Short particulars of all the property charged

As continuing security for the punctual payment of the Secured Obligations, the Assignor assigned and agreed to assign absolutely to the Assignees all of its present and future rights, title and interest in and to (1) all policies and contracts in respect of the Insurances, other than Insurances in respect of liabilities to third parties (the "Relevant Insurances"), and (2) all the benefits of such policies and contracts in respect of the Relevant Insurances (including all claims of whatsoever nature thereunder and returns of premiums in respect thereof). For the avoidance of doubt the Deed of Assignment (Insurances) does not constitute an assignment of any policy of insurance but only of the benefit, rights, title, interest and proceeds thereunder insofar as the same relates to the Aircraft.

Note that the Deed of Assignment (Insurances) also contains a negative pledge by the Assignor to the following effect:

The Assignor has covenanted that it shall not further assign, pledge or charge (other than any charge constituted by Section 11 of the British Airways Boards Act 1977) its right, title and interest in and to the Relevant Insurances assigned by the Deed of Assignment (Insurances) or any proceeds thereof to anyone other than the Assignees.
