**DIRECTOR'S REPORT****31st January 2020****Introduction**

These are the financial statements for the year 31st January 2020. They are prepared based on the business performance to date and in anticipation of the continued operation of all activities there after. The restaurant has benefitted from increased activity especially due improvement we made in refurbishing the restaurant and improving the food quality.

**Profitability**

This year we are fairly profitable as we have improved our services by introducing take-away delivery service to our clients, we have also secured a cheaper and reliable supplier. This then means overheads are kept to a minimum and our revenue streams are managed with efficiency.

**Conclusion**

In summary, we are a small operator that will grow with patience, commitment and resourcefulness.
