Notes to the Abbreviated Accounts for the period ended 31 March 2014**1 Accounting Policies****Basis of measurement and preparation of accounts**

The accounts have been prepared under the historical cost convention and in accordance with the Financial Reporting Standard for Smaller Entities effective April 2008.

Turnover policy

The turnover shown in the profit and loss account represents amounts invoiced during the year, exclusive of Value Added Tax and trade discounts.

Other accounting policies**Going Concern**

The company's balance sheet shows an insolvent position, and the ability of the company to continue trading is dependent on the continued support from its bankers, creditors, shareholders and directors. The financial statements have been prepared on a going concern basis on the assumption that such support will be forthcoming. However, there are no written guarantees beyond this date to prove that this assumption will be correct.

Deferred taxation

Deferred tax is recognised in respect of all material timing differences that have originated but not reversed at the balance sheet date where transactions or events have occurred at that date that will result in an obligation to pay more, or a right to pay less or to receive more tax.
