULTS AND DIVIDENDS

The company's profit for the period after taxation was £120,956 (1995: Loss £326,001) as detailed on page 5. No dividends are proposed (1995: £nil).

REVIEW OF THE YEAR AND FUTURE PROSPECTS

During the period the company changed its accounting reference date to 31 December and issued 350,000 £1 ordinary shares.

The year ended 31 December 1996 proved to be an excellent year for Mount Anvil Construction Limited with the company generating an operating profit of £150,058. Whilst this marked a welcome return to profitability, our greatest success in 1996 has been our human resources side. We have retained our key staff as well as recruiting a number of excellent new people. The quality of our staff in terms of their ability, commitment and professionalism is second to none in our industry. This is evidenced by the high level of repeat business we achieve and the fact that we are now recognised as leaders and innovators in our markets.

As the property and construction sectors emerge from recession, we are extremely well placed to benefit from the recovery. The company will continue with its philosophy of working with our clients to add value to their businesses. The current year, 1997, should mark further significant improvements in terms of profitability and turnover. A very substantial amount of work is already contracted and under construction.

Our committed and experienced staff will ensure that Mount Anvil's reputation for excellence will be further enhanced in 1997.

DIRECTORS AND THEIR INTERESTS

The Directors of the company who served throughout the period are shown on page 1. None of the directors held any beneficial interest in the company during the period.

The Directors' interests in the shares of other group companies are shown in the reports and financial statements of those companies.

AUDITORS

Deloitte & Touche have expressed their willingness to continue in office as auditors and a resolution to reappoint them will be proposed at the forthcoming Annual General Meeting.

Approved by the Board of Directors and signed on behalf of the Board

Secretary

C K HURLEY

17 July 1997

STATEMENT OF DIRECTORS' RESPONSIBILITIES

Company law requires the directors to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the company as at the end of the financial year and of the profit or loss of the company for that period. In preparing those financial statements, the directors are required to:

- select suitable accounting policies and then apply them consistently;
- make judgements and estimates that are reasonable and prudent;
- state whether applicable accounting standards have been followed;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the company will continue in business.

The directors are responsible for keeping proper accounting records which disclose with reasonable accuracy at any time the financial position of the company and to enable them to ensure that the financial statements comply with the Companies Act. They are also responsible for safeguarding the assets of the company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

AUDITORS' REPORT TO THE MEMBERS OF

MOUNT ANVIL CONSTRUCTION LIMITED

We have audited the financial statements on pages 5 to 12 which have been prepared under the accounting policies set out on page 7.

Respective responsibilities of directors and auditors

As described on page 3 the company's directors are responsible for the preparation of financial statements. It is our responsibility to form an independent opinion, based on our audit, on those statements and to report our opinion to you.

Basis of opinion

We conducted our audit in accordance with Auditing Standards issued by the Auditing Practices Board. An audit includes examination, on a test basis, of evidence relevant to the amounts and disclosures in the financial statements. It also includes an assessment of the significant estimates and judgements made by the directors in the preparation of the financial statements, and of whether the accounting policies are appropriate to the company's circumstances, consistently applied and adequately disclosed.

We planned and performed our audit so as to obtain all the information and explanations which we considered necessary in order to provide us with sufficient evidence to give reasonable assurance that the financial statements are free from material misstatement, whether caused by fraud or other irregularity or error. In forming our opinion we also evaluated the overall adequacy of the presentation of information in the financial statements.

Opinion

In our opinion the financial statements give a true and fair view of the state of the company's affairs at 31 December 1996 and of its profit for the fourteen month period then ended and have been properly prepared in accordance with the Companies Act 1985.

These financial statements were approved by the Board of Directors on 191997

Signed on behalf of the Board of Directors

C K HURLEY Director

1. ACCOUNTING POLICIES

The financial statements are prepared in accordance with applicable accounting standards. The particular accounting policies adopted are described below.

Accounting convention

The financial statements are prepared under the historical cost convention.

Turnover

This represents amounts invoiced during the year for work certified as complete, net of Value Added Tax.

Tangible fixed assets

Tangible fixed assets are depreciated on a straight line basis at the following rates to reduce the cost to the anticipated residual value at the end of the expected useful lives of these assets:

Leasehold improvements

25% per annum

Plant and machinery

33.3% per annum

Motor vehicles

25% to 33.3% per annum

Fixtures, fittings, tools and equipment

33.3% per annum

Work in progress

Contract work-in-progress is stated at cost plus, where the outcome can be assessed with reasonable certainty, estimated profits attributable to the state of completion, less provision for any known or anticipated losses and progress payments receivable on account.

Advance and progress payments are included under creditors to the extent that they exceed the related book value of work-in-progress.

Leases

Assets obtained under finance leases and hire purchase contracts are capitalised at their fair value on acquisition and depreciated over their estimated useful lives. The finance charges are allocated over the period of the lease in proportion to the capital element outstanding.

Operating lease rentals are charged to income in equal annual amounts over the lease term.

2. TURNOVER

The turnover and pre-tax profit or loss, all of which arise in the United Kingdom, are attributable to the activity of Design and Build Contractors and Property Developers.

3. OPERATING PROFIT/(LOSS)

13. ULTIMATE PARENT COMPANY

The directors consider Peaston & Co Limited, incorporated in Scotland, as the ultimate parent company. The company has taken advantage of the exemption available in FRS8 not to disclose transactions with its immediate parent company Mount Anvil Limited.
