NOTES TO THE ACCOUNTS FOR THE YEAR ENDED 30 JUNE 2008

1 Trustees' responsibilities

Law applicable to charities in England and Wales requires the trustees to prepare financial statements for each financial period which give a true and fair view of the charity's financial activities during the period and of its financial position at the end of the period. In preparing financial statements giving a true and fair view, the trustees should follow best practice and:

- select suitable accounting policies and then apply them consistently;
- make judgements and estimates that are reasonable and prudent;
- state whether applicable accounting standards and statements of recommended practice have been followed, subject to any departures disclosed and explained in the financial statements.
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charity will continue in operation.

The trustees are responsible for keeping accounting records which disclose with reasonable accuracy the financial position of the charity and which enable them to ensure that the financial statements comply with applicable law. They are also responsible for safeguarding the assets of the charity and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

2 Accounting policies

2.1 Accounting convention and standards

The accounts are prepared under the historical cost convention and in accordance with the Financial Reporting Standard for Smaller Entities (effective January 2007) and the Statement of Recommended Practice – Accounting and Reporting by Charities.

2.2 Income and expenditure

2.3 Taxation

The Trust, being a charity, is not liable for income tax or corporation tax. Value Added Tax is not recoverable and is included in the relevant charges for administration expenses.

Restricted funds are funds, which are to be used in accordance with specific restrictions imposed by donors or which have been raised by the charity for particular purposes. The cost of raising and administering such funds are charged against the specific fund. The aim and use of each restricted fund is set out in the notes to the financial statements.

2.5 Tangible fixed assets and depreciation

Depreciation is provided on all tangible fixed assets at rates calculated to write off these costs on a straight line basis over their expected useful lives as follows: -
