### REPORT OF THE DIRECTORS

The directors present their annual report with the accounts of the company for the year ended 31st May 2000.

#### PRINCIPAL ACTIVITY

The company is principally engaged in electronic and mechanical engineering trading and allied enterprises.

### DIRECTORS

The directors in office in the year and their interests in the company's issued ordinary share capital were as follows:-

#### DIRECTORS' RESPONSIBILITIES

Company law requires the directors to prepare accounts for each financial year which give a true and fair view of the state of affairs of the company and of the profit or loss of the company for that period. In preparing those accounts, the directors are required to:

- select suitable accounting policies and then apply them consistently;
- make judgements and estimates that are resonable and prudent;
- follow applicable accounting standards, subject to any material departures disclosed and explained in the accounts;
- prepare the accounts on the going concern basis unless it is inappropriate to presume that the company will continue in business.

The directors are responsible for keeping proper accounting records which disclose with resonable accuracy at any time the financial position of the company and enable them to ensure that the accounts comply with the Companies Act 1985. They are also responsible for safeguarding the assets of the company and hence for taking resonable steps for the prevention and detection of fraud and other irregularities.

The above report has been prepared in accordance with the special provisions of Part VII of the Companies Act 1985 relating to small companies.

J.D.R. Pattinson

Director

Approved by the board: 18 January 2001

### NOTES TO THE ACCOUNTS - 31st May 2000.

#### 1 Accounting policies

#### Basis of accounting

The accounts have been prepared under the historical cost convention as modified by the revaluation of certain fixed assets.

## Cash flow

The accounts do not include a cash flow statement because the company, as a small reporting entity, is exempt from the requirement to prepare such a statement under Financial Reporting Standard 1 'Cash flow statements'.

#### Turnover

Turnover represents net invoiced sale of goods, services provided and attributable maintenance revenue, excluding VAT.

## Tangible fixed assets

Depreciation is provided after taking account of any grants receivable at the following annual rates inorder to write off each asset over its estimated useful life:-

Plant and Machinery - 20% Reducing balance Office equipment - 20% Reducing balance

#### Stocks

Stocks and work-in-progress are valued at the lower of cost and net realisable value, after making due allowance for obsolete and slow moving items. Cost includes all direct expenditure and an appropriate proportion of fixed and variable overheads.

#### Deferred taxation

Provision is made at current rates for taxation deferred in respect of all material timing differences except to the extent that, in the opinion of the directors, there is reasonable probability that the liability will not arise in the foreseeable future.

#### Pension costs.

The company operates a pension scheme under which contributions by employees and the company are administered by trustees in a fund independent from the company's assets.
