Transnam I.T. Limited
Company No. 07430510
Abbreviated Balance Sheet (continued) 31 March 2015

For the year ending 31 March 2015 the company was entitled to exemption from audit under section 477 of the Companies Act 2006 relating to small companies.

Director's responsibilities

- The member has not required the company to obtain an audit in accordance with section 476 of the Companies Act 2006.
- The director acknowledges his responsibilities for complying with the requirements of the Act with respect to accounting records and the preparation of accounts.
- These abbreviated accounts have been prepared in accordance with the provisions applicable to companies subject to the small companies' regime and in accordance with the Financial Reporting Standard for Smaller Entities (effective 2008).

On behalf of the board

Mr Neil McKay

26 June 2015

Transnam I.T. Limited
Notes to the Abbreviated Accounts
For The Year Ended 31 March 2015

1 . Accounting Policies

1.1 . Basis of Preparation of Financial Statements

The financial statements are prepared under the historical cost convention and in accordance with the Financial Reporting Standard for Smaller Entities (effective April 2008). The following accounting policies have been applied consistently in dealing with items which are considered material in relation to the company's financial statements.

1.2 . Statement of Cash Flow

The company has taken advantage of the exemption in Financial Reporting Standard No.1 from the requirement to produce a cash flow statement on the grounds that it is a small company.

1.3 . Turnover

Turnover represents net invoiced sales of services, excluding value added tax, except in respect of service contracts where turnover is recognised when the company obtains the right to consideration.

1.4 . Tangible Fixed Assets and Depreciation

Tangible fixed assets are stated at cost less depreciation. Depreciation is provided at rates calculated to write off the cost of the fixed assets, less their estimated residual value, over their expected useful lives on the following bases:

Office equipment	25% on reducing balance
Computer equipment	33% on cost

1.5 . Leasing and Hire Purchase Contracts

Rentals applicable to operating leases where substantially all of the benefits and risks of ownership remain with the lessor are charged to profit and loss account as incurred.

1.6 . Deferred Taxation

The charge for taxation takes into account taxation deferred as a result of timing differences between the treatment of certain items for taxation and accounting purposes. In general, deferred taxation is recognised in respect of timing differences that have originated but not reversed at the balance sheet date. However, deferred tax assets are recognised only to the extent that the directors consider that it is more likely than not that there will be suitable taxable profits from which the future reversal of the underlying timing differences can be deducted. Deferred taxation is measured on a non-discounted basis at the tax rates that are expected to apply in periods in which the timing differences reverse, based on tax rates and the law enacted or substantively enacted at the balance sheet date.

1.7 . Pensions

The company operates a defined pension contribution scheme. Contributions are charged to the profit and loss account as they become payable in accordance with the rules of the scheme.

1.8 . Revenue recognition

Revenue is recognised as earned when, and to the extent that, the firm obtains the right to consideration in exchange for its performance under those contracts. It is measured at the fair value of the right to consideration, which represents amounts chargeable to clients, including recoverable expenses and disbursements, but excluding Value Added Tax. For incomplete contracts, an assessment is made of the extent to which revenue has been earned. The assessment takes into account the nature of the assignment, its stage of completion and the relevant contract terms. Unbilled revenue is included in debtors, under accrued income.
