CRASCO99 Ltd

Report of the Directors

The directors present their annual report together with the financial statements for the year ended May 31, 2008

Results and dividends

The profit for the financial year amounted to £25,689 before tax and dividend (2007 £36,033)

A dividend of £20,000 was paid

Principal Activities

Financial Services/Financial Systems

Review of the business

2007/8 was affected by the illness and subsequent death of the company secretary.

This resulted in the managing director (main income earner) being unable to work for a large part of the year hence a reduction in sales.

It is hoped that the company will start generating income later in 2008.

Costs have been incurred during the year in order to maintain the business and to generate contracts in the future.

A handwritten signature in black ink, consisting of a large, stylized 'D' followed by a series of loops and a long horizontal stroke.

Auditor's Report

"For the year ended 31 May 2008 the company was entitled to exemption under section 249a(1) of the Companies Act 1985"

"No members have required the company to obtain an audit of its accounts for the year in question in accordance with section 249b(2)"

"The directors acknowledge their responsibility for:

- i) Ensuring the company keeps accounting records which comply with Section 221.
- ii) Preparing accounts which give a true and fair view of the state of affairs of the company as at the end of the financial year, and of its profit and loss for the financial year in accordance with section 226, and which otherwise comply with the requirements of the Companies Act relating to accounts, so far as applicable to the company

Approved by Directors 31 December 2008

1. *Chlorophyll a* and *Chlorophyll b* were determined by the method of Arar and Collins (1971) using a Shimadzu 1601 UV-Visible Spectrophotometer. The concentration of chlorophylls was expressed in $\mu\text{g mL}^{-1}$.
