### **Statement of Directors' Responsibilities**

**Year Ended 30th June 1998**

Company law requires the directors to prepare financial statements for each financial year which give a true and fair view of the company's state of affairs and of its profit and loss for that year.

In preparing those financial statements, the directors are required to:

select suitable accounting policies and then apply them consistently;

make judgments and estimates that are reasonable and prudent;

prepare financial statements on the going concern basis unless it is inappropriate to presume that the company will continue in business.

The directors are responsible for keeping proper accounting records which disclose with reasonable accuracy at any time the financial position of the company and enable them to ensure that the financial statements comply with the Companies Act 1985. They are also responsible for safeguarding the assets of the company and hence for taking reasonable steps for the prevention of fraud and other irregularities.

**NOTES TO THE FINANCIAL STATEMENTS**

**For the Year Ended 30 June 1998**

**1. ACCOUNTING POLICIES**

**(a) Basis of Accounting**

The financial statements have been prepared under the historical cost convention and on the going concern basis and are in accordance with applicable accounting standard except as stated in note 4 below.

**(b) Turnover**

**2. PROFIT/ (LOSS) ON ORDINARY ACTIVITIES**

This is stated after including provision for Corporation Tax payable on investment income at the rate of 21%.

**3. TAXATION**

This is taxable income (interest) on Barclays Community Account 10109711.
