### Property Charged

The Assignor has assigned and agreed to assign absolutely to the Assignees all of its present and future rights, title and interest in and to (1) all policies and contracts in respect of the Insurances, other than Insurances in respect of liabilities to third parties (the "Relevant Insurances"), (2) all the benefits of such policies and contracts in respect of the Relevant Insurances (including all claims of whatsoever nature thereunder and returns of premiums in respect thereof) and (3) all Requisition Compensation. For the avoidance of doubt such assignment does not constitute an assignment of any policy of insurance but only of the benefit, rights, title, interest and proceeds thereunder insofar as the same relates to the Aircraft.

### Further Assurance

The Assignor has covenanted that it will from time to time at the request of the Assignees do all such things and execute all such documents as the Assignees may reasonably consider necessary or desirable for giving full effect to the Deed or for securing the rights of the Assignees thereunder.
