The presentation currency is £ sterling.

1. Accounting Policies

Basis of accounting

The financial statements are prepared under the historical cost convention and in accordance with the FRS 105 Financial Reporting Standard for Micro Entities (effective January 2016).

Going Concern

The financial statements have been prepared on a going concern basis. The company's ongoing activities are dependent upon the continued support of the director who has undertaken to provide such support for the foreseeable future.

If the going concern basis were not appropriate, adjustments would have to be made to reduce the value of assets to their recoverable amount, to provide for any further liabilities that may arise and to reclassify fixed assets as current assets and long term liabilities as current liabilities.

Turnover

Turnover comprises the invoiced value of goods and services supplied by the company, net of Value Added Tax and trade discounts.

Goodwill

Acquired goodwill is stated at cost less amortisation. Amortisation is calculated on a straight line basis over the estimated expected useful economic life of the goodwill of 10 years.

Tangible fixed assets

Tangible fixed assets, other than freehold land, are stated at cost or valuation less depreciation and any provision for impairment. Depreciation is provided at rates calculated to write off the cost or valuation of fixed assets, less their estimated residual value, over their expected useful lives on the following basis:

Fixtures and Fittings

25 Reducing Balance

Plant and Machinery

25 Reducing Balance

2. Tangible fixed assets

Cost or Valuation	Plant and Machinery	Fixtures and Fittings	Total
	£	£	£
At 01 March 2017	-	-	-
Additions	1,508	7,500	9,008
Disposals	-	-	-
