The trustees have assessed the major risks to which the charity is exposed, and are satisfied that systems are in place to mitigate exposure to the major risks.

Objectives and activities

The Charity's object and its principal activity, is to educate and to promote, the education of the public in the history, traditions and practices, of the Fishing Community of Brighton, including the collection and public display, of fishing artefacts and other materials, relevant to the history of fishing in Brighton.

The Brighton Fishing Museum is supported by Brighton and Hove Council, Brighton Fishing Quarter Trust and Volunteer Workers.

The Museum is open to the public free of charge and attracts over 160,000 visitors per year. The Museum also has the free use from the Brighton Fishing Quarter of a Gallery, Workshops and frontage, used for the repair and conservation, of traditional Sussex fishing boats.

TRUSTEES' REPORT (CONTINUED)

FOR THE YEAR ENDED 31 MARCH 2008

Achievements and performance

The Fishing Museum this year has attracted similar if not more visitors than previous years. A stairway has been installed by the Fishing Quarter to the top of Arch 200 giving access to a Museum store to meet the new museum registration requirements.

The Fishing Museum is professionally cleaned once a week, the cost met by the Fishing Quarter.

Post Graduate Students from the University of Brighton have completed the software for a computerised touch screen history box for the use of school trips.

Contributions to the Fishing Museum fund the day-to-day expenses insurance, phone, electric, and is beginning to accumulate a financial reserve.

Financial review

The Statement of Financial Activities shows a net decrease in funds for the year of £135, and the reserves stand at £55,221.

The present level of funding is adequate to support the charity's objects, and the trustees consider the financial position of the charity to be satisfactory.

Plans for the future

The Museum will continue to prepare for all the requirements of museum registration. A copy of a nineteenth century winch found on Brighton seafront will be made and placed in front of the museum. The Fishing Museum with the help of the University of Brighton will continue work on the computerised touch screen history box for the use of school trips.

NOTES TO THE ACCOUNTS

FOR THE YEAR ENDED 31 MARCH 2008

1 Accounting policies

1.1 Basis of preparation

The accounts have been prepared under the historical cost convention modified to include the revaluation of certain fixed assets.

The accounts have been prepared in accordance with applicable accounting standards, the Statement of Recommended Practice, "Accounting and Reporting by Charities", issued in March 2005 and the Companies Act 1985.

1.2 Incoming resources

Donations and other income are included in the company's accounts when received. In addition donations and voluntary assistance are received in kind and it is not practical to quantify their value and reflect this in the accounts.

The charity accounts for all voluntary cash on a receipts basis being the point at which it is entered into the charity's books. The Brighton Fishing Museum depends on assistance from Statutory Bodies, Charitable Bodies and Individuals in order to carry out its work in the community. The trustees have planned fund raising activities to fund both the development and ongoing day to day operation of the Museum. Subject to continued support the trustees believe that the Museum will continue to fulfill its community objectives.

1.3 Tangible fixed assets and depreciation

Tangible fixed assets are stated at cost or valuation less depreciation. Depreciation is provided at rates calculated to write off the cost or valuation less estimated residual value of each asset over its expected useful life, as follows:

Fixtures, fittings & equipment	4 years straight line
--------------------------------	-----------------------

The Museum's heritage assets are not depreciated, because their useful life is considered to be very long, and are revalued by the trustees annually, to account for movements caused by donations, repairs and removals.
