ACCOUNTING POLICIES for the year ended 30 April 2006

Basis of accounting

The financial statements have been prepared under the historical cost convention and in accordance with the Financial Reporting Standard for Smaller Entities (effective June 2002)

Tangible fixed assets and depreciation

Depreciation has been provided to write off the assets over their estimated useful lives as follows:

Office equipment 15% reducing balance Computer equipment 25% reducing balance

Turnover

Turnover consists of net invoiced sales of goods and services excluding value added tax.

Stocks and work in progress

Stocks and work in progress where applicable were valued at the lower of cost and net realisable value.

Taxation

The charge for taxation is based on the profits for the year and takes into account taxation deferred because of timing variations in the treatment of certain items for accounting and taxation purposes. Provision for deferred taxation is made under the liability method only to the extent that the liability will probably become payable in the foreseeable future.

Pension scheme contributions

The company operates a defined contribution scheme. The amount charged to the profit and loss account in respect of pension costs and other post-retirement benefits is the contributions payable in the year.
