The financial statements are prepared under the historical cost convention and in accordance with Financial Reporting Standard for Smaller Entities (effective January 2005).

The company has taken advantage of the exemption in Financial Reporting Standard No.1 from the requirement to produce a cashflow statement on the grounds that it is a small company.

**b) Turnover**

Turnover comprises the invoiced value of goods and services supplied by the company net of Value Added Tax and discounts.

**c) Tangible Fixed Assets and Depreciation**

Tangible fixed assets are stated at cost less depreciation

Depreciation is provided at annual rates calculated to write off the cost of fixed assets, less their estimated residual value, over their expected useful lives on the following bases:

Plant, Fixtures and Fittings                      25%

No depreciation has been charged on the buildings, as the directors consider that the charge would not be material.
