NACCO Materials Handling Group Limited

Financial statements for the year ended 31 December 2004 together with directors' and auditors' reports

Registered Number: 1020654

AF AU4 7Z4 0714
COMPANIES HOUSE 20/08/05

Directors' Report For the year ended 31 December 2004

The directors present their annual report on the affairs of the group, together with the financial statements and auditors' report, for the year ended 31 December 2004.

Principal activity and business review

The principal activity of the group continues to be the manufacture and marketing of forklift trucks.

Results and dividends

The results of the group are as follows:

	2000
Retained profit brought forward	61,347
Profit for the financial year	274
Retained profit carried forward	61,621

The directors do not recommend the payment of a dividend (2003 - £Nil).

Turnover for the year increased by £29 million to £298 million, and the group recorded profit after tax of £0.27 million. (2003 – £3.25 million)

The main component of the profit deterioration was due to substantial increases in material costs together with adverse currency movements, partially offset by volume, trading and grant income. The results were further adversely impacted by increased pension costs.

Directors and their interests

The directors of the company during the year were as follows:

Reginald R. Eklund
Geoffrey D. Lewis (Resigned 24 September 2004)
Richard Close (Resigned 23 December 2004)
Jeffrey C. Mattern
Victoria L. Rickey (Appointed 23 December 2004)
Michael Brogan (Appointed 17 March 2005)

None of the directors have any beneficial interest in the share capital of the company

Directors' Report For the year ended 31 December 2004

Charitable and political contributions

During the year the group made charitable donations of £1,775 (2003 - £1,914). There were no political contributions in either year.

Supplier payments policy

It is the company's policy that payments to suppliers are made in accordance with those terms and conditions agreed between the company and it's suppliers, provided that all trading terms and conditions have been complied with.

Employee consultation

The group places considerable value on the involvement of its employees and has continued its practice of keeping them informed on matters affecting them as employees and on the various factors affecting the performance of the group.

Disabled employees

Applications for employment by disabled persons are always fully considered, bearing in mind the aptitudes of the applicant concerned. In the event of members of staff becoming disabled every effort is made to ensure that their employment with the group continues and that appropriate training is arranged. It is the policy of the group that training, career development and promotion of disabled persons should, as far as possible, be identical to that of other employees.

Directors' Responsibility For the year ended 31 December 2004

In respect of the financial statements of NACCO Materials Handling Group Limited

Company law requires the directors to prepare financial statements for each financial year, which give a true and fair view of the state of affairs of the company and group and of the profit or loss of the group for that period. In preparing those financial statements, the directors are required to:

- Select suitable accounting policies and then apply them consistently;
- Make judgements and estimates that are reasonable and prudent;
- State whether applicable accounting standards have been followed, subject to any material departures disclosed and explained in the financial statements; and
- Prepare the financial statements on the going concern basis unless it is inappropriate to presume that the group will continue in business.

The directors are responsible for keeping proper accounting records which disclose with reasonable accuracy at any time the financial position of the company and group and enable them to ensure that the financial statements comply with the Companies Act 1985. They are also responsible for safeguarding the assets of the company and group and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

Independent Auditors' Report

To the members of NACCO Materials Handling Group Ltd.

We have audited the group's accounts for the year ended 31 December 2004 which comprise the Consolidated Profit and Loss Account, Consolidated Balance Sheet, Company Balance Sheet, Consolidated Statement of Total Recognised Gains and Losses and the related notes 1 to 21. These accounts have been prepared on the basis of the accounting policies set out therein.

This report is made solely to the company's members, as a body, in accordance with Section 235 of the Companies Act 1985. Our audit work has been undertaken so that we might state to the company's members those matters we are required to state to them in an auditors' report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the company and the company's members as a body, for our audit work, for this report, or for the opinions we have formed.

Respective responsibilities of directors and auditors

As described in the Statement of Directors' Responsibilities the company's directors are responsible for the preparation of the accounts in accordance with applicable United Kingdom law and accounting standards. Our responsibility is to audit the accounts in accordance with relevant legal and regulatory requirements and United Kingdom Auditing Standards.

We report to you our opinion as to whether the accounts give a true and fair view and are properly prepared in accordance with the Companies Act 1985. We also report to you if, in our opinion, the Directors' Report is not consistent with the accounts, if the company has not kept proper accounting records, if we have not received all the information and explanations we require for our audit, or if information specified by law regarding directors' remuneration and transactions with the group is not disclosed.

We read the Directors' Report and consider the implications for our report if we become aware of any apparent misstatements within it.

Basis of audit opinion

We conducted our audit in accordance with United Kingdom Auditing Standards issued by the Auditing Practices Board. An audit includes examination, on a test basis, of evidence relevant to the amounts and disclosures in the accounts. It also includes an assessment of the significant estimates and judgements made by the directors in the preparation of the accounts, and of whether the accounting policies are appropriate to the group's circumstances, consistently applied and adequately disclosed.

We planned and performed our audit so as to obtain all the information and explanations which we considered necessary in order to provide us with sufficient evidence to give reasonable assurance that the accounts are free from material misstatement, whether caused by fraud or other irregularity or error. In forming our opinion we also evaluated the overall adequacy of the presentation of information in the accounts.

Opinion

In our opinion the accounts give a true and fair view of the state of affairs of the company and of the group as at 31 December 2004 and of the profit of the group for the year then ended and have been properly prepared in accordance with the Companies Act 1985.

Notes to the financial statements 31 December 2004

1 Accounting policies

A summary of the principal accounting policies, all of which have been applied consistently throughout the year and the preceding year, is set out below.

a) Basis of accounting

The financial statements are prepared under the historical cost convention and in accordance with applicable accounting standards, as defined in the Companies Act 1985 S256.

b) Cash flow statement

The company has taken advantage of the exemption from the requirement of FRS 1 (Revised) to prepare a cash flow statement as 90% or more of the voting rights are controlled within the group, and consolidated financial statements including the results of the company are available to the public.

c) Basis of consolidation

The group financial statements consolidate the financial statements of NACCO Materials Handling Group Limited and all its subsidiary undertakings up to 31 December 2004. The acquisition method of accounting has been adopted. The results of subsidiaries acquired or disposed of in the year are included in the consolidated profit and loss account from the date of acquisition or up to the date of disposal. Goodwill arising on the acquisition of subsidiary undertakings and businesses, representing any excess of the fair value of the consideration given over the fair value of the identifiable assets and liabilities acquired, is capitalised and written off on a straight line basis over its useful economic life, which is twenty years. Provision is made for any impairment.

Goodwill arising on acquisitions in the year ended 31 December 1998 and earlier periods was written off to reserves in accordance with the accounting standard then in force. As permitted by the current accounting standard the goodwill written off to reserves has not been reinstated in the balance sheet. On disposal or closure of a previously acquired business, the attributable amount of goodwill previously written off to reserves is included in determining the profit or loss on disposal.

The company's result for the financial year, determined in accordance with S230 of the Companies Act 1985, was a loss of £14,845 (2003 – loss £167,000).

d) Turnover

Group turnover comprises the value of sales (net of trade discounts and VAT) of goods and services rendered in the normal course of business.

1 Accounting policies (continued)

e) Tangible fixed assets

Land and buildings are shown at original historical cost as set out in note 9. Other tangible fixed assets are shown at cost, net of depreciation and any provision for diminution in value.

Depreciation is provided at rates calculated to write off the cost, less estimated residual value, of each asset on a straight-line basis over its expected useful life, as follows:

Freehold buildings 37.5 - 40 years

Machinery, equipment and tooling 3 - 15 years

Furniture and fittings 3 - 10 years

f) Investments

Fixed asset investments are shown at cost less amounts written off. Provisions are made for any diminution in value.

g) Stocks and work in progress

Stocks and work in progress are stated at the lower of cost and net realisable value. Cost incurred in bringing each product to its present location and condition is based on:

Raw materials and consumables purchase cost on a first-in, first-out basis, including applicable

transport costs.

Work in progress and finished goods cost of direct materials and labour plus a reasonable proportion of

manufacturing overheads based on normal levels of activity.

Net realisable value is based on estimated normal selling price less further costs expected to be incurred to completion and disposal. Provision is made for obsolete, slow-moving or defective items where appropriate.

1 Accounting policies (continued)

h) Taxation

Corporation tax payable is provided on taxable profits at the current rate.

The taxation liabilities of certain group companies are reduced wholly or in part by the surrender of losses by fellow group companies. The tax benefits arising from group relief are recognised in the financial statements of the surrendering and receipting companies.

Deferred tax is recognised in respect of all timing differences that have originated but not reversed at the balance sheet date where transactions or events have occurred at that date that will result in an obligation to pay more, or a right to pay less tax, with the exception of deferred tax assets which are recognised only to the extent that the directors consider that it is more likely than not that there will be suitable taxable profits from which the future reversal of the underlying timing differences can be deducted.

Deferred tax is measured on an undiscounted basis at the tax rates that are expected to apply in the periods in which timing differences reverse, based on tax rates and laws enacted or substantively enacted at the balance sheet date.

i) Leases

Rentals under operating leases are charged on a straight-line basis over the lease term.

Assets held under finance leases and other similar contracts, which confer rights and obligations similar to those attached to owned assets, are capitalised as tangible fixed assets and are depreciated over their useful lives. The capital elements of future lease obligations are recorded as liabilities, while the interest elements are charged to the profit and loss account over the period of the leases to produce a constant rate of charge on the balance of capital repayments outstanding.

j) Pensions

The pension obligations of the group are met by payments to pension plans, which are vested in trustees nominated by the group for the benefit of employees and their dependants. Contributions to the Plan are charged to the Profit and Loss account so as to spread the cost of pensions over the service lives of the employees contributing to the schemes.

The group has not opted for the early adoption of FRS17 Retirement Benefits, however the disclosures required under FRS17 are given in note 18.

1 Accounting policies (continued)

k) Foreign currency translation

In the financial statements of individual undertakings, transactions denominated in foreign currencies are recorded in the local currency at actual exchange rates as of the date of the transaction.

Monetary assets and liabilities denominated in foreign currencies at the year end are translated to sterling at the rates of exchange ruling at the balance sheet date or at the rate pertaining to the appropriate contract where forward currency contracts exist. Any gain or loss arising from a change in exchange rates subsequent to the date of the transaction is reported as an exchange gain or loss in the profit and loss account.

For the purposes of consolidation the closing rate method is used, under which translation gains or losses are shown as a movement on reserves. Profit and loss accounts of overseas subsidiary undertakings are translated at the average exchange rate.

I) Grants

Grants relating to investment in fixed assets are credited to the deferred income account and released to income in equal annual instalments over the useful lives of the assets to which they relate.

Employment and training grants are credited to income in the year in which they are earned, in so far as their eventual collection is reasonably assured.

m) Related party transactions

The company has taken advantage of the exemption allowed by FRS 8 from not having to provide details of transactions with fellow group undertakings.

2 Turnover

The geographical analysis of the group's turnover by destination is as follows:

	2004	2003
	£000	£000
Europe	172,577	155,162
United States of America	85,330	73,672
Other	40,487	40,019
	298,394	268,853

All turnover and operating results derive from the group's principal activity in Europe. The net assets are based in Europe.

3 Other operating expenses		
	2004	2003
	£000	£000
Selling and marketing expenses	26,941	25,273
Administrative expenses	4,283	4,495
Other operating (income)/expense	(1)	(192)
(Gain)/Loss on disposal of fixed assets	(29)	6
	31,194	29,582
4 Interest receivable and similar income		
	2004	2003
	€000	£000
Interest receivable		
- from other group undertakings	134	69
5 Interest payable and similar charges		
	2004	2003
	£000	£000
- To other group undertakings	17	5
- On finance leases	34	36
- On bank loans and overdrafts, and other loans	369	178
	420	219

6 (Loss)/Profit on ordinary activities before taxation

(Loss)/Profit on ordinary activities before taxation is stated after charging/(crediting) the following amounts:

	2004	2003
	£000	£000
Revenue grants received	(1,000)	(1000)
Amortisation of government grants	(685)	(777)
Depreciation on tangible fixed assets		
- owned	2,633	3,121
- held under finance leases	484	487
Hire of plant and equipment	82	70
Operating lease rentals - Plant and machinery	806	821
- Land and buildings	557	590
Auditors' remuneration - audit fees	126	118
Loss on exchange	1,637	2,448
(Gain)/Loss on disposal of fixed assets	(29)	6

The auditors received £3,025 (2003 - £1,500) during the year for non-audit services.

7 Staff costs		
	2004	2003
Employee aggregate remuneration (including executive directors) during the year amounted to:	£000	9000
Wages and salaries	37,427	33,985
Social security costs	3,717	3,348
Other pension costs	2,354	1,262
	43,498	38,595
The average monthly number of persons employed by the group during the year was 1 analysis of the persons employed by the group was as follows:	,518 (2003 – 1,42 2004 Number	4). An 2003 Number
Manufacturing	848	791
Administration and selling	670	633
	1,518	1,424
Directors' remuneration:		
The remuneration of directors was as follows:		
	2004 £000	2003 £000
Emoluments	278	269
Company contributions to money purchase pension schemes	13	11
Compensation for loss of office	139	-
	430	280
The number of directors who were members of pension schemes was as follows:		
	2004 Number	2003 Number
Money purchase pension schemes	1	1

7 Staff costs (continued)

Highest paid director:

The above amounts for remuneration include the following in respect of the highest paid director:

	2004 £000	2003 £000
Emoluments	278	269
Company contributions to money purchase scheme	13	11
	291	280
8 Tax		
a) Tax on (loss)/profit on ordinary activities The tax (credit)/charge is based on the (loss)/profit for the year and comprises:	2004 £000	2003 £000
Current tax:		
- UK corporation tax		
- Current tax on income for the period	•	1,281
- Adjustment in respect of previous periods	(586)	(775)
	(586)	506
- Foreign tax	157	127
Total current tax	(429)	633
Deferred tax:		
- UK deferred tax	323	113
Tax on (loss)/profit on ordinary activities	(752)	746

b) Factors affecting the tax (credit)/charge for the period

The tax assessed on the (loss)/profit on ordinary activities for the period is lower than the standard rate of corporation tax in the UK.

The differences are explained below.

The differences are explained below.	2004 £000	2003 £000
(Loss)/Profit on ordinary activities before tax	(478)	3,998
(Loss)/Profit on ordinary activities multiplied by standard rate of corporation tax in the UK of 30% (2003: 30%)	(143)	1,199
Effect of:		
Disallowed expenses and non taxable income	60	150
Depreciation in excess of capital allowances	230	208
Other timing differences	81	(170)
Adjustments in respect of previous periods	(586)	(775)
Group relief not paid for	(163)	-
Tax losses	-	-
Higher taxes on overseas earnings	92	21
Overseas tax losses	_	
Current tax (credit)/charge for the period	(429)	633

c)	Deferred	tax
----	----------	-----

o, 50.0	Group

Foreign currency translation differences	(79)	150	-	_
Closing shareholders' funds	64,144	63,949	43,098	43,113

18 Pension arrangements

SSAP 24

The company contributes to a UK pension scheme, the NMHG UK Retirement Plan, which has two sections, a defined benefits (DB) section providing benefits based on service and final pensionable salary, and a defined contribution (DC) section which provides benefits equal in value to the accumulated contributions. The assets of the schemes are held separately from those of the company, being invested by professional investment managers.

Contributions to the Plan are charged to the Profit and Loss account so as to spread the cost of pensions over the service lives of the employees contributing to the schemes. The contributions for the DB section of the NMHG Plan are determined by a qualified actuary and are reviewed at least once every three years. The most recent actuarial valuation of the Plan was as at 5 April 2004.

The actuarial assumptions which have the most significant effect on the results of the valuation are those relating to investment performance and the rates of increase of salaries and pensions. Due to the long term nature of the liabilities it is necessary to view this relationship over a considerable period of time. The actuarial valuations reflect the long term historical relationship of investment returns and salary increases and it was assumed that, on average, investment returns on new investments would be 2.5% per annum higher than increases in salaries. It was assumed that pensions in payment accrued after 5 April 1997 increase in line with the assumed rate of inflation of 2.5% per annum (reflecting the statutory requirement that pension accrued after 5 April 1997 must increase in line with inflation subject to a maximum of 5%).

The most recent valuation of the NMHG Plan (DB section) as at 5 April 2004 using methods and assumptions consistent with SSAP 24 disclosures, determined that the actuarial value of the assets were sufficient to cover 73% of the benefits that had accrued to members allowing for future increases in earnings.

The pension charge for the year was £2,354,000 (2003 - £1,262,000) after taking credit of £ 80,000 (2003 - £80,000) for the expected return on the group opening prepayment position.

The pension charge to the defined benefit scheme was £2,010,000 (2003 - £1,040,000) and the defined contribution scheme was £344,000 (2003 - £222,000).

Contributions of £1,130,000 (2003: £1,110,000) have been paid over in 2004. The Company has agreed to contribute at the rate of 12.7% of members' pensionable salaries together with additional contributions amounting to £16,000 a month from April 2002. This rate will be paid until 5th April 2005 when the level of Company contributions will increase to 12.8% of members' pensionable salaries plus £1,400,000 in the year ending 5th April 2006, then £1,250,000 per annum, for a period of 12 years, thereafter with the aim of meeting the funding level shortfall revealed as part of the actuarial valuation conducted as at 5th April 2004.

FRS17 Retirement Benefits

Additional disclosures regarding the group's defined benefit pension scheme are required under the transitional provisions of FRS 17 Retirement Benefits and these are set out below.

The actuarial valuation described above has been updated at 31 December 2004 by a qualified actuary using revised assumptions that are consistent with the requirements of FRS 17. Investments have been valued, for this purpose, at fair value.

The major assumptions used for the actuarial valuation were:

	2004	2003	2002
	% pa	% pa	%pa
Inflation	2.70	2.60	2.25
Rate of increase in salaries	3.90	4.10	3.75
Rate of increase of pensions in payment	2.70	2.60	2.25
Rate of increase for deferred pensioners	2.60	2.60	2.25
Discount rate	5.40	5.60	5.75

Scheme assets and expected rate of return

	20	004	20	003	20	002
	Fair value £000	Expected rate of return %pa	Fair value £000	Expected rate of return %pa	Fair value £000	Expected rate of return %pa
Equities	34,510	8.0	31,860	8.2	26,490	8.5
Bonds	3,360	4.6	3,090	4.8	2,740	4.5
Total	37,870		34,950		29,230	· <u> </u>

The following amounts at 31 December 2004 were measured in accordance with the requirements of FRS17.

	At 31	At 31	At 31
	December	December	December
	2004	2003	2002
	£000	£000	£000
Fair value of scheme assets	37,870	34,950	29,230
Actuarial value of scheme liabilities	(61,810)	(52,900)	(45,600)
Deficit in the scheme	(23,940)	(17,950)	(16,370)
Related deferred tax asset	7,182	5,385	4,900
Net Pension liability	(16,758)	(12,565)	(11,470)

The movement in the Company's share of the defined benefits sect	ion deficit during the ye	ar is made up as follows:
	2004	2003
Movement in deficit during the year:	£000	£000
Deficit at beginning of year	(17,950)	(16,370)
Current service cost	(1,230)	(1,050)
Employers contributions	1,130	1,110
Net return	(160)	(200)
Actuarial losses	(5,730)	(1,440)
Deficit at end of year	(23,940)	(17,950)
Reconciliation of net assets and reserves under FRS17 are as	follows:	
Reconciliation of net assets and reserves under FRS17 are as	follows: 2004	2003
Reconciliation of net assets and reserves under FRS17 are as		2003 £000
Reconciliation of net assets and reserves under FRS17 are as a second liability of the second liabilit	2004	
	2004 £000	5000
Net assets as stated in the balance sheet	2004 £000	5000
Net assets as stated in the balance sheet Adjusted for:	2004 £000 64,144	£000 63,949
Net assets as stated in the balance sheet Adjusted for: Net pension asset (SSAP 24)	2004 £000 64,144 (360)	£000 63,949 (1,240)
Net assets as stated in the balance sheet Adjusted for: Net pension asset (SSAP 24) Deferred tax thereon	2004 £000 64,144 (360) 108	£000 63,949 (1,240) 372

50,516

47,134

Net assets including retirement benefit liability

	2004 £000	2003 £000
Profit and loss reserve as stated in the balance sheet	61,621	61,347
Adjusted for: Net pension asset (SSAP 24) net of deferred tax	(252)	(868)
Adjusted profit and loss reserve	61,369	60,479
Retirement benefits liability - net pension liability	(16,758)	(12,565)
Profit and loss reserve including retirement benefits liability	44,611	47,914

The amounts charged to income and expenditure under FRS17 would be as follows:

	2004 £000	2003 £000
Current service cost	1,230	1,050
Past service cost	<u> </u>	
Charge to operating profit	1,230	1,050
Expected return on pension plan assets	(2,750)	(2,370)
Interest on pension plan liabilities	2,910	2,570
Charge to financing cost	160	200
Charge to profit and loss account	1,390	1,250

As the plan is closed to new entrants the current service cost is expected to increase in future years as a percentage of members' pensionable salary.

19 Guarantees and financial commitments

a) Capital commitments

At the end of the year, the group had capital commitments of £3,402,755 (2003 - £3,426,423).

b) Contingent liabilities

The group has contingent liabilities in respect of:

- Guarantees issued for bids and performance bonds of £9,707 (2003 £68,800).
- ii. Guarantees and indemnities in respect of VAT, duty and leases £1,026,260 (2003 £1,900,000).
- iii. Cross guarantees on overdrafts and other liabilities of certain other group undertakings for an unlimited amount.

c) Lease commitments

The group has entered into leases in respect of land and buildings and plant and equipment. The minimum annual rentals under these leases are as follows:

2004	2003
£000	£000
259	78
216	49
48	421
465	450
988	998
