NOTES TO THE FINANCIAL STATEMENTS

FOR THE YEAR ENDED 31ST DECEMBER 1990

1: ACCOUNTING POLICIES

The financial statements have been prepared in accordance with statements of standard accounting practice issued by UK accountancy bodies. The particular accounting policies adopted are described below.

Accounting convention

The financial statements are prepared under the historical cost convention.

Foreign currencies

Monetary assets and liabilities denominated in foreign currencies are translated at the rates of exchange ruling at the balance sheet date. Transactions in foreign currencies are recorded at the rates ruling at the dates of the transactions, all differences being taken to the profit and loss account.

Deferred taxation

Deferred taxation is provided at the anticipted tax rates on timing differences arising from inclusion of items of income and expenditure in taxation computations in periods different from those in which they are included in the financial statements to the extent that it is probable that a liability or asset will crystallise in the future.

2. TURNOVER

The balance shown for revenues comprises costs recovered from clients and income received from the Lloyd's Scheme.
