STATEMENT OF DIRECTORS' RESPONSIBILITIES

Company law require the directors to prepare financial statements for each financial year that give a true and fair view of the state of affairs of the company and of the profit or loss of the company for that period. In preparing those financial statements the directors are required to

- select suitable accounting policies and apply them consistently
- make judgements and estimates that are reasonable and prudent
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the company will continue in business.

The directors are responsible for keeping proper records which disclose with reasonable accuracy at any time the financial position of the company and to enable them to ensure that

the financial statements comply with the Companies Act 1985. They are also responsible for safeguarding the assets of the company and hence for taking reasonable steps for the prevention of fraud and other irregularities.

In preparing this report the directors have taken advantage of special exemptions applicable to small companies conferred by Part 11 of Schedule 8 of the Companies Act 1985 and the Companies Act 1985 (Audit Exemption) Regulations 1994.

I report on the financial statements for the year ended 31st December 2008 set out on pages 8 - 9.

RESPECTIVE RESPONSIBILITIES OF DIRECTORS AND REPORTING ACCOUNTANTS

As described on page 6 the company's directors are responsible for the preparation of the financial statements, and they consider that the company is exempt from an audit. It is my responsibility to carry out procedures designed to enable me to report my opinion.

BASIS OF OPINION

My work was conducted in accordance with the Statement of Standards for Reporting Accountants, and so my procedures consisted of comparing the financial statements with the accounting records maintained by the company, and making such limited enquiries of the officiers of the company as I considered necessary for the purposes of this report. These procedures provide only the assurance expressed in my opinion.

OPINION

In my opinion:

- a) The financial statements are in agreement with the accounting records kept by the Company under section 221 of the Companies Act 1985;
- b) having regard only to, and on the basis of, the information contained in those accounting records:
 - i) The financial statements have been drawn up in a manner consistent with the accounting requirements specified in section 249(c)of the Act; and
 - ii) the company satisfies the conditions for exemption from an audit of the financial statements for the year specified in section 249A(4) of the Act and did not, at any time within that year, fall within any of the categories of companies not entitled to the exemption specified in section 249B(1).
