Report of the Directors

The Directors present their report and financial statements for the period ended 31 January 2009. The Company was incorporated on 22 January 2008.

Statement of Directors' responsibilities

The directors are responsible for preparing the annual report and the financial statements in accordance with applicable law and regulations.

Company law requires the directors to prepare financial statements for each financial year. Under that law the directors have elected to prepare the financial statements in accordance with United Kingdom Generally Accepted Accounting Practice (United Kingdom Accounting Standards and applicable law). The financial statements are required by law to give a true and fair view of the state of affairs of the company and of the profit or loss of the company for that period. In preparing these financial statements, the directors are required to:

- · select suitable accounting policies and then apply them consistently;
- · make judgments and estimates that are reasonable and prudent;
- · prepare the financial statements on the going concern basis unless it is inappropriate to presume that the company will continue in business.

The directors are responsible for keeping proper accounting records that disclose with reasonable accuracy at any time the financial position of the company and enable them to ensure that the financial statements comply with the Companies Act 1985. They are also responsible for safeguarding the assets of the company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

In determining how amounts are presented within items in the profit and loss account and balance sheet, the directors have had regard to the substance of the reported transaction or arrangement, in accordance with generally accepted accounting principles or practice.

The directors are responsible for the maintenance and integrity of the corporate and financial information included on the company's website. Legislation in the United Kingdom governing the preparation and dissemination of financial statements and other information included in annual reports may differ from legislation in other jurisdictions.

Principal Activity

The Company develops and markets software products.

Results and Dividends

The loss for the period after taxation amounted to £276,317. The directors are unable to and do not recommend the payment of a dividend.

Notes to the financial statements

31 January 2009

1. Accounting policies

The financial statements have been prepared with applicable accounting standards under the historical cost convention.

a) Turnover

Turnover consists of invoiced sales excluding value added tax, returns and trade discounts.

b) Depreciation

Depreciation has been provided at the following rates in order to write off the assets over their useful lives.

Computer hardware and software 50% straight line

c) Taxation

Corporation tax payable is provided on taxable profits at the current rate.

d) Deferred taxation

Provision is made for deferred taxation using the liability method to take account of timing differences between the incidence of income and expenditure for taxation and accounting purposes except to the extent that the Directors consider that a liability to taxation is unlikely to crystallise.

e) Foreign currencies

Transactions in foreign currencies are recorded at the rate of exchange at the date of transaction. Monetary assets and liabilities denominated in foreign currencies at the balance sheet date are reported at the rates of exchange prevailing at that date. Any gain or loss arising from a change in exchange rates subsequent to the date of the transaction is included as an exchange gain or loss in the profit and loss account.
