Notes to the Abbreviated Accounts for the period ended 30 June 2012**1 Accounting Policies****Basis of measurement and preparation of accounts**

The accounts have been prepared under the historical cost convention and in accordance with the Financial Reporting Standard for Smaller Entities effective April 2008.

Turnover policy

Turnover represents the amounts invoiced, excluding value added tax, in respect of the sale of services to customers.

Tangible assets depreciation policy

Depreciation is provided at rates calculated to write off the cost of fixed assets, less their estimated residual value, over their expected useful lives on a straight line basis.

Other accounting policies

Deferred taxation is provided in respect of the tax effect of all timing differences, to the extent that it is probable that a liability or asset will crystallise in the foreseeable future, at the rates of tax expected to apply when the timing differences reverse.
