The company is entitled to exemption from audit under Section 477 of the Companies Act 2006 for the year ended 30 April 2015.

The members have not required the company to obtain an audit of its financial statements for the year ended 30 April 2015 in accordance with Section 476 of the Companies Act 2006.

The directors acknowledge their responsibilities for:

- (a) ensuring that the company keeps accounting records which comply with Sections 386 and 387 of the Companies Act 2006 and
- (b) preparing financial statements which give a true and fair view of the state of affairs of the company as at the end of each financial year and of its profit or loss for each financial year in accordance with the requirements of Sections 394 and 395 and which otherwise comply with the requirements of the Companies Act 2006 relating to financial statements, so far as applicable to the company.

The abbreviated accounts have been prepared in accordance with the special provisions of Part 15 of the Companies Act 2006 relating to small companies.

The financial statements were approved by the Board of Directors on 10 August 2015 and were signed on its behalf by:

Mrs P M Ronson - Director

**Notes to the Abbreviated Accounts  
FOR THE YEAR ENDED 30 APRIL 2015**

**1. ACCOUNTING POLICIES**

**Accounting convention**

The financial statements have been prepared under the historical cost convention and in accordance with the Financial Reporting Standard for Smaller Entities (effective April 2008).

**Turnover**

Turnover represents net invoiced sales of services, excluding value added tax.

**Tangible fixed assets**

Depreciation is provided at the following annual rates in order to write off each asset over its estimated useful life.

Freehold property	- Straight line over 25 years
Plant and machinery	- 10% on cost
Fixtures and fittings	- 10% on cost

Investment properties are revalued annually by the director in accordance with SSAP 19 and the aggregate surplus or deficit where applicable is transferred to the investment revaluation reserve. No depreciation is provided in respect of investment properties; this constitutes a departure from the statutory rules requiring fixed assets to be depreciated over their economic useful lives and is necessary to enable the financial statements to give a true and fair view. Depreciation is only one of many factors reflected in the annual valuation and the amount which might otherwise have been shown cannot be separately identified or quantified.

**Deferred tax**

Deferred tax is recognised in respect of all timing differences that have originated but not reversed at the balance sheet date.
