Wheels Within Wheels (Solutions) Limited

Trustees' report for the year ended 31 March 2008

Charitable objects

The objects of the charity are to promote the benefit of young people resident in Pendle and surrounding areas. Without distinction of Sex, Political, Religious or other opinion, by the advancement of Education, Primarily but not exclusively by the provision of training and employment opportunities and through the provision of facilities in the interest of social welfare for recreation and leisure time occupation with the object of improving the conditions of life of the said young people.

Organisational structure

A board of trustees of 6 members who meet on a monthly basis to conduct the business of the project and delegates day to day activities to the Project Manager. The Organisational structure consists of Chairman, Vice-Chairman, Treasurer and three trustees.

Review of activities and achievements

The WWW project provides vital dynamic wheeled activities for the most challenging and vulnerable young people working with a growing number of partner organisations within Pendle and beyond, as follows:-

- High schools
- Youth Offending Team (YOT)
- Local youth clubs/organisations
- Special needs school
- Local community safety partnership
- Connexions Lancashire

Our success at engaging with and training young people is now well established and proven, with notable progress in attracting the most disadvantaged and hard to reach of young people. We provide dynamic vocational wheeled activities that has developed into an alternative education package for young people as well as desirable leisure activities.

Our partnership record continues to grow. We work in cooperation with the local Police, Youth Offending Team, Borough Council and the County Council to tackle and reduce youth nuisance and crime and some community safety issues.

The growing provision of mountain bike activities at the project is not only popular but a healthy one now well established in our overall programme. It continues to give us the opportunity working with our partners to tackle the growing problem of youth obesity encouraging a more healthy lifestyle.

Project experience has shown that a very large percentage of young people are attracted by wheeled activities, particularly those who are non academic and/or disinterested in the school curriculum. This project succeeds at engaging and positively developing a wide and diverse range of disaffected young people who at school were disengaged and difficult to reach. We provide an alternative education opportunity for young people which at the very least provides hands on vocational learning leading to improved behaviour and at best accreditation and employment or further education. We are now an established and experienced AQA accredited training provider.

Wheels Within Wheels (Solutions) Limited

Trustees' report for the year ended 31 March 2008

The challenge to engage and motivate disengaged young people within our community remains an important priority in order to improve community cohesion and reduce youth nuisance and crime. Therefore the provision of dynamic youth projects that engage disaffected young people such as the WWW project are vital to meet this ongoing challenge.

Our records for this year confirms that 891 young people have taken part within our various programmes of activities as well as the many that have taken part in the wheeled activities that we have provided at local community events. Despite the proven success of the project it has been particularly difficult to secure continuation funding for 2008/09. However, thanks to the commitment and dedication of our trustees and staff financial provision for 2008/09 is secure and we are now focussed in seeking continuation funding to sustain this vital project beyond 2008/09.

This year the results have been very impressive with 891 young people taking part on our various programmes. These programmes are as follows: '

- Impact (Road Safety)
- Wasp / Blitz, building/assembly of the mud buggy
- Mountain Biking
- Ride & balance skills on small motorised equipment
- Basic car maintenance

Number of young people benefiting 2007/2008

Reporting accountants' report to the trustees on the unaudited financial statements of Wheels Within Wheels (Solutions) Limited.

We report on the financial statements of Wheels Within Wheels (Solutions) Limited for the year ended 31 March 2008 which comprise the statement of financial activities, the balance sheet and the related notes. These financial statements have been prepared under the historical cost convention and the accounting policies set out therein.

Respective responsibilities of the trustees and auditors

As described in the statement of trustees responsibilities the trustees are responsible for the preparation of the financial statements, and they consider that the company is exempt from an audit. It is our responsibility to carry out procedures designed to enable us to report our opinion.

Basis of opinion

Our work was conducted in accordance with the Statement of Standards for Reporting Accountants, and so our procedures consisted of comparing the financial statements with the accounting records kept by the company, and making such limited enquiries of the officers of the company as we considered necessary for the purposes of this report. These procedures provide only the assurance expressed in our opinion.

Opinion

In our opinion:

- i the financial statements are in agreement with the accounting records kept by the company under Section 221 of the Companies Act 1985.
- ii having regard only to, and on the basis of, the information in those accounting records:
 - a those financial statements have been drawn up in a manner consistent with the provisions of the Act as specified in Section 249C(6), so far as applicable to the company.
 - b the company fall within Section 249B(1)(a) to (f) at any time within that financial year.

Wheels Within Wheels (Solutions) Limited

Notes to the financial statements for the year ended 31 March 2008

1. Accounting policies

1.1. Accounting convention

The financial statements are prepared under the historical cost convention and follow the recommendations in 'Accounting and Reporting by Charities: Statement of Recommended Practice' issued in October 2000.

The charity has taken advantage of the exemption in FRS1 from the requirement to produce a cashflow statement because it is a small charity.

1.2. Incoming resources

Grants, including grants for the purchase of fixed assets, are recognised in full in the Statement of Financial Activities in the year in which they are receivable.

Income from the charity shop is included in the year in which it is receivable.

Income from investments is included in the year in which it is receivable.

1.3. Resources expended

Resources expended are recognised in the year in which they are incurred.

Support costs are those costs incurred directly in support of expenditure on the objects of the charity and include project management.

Management and administration costs are those incurred in connection with administration of the charity and compliance with constitutional and statutory requirements.

1.4. Tangible fixed assets and depreciation

Depreciation is provided at rates calculated to write off the cost less residual value of each asset over its expected useful life, as follows:

Fixtures, fittings and equipment	- 15% reducing balance
Motor vehicles	- 15% reducing balance

1.5. Pensions

The pension costs charged in the financial statements represent the contribution payable by the charity during the year.

The regular cost of providing retirement pensions and related benefits is charged to the SOFA over the employees' service lives on the basis of a constant percentage of earnings.
