- 9 4 Where conversion is mandatory on the occurrence of a IPO, that conversion will be effective only immediately prior to such IPO (and "**Conversion Date**" shall be construed accordingly) and, if such IPO does not become effective or does not take place, such conversion shall be deemed not to have occurred. In the event of a conversion under Article 9 1, if the Conditions have not been satisfied or waived by the relevant holder by the Conversion Date such conversion shall be deemed not to have occurred
- 9 5 On the Conversion Date, the relevant Series A Shares shall without further authority than is contained in these Articles stand converted into Ordinary Shares on the basis of one Ordinary Share for each Series A Share held (the "**Conversion Ratio**"), and the Ordinary Shares resulting from that conversion shall in all other respects rank *pari passu* with the existing issued Ordinary Shares
- 9 6 The Company shall on the Conversion Date enter the holder of the converted Series A Shares on the register of members of the Company as the holder of the appropriate number of Ordinary Shares and, subject to the relevant holder delivering its certificate(s) (or an indemnity for lost certificate in a form acceptable to the Board) in respect of the Series A Shares in accordance with this Article, the Company shall within 10 Business Days of the Conversion Date forward to such holder of Series A Shares by post to his address shown in the register of members, free of charge, a definitive certificate for the appropriate number of fully paid Ordinary Shares
- 9 7 On the Conversion Date (or as soon afterwards as it is possible to calculate the amount payable), the Company will, if it has sufficient Available Profits, pay to holders of the Series A Shares falling to be converted a dividend equal to all Arrears and accruals of dividends in relation to those Series A Shares to be calculated on a daily basis down to and including the day immediately preceding the Conversion Date. If the Company has insufficient Available Profits to pay all such Arrears and accruals of dividends in full then it will pay the same to the extent that it is lawfully able to do so and any Arrears and accruals of dividends that remain outstanding shall continue to be at debt due from and immediately payable by the Company
- 9 8 The Conversion Ratio shall from time to time be adjusted in accordance with the provisions of this Article

- (a) if Series A Shares remain capable of being converted into new Ordinary Shares and there is a consolidation and/or sub-division of Ordinary Shares, the Conversion Ratio shall be adjusted by an amount, which in the opinion of the Board (with Investor Director Consent) is fair and reasonable, to maintain the right to convert so as to ensure that each Series A Shareholder is in no better or worse position as a result of such consolidation or sub-division, such adjustment to become effective immediately after such consolidation or sub-division,
- (b) if Series A Shares remain capable of being converted into Ordinary Shares, on an allotment of fully-paid Ordinary Shares pursuant to a capitalisation of profits or reserves to holders of Ordinary Shares the Conversion Ratio shall be adjusted by an amount, which in the opinion of the Board (with Investor Director Consent) is fair and reasonable, to maintain the right to convert so as to ensure that each Series A Shareholder is in no better or worse position as a result of such capitalisation of profits or reserves, such adjustment to become effective as at the record date for such issue

9 9 If any Series A Shareholder becomes entitled to fractions of an Ordinary Share as a result of conversion ("**Fractional Holders**"), the Directors may (in their absolute discretion) deal with these fractions as they think fit on behalf of the Fractional Holders. In particular, the Directors may aggregate and sell the fractions to a person for the best price reasonably obtainable and distribute the net proceeds of sale in due proportions among the Fractional Holders or may ignore fractions or accrue the benefit of such fractions to the Company rather than the Fractional Holder. For the purposes of completing any such sale of fractions, the chairman of the Company or, failing him, the secretary will be deemed to have been appointed the Fractional Holder's agent for the purpose of the sale

9 10 If a doubt or dispute arises concerning an adjustment of the Conversion Ratio in accordance with Article 9 8, or if so requested by an Investor, the Board shall refer the matter to the Auditors for determination who shall make available to all Shareholders their report and whose certificate as to the amount of the adjustment is, in the absence of manifest error, conclusive and binding on all concerned and their costs shall be met by the Company

10. Anti-Dilution protection

10 1 If New Securities are issued by the Company at a price per New Security which equates to less than the Starting Price (a "**Qualifying Issue**") (which in the event that the New Security is not issued for cash shall be a price certified by the Auditors acting as experts and not as arbitrators as being in their opinion the current cash value of the new consideration for the allotment of the New Securities) then the Company shall, unless and to the extent that any of the holders of Series A Shares shall have specifically waived their rights under this Article in writing, issue to each holder of Series A Shares (the "**Exercising Investor**") a number of new Series A Shares determined by applying the following formula (and rounding the product, N, down to the nearest whole share), subject to adjustment as certified in accordance with Article 10 3 (the "**Anti-Dilution Shares**")

$$N = \left(\left(\frac{SIP}{WA} \right) \times Z \right) - Z$$

Where

N= Number of Anti-Dilution Shares to be issued to the Exercising Investor

$$WA = \frac{(SIP \times ESC) + (QISP \times NS)}{(ESC + NS)}$$

SIP = Starting Price

ESC = the number of Shares in issue plus the aggregate number of shares in respect of which options to subscribe have been granted, or which are subject to convertible securities (including but not limited to warrants) in each case immediately prior to the Qualifying Issue

QISP = the lowest per share price of the New Securities issued pursuant to the Qualifying Issue (which in the event that that New Security is not issued for cash shall be the sum certified by the Auditors acting as experts and not arbitrators as being in their opinion the current cash value of the non cash consideration for the allotment of the New Security)

NS = the number of New Securities issued pursuant to the Qualifying Issue

Z = the number of Series A Shares held by the Exercising Investor prior to the Qualifying Issue

10.2 The Anti-Dilution Shares shall

- (a) be paid up by the automatic capitalisation of available reserves of the Company, unless and to the extent that the same shall be impossible or unlawful or the Exercising Investors shall agree otherwise, in which event the Exercising Investors shall be entitled to subscribe for the Anti-Dilution Shares in cash at par (being the par value approved in advance by Investor Director Consent) and the entitlement of such Exercising Investors to Anti-Dilution Shares shall be increased by adjustment to the formula set out in Article 10.1 so that the Exercising Investors shall be in no worse position than if they had not so subscribed at par. In the event of any dispute between the Company and any Exercising Investor as to the effect of Article 10.1 or this Article 10.2, the matter shall be referred (at the cost of the Company) to the Auditors for certification of the number of Anti-Dilution Shares to be issued. The Auditor's certification of the matter shall in the absence of manifest error be final and binding on the Company and the Exercising Investor, and
- (b) subject to the payment of any cash payable pursuant to Article 10.2(a) (if applicable), be issued, credited fully paid up in cash and shall rank *pari passu* in all respects with the existing Series A Shares, within five Business Days of the expiry of the offer being made by the Company to the Exercising Investor and pursuant to Article 10.2(a)

10.3 In the event of any Bonus Issue or Reorganisation, the Starting Price shall also be subject to adjustment on such basis as may be agreed by the Company with Investor Consent within 10 Business Days after any Bonus Issue or Reorganisation. If the Company and the Investor cannot agree such adjustment it shall be referred to the Auditors whose determination shall, in the absence of manifest error, be final and binding on the Company and each of the Shareholders. The costs of the Auditors shall be borne by the Company.

- 10 4 For the purposes of this Article 10 any Shares held as Treasury Shares by the Company shall be disregarded when calculating the number of Anti-Dilution Shares to be issued

11. Variation of rights

- 11 1 Whenever the share capital of the Company is divided into different classes of shares, the special rights attached to any such class may only be varied or abrogated (either whilst the Company is a going concern or during or in contemplation of a winding-up) with the consent in writing of the holders of more than 75 per cent in nominal value of the issued shares of that class
- 11 2 The creation of a new class of shares which has preferential rights to one or more existing classes of shares shall not constitute a variation of the rights of those existing classes of shares

12. Allotment of new shares or other securities pre-emption

- 12 1 Subject to the remaining provisions of this Article 12, the Directors are generally and unconditionally authorised for the purpose of section 551 of the Act to exercise any power of the Company to

This authority is in substitution for all subsisting authorities to the extent unused

- 12 3 Unless otherwise agreed by special resolution, if the Company proposes to allot any New Securities those New Securities shall not be allotted to any person unless the Company has in the first instance offered them to the Series A Shareholders on the same terms and at the same price as those New Securities are being offered to other persons on a par passu and pro rata basis to the number of Series A Shares held by those holders (as nearly as may be without involving fractions) by reference to the total number of Shares then in issue The offer

- (a) shall be in writing, be open for acceptance from the date of the offer to the date 10 Business Days after the date of the offer (inclusive) and give details of the number and subscription price of the New Securities, and

- 21 2 The Selling Shareholders may exercise the Drag Along Option by giving a written notice to that effect (a "**Drag Along Notice**") to the Company which the Company shall forthwith copy to the Called Shareholders at any time before the transfer of the Sellers' Shares to the Drag Purchaser. A Drag Along Notice shall specify that
