Notes to the Financial Statements

for the Period Ended 31 May 2018

1. Accounting policies

These financial statements have been prepared in accordance with the provisions of Section 1A (Small Entities) of Financial Reporting Standard 102

Turnover policy

Turnover is recognised at the fair value of the consideration received or receivable for goods and services provided in the normal course of business, and is shown net of VAT and other sales related taxes. The fair value of consideration takes into account trade discounts, settlement discounts and volume rebates. When cash inflows are deferred and represent a financing arrangement, the fair value of the consideration is the present value of the future receipts. The difference between the fair value of the consideration and the nominal amount received is recognised as interest income.
