At 30 June 2006 \$15,139m (31 December 2005: \$16,867m) of the profit and loss account reserve was not available for distribution. The majority of this non-distributable amount relates to profit arising on the sale of Astra AB to a subsidiary in 1999, which becomes distributable as the underlying receivable is settled in cash. During the six months, \$1,728m of the profit was released by repayment. Subsequent to the period end a further \$717m was repaid on 24 July 2006. Included in other reserves is a special reserve of \$157m, arising on the redenomination of share capital in 1999.
