DIRECTOR'S RESPONSIBILITIES

Company law requires the directors to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the company and of the profit or loss for that period. In preparing those financial statements, the directors are required to:

- * select suitable accounting policies and then apply them consistently;
- * make judgements and estimates that are reasonable and prudent;
- * state whether applicable accounting policies have been followed, subject to any material departures disclosed and explained in the financial statements.
- * prepare financial statements on a going concern basis unless it is inappropriate to presume that the company will continue in business.

1. ACCOUNTING POLICIES

The following accounting policies have been applied consistently in dealing with items which are considered material in relation to the company's financial statements.

Basis of preparation

The financial statements have been prepared in accordance with applicable accounting standards and under the historical cost accounting rules.

Cash flow statement

The company is exempt from the requirement of Financial Reporting Standard No1 to prepare a cash flow statement as it is entitled to the filing exemptions as a small company under sections 246 to 249 of the Companies Act 1985.

Going concern

The company has net liabilities amounting to £2,339 as at 31 December 1999. The director has confirmed his intention to provide such funds as the company requires to meet such liabilities as they fall due for the foreseeable future. The accounts therefore, have been prepared on a going concern basis.

Goodwill and amortisation

No provision for amortisation of goodwill is made as the useful life of it is estimated to be greater than 20 years.

Depreciation

Depreciation is provided on tangible assets on the cost of the asset less estimated residual value over the expected useful life as follows :

Motor	25% per annum reducing balance
Fixtures, fittings and equipment	25% per annum reducing balance

Stock and work-in-progress

Stock and work in progress are stated at the lower of cost and net realisable value.

Taxation

The charge for taxation is based on the profit for the year and takes into account taxation deferred because of timing differences between the treatment of certain items for taxation and accounting purposes. Provision is made for deferred taxation only to the extent that it is probable that the actual liability will crystallise.
