**Notes to the Abbreviated Accounts
for the Year Ended 31 May 2006**

1. ACCOUNTING POLICIES

Accounting convention

The financial statements have been prepared under the historical cost convention and in accordance with the Financial Reporting Standard for Smaller Entities (effective January 2005).

The company was dormant throughout the current and previous year.

Deferred tax

Full provision is made, at the tax rates that are expected to apply in the periods in which the timing differences are expected to reverse, based on tax rates and laws that have been enacted or substantially enacted at the balance sheet date, in respect of all timing differences which have arisen but not reversed at the balance sheet date. Timing differences are differences between the company's taxable profits and its results as stated in the accounts. Deferred tax is measured on an non-discounted basis.

Deferred tax assets are only recognised where they arise from timing differences and where their recoverability in the short term is regarded as more likely than not.
