An Nasc Limited
CHARTERED ACCOUNTANTS' REPORT
to the Board of Directors on the unaudited financial statements of An Nasc
Limited for the year ended 30 April 2019

In accordance with our engagement letter dated 21 January 2020 and in order to assist you to fulfil your duties under the Companies Act 2006, we have prepared for your approval the financial statements of the company for the year ended 30 April 2019 which comprise the Statement of Financial Position and the related notes from the company's accounting records and from information and explanations you have given to us.

This report is made solely to the Board of Directors of An Nasc Limited, as a body, in accordance with the terms of our engagement. Our work has been undertaken solely to prepare for your approval the financial statements of An Nasc Limited and state those matters that we have agreed to state to the Board of Directors of An Nasc Limited, as a body, in this report in accordance with the guidance of Chartered Accountants Ireland. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than An Nasc Limited and its Board of Directors, as a body, for our work or for this report.

We have carried out this engagement in accordance with guidance issued by Chartered Accountants Ireland and have complied with the ethical guidance laid down by Chartered Accountants Ireland relating to members undertaking the compilation of financial statements.

It is your duty to ensure that An Nasc Limited has kept adequate accounting records and to prepare statutory financial statements that give a true and fair view of the assets, liabilities, financial position and profit of An Nasc Limited. You consider that An Nasc Limited is exempt from the statutory audit requirement for the year.

We have not been instructed to carry out an audit or a review of the financial statements of An Nasc Limited. For this reason, we have not verified the accuracy or completeness of the accounting records or information and explanations you have given to us and we do not, therefore, express any opinion on the statutory financial statements.

NOTES TO THE FINANCIAL STATEMENTS

for the year ended 30 April 2019

1. GENERAL INFORMATION

An Nasc Limited is a company limited by shares incorporated in United Kingdom. 2 Hannahstown Hill, Belfast, Antrim, BT17 0LT is the registered office, which is also the principal place of business of the company. The nature of the company's operations and its principal activities are set out in the Directors' Report. The financial statements have been presented in Pound Sterling (£) which is also the functional currency of the company.

2. ACCOUNTING POLICIES

The following accounting policies have been applied consistently in dealing with items which are considered material in relation to the company's financial statements.

Statement of compliance

The financial statements of the company for the year ended 30 April 2019 have been prepared in accordance with the provisions of FRS 102 Section 1A (Small Entities) and the Companies Act 2006.

Basis of preparation

The financial statements have been prepared on the going concern basis and in accordance with the historical cost convention except for certain properties and financial instruments that are measured at revalued amounts or fair values, as explained in the accounting policies below. Historical cost is generally based on the fair value of the consideration given in exchange for assets.

Cash flow statement

The company has availed of the exemption in FRS 102 Section 1A from the requirement to prepare a Statement of Cash Flows because it is classified as a small company.

Revenue

Turnover represents the total invoice value, excluding value added tax, of sales made during the year.

Property, plant and equipment and depreciation

Property, plant and equipment are stated at cost or at valuation, less accumulated depreciation. The charge to depreciation is calculated to write off the original cost or valuation of property, plant and equipment, less their estimated residual value, over their expected useful lives as follows:

Land and buildings freehold	- 5% straight line
Fixtures, fittings and equipment	- 25% straight line

The carrying values of tangible fixed assets are reviewed annually for impairment in periods if events or changes in circumstances indicate the carrying value may not be recoverable.

Financial assets

Investments held as fixed assets are stated at cost less provision for any permanent diminution in value. Income from other investments together with any related tax credit is recognised in the profit and loss account in the year in which it is receivable.

Trade and other receivables

Trade and other receivables are initially recognised at fair value and thereafter stated at amortised cost using the effective interest method less impairment losses for bad and doubtful debts except where the effect of discounting would be immaterial. In such cases the receivables are stated at cost less impairment losses for bad and doubtful debts.

Trade and other payables

Trade and other payables are initially recognised at fair value and thereafter stated at amortised cost using the effective interest rate method, unless the effect of discounting would be immaterial, in which case they are stated at cost.

for the year ended 30 April 2019

Taxation and deferred taxation

Current tax represents the amount expected to be paid or recovered in respect of taxable profits for the year and is calculated using the tax rates and laws that have been enacted or substantially enacted at the Statement of Financial Position date.

Deferred tax is recognised in respect of all timing differences that have originated but not reversed at the balance sheet date where transactions or events have occurred at that date that will result in an obligation to pay more tax in the future, or a right to pay less tax in the future. Timing differences are temporary differences between the company's taxable profits and its results as stated in the financial statements.

Deferred tax is measured on an undiscounted basis at the tax rates that are anticipated to apply in the periods in which the timing differences are expected to reverse, based on tax rates and laws that have been enacted or substantively enacted by the balance sheet date.

Government grants

Capital grants received and receivable are treated as deferred income and amortised to the Income Statement annually over the useful economic life of the asset to which it relates. Revenue grants are credited to the Income Statement when received.

Foreign currencies

Monetary assets and liabilities denominated in foreign currencies are translated at the rates of exchange ruling at the Statement of Financial Position date. Non-monetary items that are measured in terms of historical cost in a foreign currency are translated at the rates of exchange ruling at the date of the transaction. Non-monetary items that are measured at fair value in a foreign currency are translated using the exchange rates at the date when the fair value was determined. The resulting exchange differences are dealt with in the Income Statement.

3. EMPLOYEES

The average monthly number of employees, including directors, during the year was 2, (2018 - 2).
