COMPANIES HOUSE

Directors' Report

The directors have pleasure in submitting their twenty-third annual report and financial statements for the year to 31 December 2013.

Business Review

The company's principal business is to hold the freehold to the block of flats, Barons Keep, Gliddon Road, London W14, to ensure its good management and, if appropriate, to develop the block of flats for the benefit of tenants. Purchase of the freehold and the head-lease took place on 29 October 1991.

In January 2010 Barons Keep Limited and Barons Keep Property Company (London) Limited (a company under the control of the directors of Buildsmiths Limited) entered into a development agreement for the development of the roof space at Barons Keep.

In the first eight months of 2014 the company granted one flat long lease at a premium of £475,000 and two garage long leases at a premium of £12,000 each. There remain five flats and sixteen garages on short leases all expiring in 2032.

Directors

The directors of the company during the year were as follows:

	Date of last appointment
Hector CG Hawkins	21 October 2009
John Hill	8 November 2012
Stefanie Roth	8 November 2012
Michael Gainsbury	8 November 2012
James Ebdon	21 October 2009
Robert Gregory	27 October 2011

Appointment of Directors

The company's directors are elected by shareholders in accordance with the company's constitution. This provides that directors joining the board to fill casual vacancies must be re-appointed by the company's shareholders at the next Annual General Meeting and that a third of directors must retire and stand for re-election every three years.

Directors' And Officers' Liability Insurance

The company has maintained insurance to cover Directors' and Officers' liability.

STATEMENT OF DIRECTORS' RESPONSIBILITIES

The directors are responsible for preparing the Director's Report and the financial statements in accordance with applicable law and regulation.

Company law requires the directors to prepare financial statements for each financial period. Under that law the directors have elected to prepare the financial statements in accordance with United Kingdom Generally Accepted Accounting Practice (United Kingdom Accounting Standards and applicable law). Under company law the directors must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the Company and of the profit or loss of the company for that period. In preparing those financial statements, the directors are required to:

- select suitable accounting policies and then apply them consistently;
- make judgements and estimates which are reasonable and prudent;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the company will continue in business.

The directors are responsible for keeping adequate accounting records that are sufficient to show and explain the company's transactions and disclose with reasonable accuracy at any time the financial position of the company and enable them to ensure that the financial statements comply with the Companies Act 2006. They are responsible for safeguarding the assets of the company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

Financial Statements

This report has been prepared in accordance with the special provisions of Part 15 of the Companies Act 2006 relating to small companies.

The Board confirms, having made enquiries of each person holding office as director of the company as at the date the report is approved, that:

- (i) so far as each director is aware, there is no information needed by the company's auditors in connection with preparing their report of which the auditors are unaware, and
- (ii) each director has taken all the steps that he ought to have taken as a director in order to make himself aware of any relevant audit information and to establish that the company's auditors are aware of that information.

By order of the Board

We have audited the financial statements of Barons Keep Limited for the year ended 31 December 2013 which comprise the Profit and Loss account, the Balance Sheet and the related notes. The financial reporting framework that has been applied in their preparation is applicable law and the requirements of the Financial Reporting Standard for Smaller Entities (effective from April 2008).

This report is made solely to the company's members, as a body in accordance with chapter 3 of Part 16 of the Companies Act 2006. Our audit work has been undertaken so that we might state to the company's members those matters that we are required to state to them in an audit report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the company and the company's members as a body, for our audit work, for this report, or for the opinions we have formed.

Respective responsibilities of directors and auditors

As explained more fully in the Directors' Responsibilities Statement set out on page 2, the directors are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view. Our responsibility is to audit and express an opinion on the financial statements in accordance with applicable law and International Standards on Auditing (UK and Ireland). Those standards require us to comply with the Auditing Practices Board's Ethical Standards for Auditors.

Scope of the audit of the financial statements

An audit involves obtaining evidence about the amounts and disclosures in the financial statements sufficient to give reasonable assurance that the financial statements are free from material misstatement, whether caused by fraud or error. This includes an assessment of: whether the accounting policies are appropriate to the company's circumstances and have been consistently applied and adequately disclosed; the reasonableness of significant accounting estimates made by the directors; and the overall presentation of the financial statements.

Opinion on financial statements

In our opinion the financial statements:

- o give a true and fair view of the state of the company's affairs at 31 December 2013 and of its result for the year then ended;
- o have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice; and
- o have been prepared in accordance with the requirements of the Companies Act 2006.

Opinion on other matters prescribed by the Companies Act 2006

In our opinion the information given in the Directors' report for the financial year for which the financial statements are prepared is consistent with the financial statements.

Matters on which we are required to report by exception

We have nothing to report in respect of the following matters where Companies Act 2006 requires us to report to you if, in our opinion:

- o adequate accounting records have not been kept; or
- o the financial statements are not in agreement with the accounting records; or
- o certain disclosures of directors' remuneration specified by law are not made; or
- o we have not received all the information and explanations we require for our audit.

NOTES - (FORMING PART OF THE FINANCIAL STATEMENTS)

1. ACCOUNTING POLICIES

a Basis of financial statements

The financial statements have been prepared under the historical cost convention and in accordance with the Companies Act 2006 and the Financial Reporting Standard for Smaller Entities (effective April 2008).

The company has taken advantage of the exemption in Financial Reporting Standard no. 1 from producing a cash flow statement on the grounds that it is a small company.

b Turnover

Turnover represents ground rents of flats receivable from the lessees of Barons Keep and ground rents from garages receivable from the owners.

c Tangible Fixed Assets

The freehold consists solely of the freehold of Barons Keep. It is capitalised at the cost of acquisition and attributable costs less the proportionate cost of the leases sold. No depreciation is charged on the cost of the freehold land and buildings as in the opinion of the directors it would not be material.

Other fixed assets are capitalised at the cost of acquisition and installation. Depreciation is charged so as to amortise the cost in equal instalments. Gates and fencing are amortised over ten years, office equipment over four years.

d Deferred Tax

Full provision is made for deferred taxation resulting from timing differences between the recognition of gains and losses in the accounts and their recognition for tax purposes. Deferred taxation is calculated on an un-discounted basis at the tax rates which are expected to apply in the periods when timing differences will reverse.

e Corporation Tax

The company has agreed with the Inland Revenue a special basis of taxation on the surplus arising on the sale of new leases to existing flats. Taxation is payable on gross sales proceeds.

2 EMPLOYEE COSTS

The company had one employee, the Company Secretary, who was paid £3,662 (2012: £3,600). Directors of the company are not remunerated. All directors are shareholders in the company. The Company Secretary is only remunerated for services in the capacity of Company Secretary.
