#### STATEMENT OF DIRECTORS' RESPONSIBILITIES

Company law requires the directors to prepare financial accounts for each financial year which give a true and fair view of the state of affairs of the company and of the profit or loss of the company for that period. In preparing those financial accounts the directors are required to:

- select suitable accounting policies and then apply them consistently;
- make judgements and estimates that are reasonable and prudent;
- prepare the financial accounts on the going concern basis unless it is inappropriate to presume that the company will continue in business.

The directors are responsible for keeping proper accounting records which disclose with reasonable accuracy at any time the financial position of the company and to enable them to ensure that the financial accounts comply with the Companies Act 1985. They are also responsible for safeguarding the assets of the company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

EC Shrubbs
Director
On behalf of the Board

## AUDITORS' REPORT TO THE SHAREHOLDERS OF CAMDAYS LIMITED

We have audited the financial accounts on pages 4 to 9 which have been prepared under the historical cost convention and the accounting policies set out on page 6.

#### RESPECTIVE RESPONSIBILITIES OF DIRECTORS AND AUDITORS

As described on page 2 the company's directors are responsible for the preparation of financial accounts. It is our responsibility to form an independent opinion, based on our audit, on those accounts and to report our opinion to you.

#### BASIS OF OPINION

We conducted our audit in accordance with Auditing Standards issued by the Auditing Practices Board. An audit includes examination, on a test basis, of evidence relevant to the amounts and disclosures in the financial accounts. It also includes an assessment of the significant estimates and judgements made by the directors in the preparation of the financial accounts, and of whether the accounting policies are appropriate to the company's circumstances, consistently applied and adequately disclosed.

We planned and performed our audit so as to obtain all the information and explanations which we considered necessary in order to provide us with sufficient evidence to give reasonable assurance that the financial accounts are free from material misstatement, whether caused by fraud or other irregularity or error. In forming our opinion we also evaluated the overall adequacy of the presentation of information in the financial accounts.

#### **OPINION**

In our opinion the financial accounts give a true and fair view of the state of the company's affairs as at 31st December 1999 and of its profit for the year then ended and have been properly prepared in accordance with the Gompanies Act 1985.

# NOTES TO THE ACCOUNTS FOR THE YEAR ENDED 31ST DECEMBER 1999

#### 1. ACCOUNTING POLICIES

## **Basis of Accounting**

The accounts have been prepared in accordance with applicable accounting standards and under the historical cost convention.

#### Turnover

Turnover represents the net invoiced sales of goods, excluding VAT.

### **Tangible Fixed Assets**

Depreciation is provided at the following annual rates in order to write off each asset over its estimated useful life:

Freehold Property
Plant and Equipment

2% on cost or revalued amount 25% on reducing balance

No depreciation is provided on freehold land.

## Stocks and Work in Progress

Stocks and work in progress are valued at the lower of cost and net realisable value, after making due allowance for obsolete and slow-moving items. Cost includes all direct expenditure and an appropriate proportion of fixed and variable overheads.

## **Deferred Taxation**

Deferred Taxation is provided on the liability method in respect of the taxation effect of all timing differences to the extent that tax liabilities are likely to crystallise in the foreseeable future.

## Research and Development

Expenditure on research and development incurred in the year other than on fixed assets is charged to the profit and loss account.

### Foreign Currencies

Assets and liabilities in foreign currencies are translated into sterling at the rates of exchange ruling at the balance sheet date. Transactions in foreign currencies are translated into sterling at the rate of exchange ruling at the date of the transaction. Exchange differences are taken into account in arriving at the operating profit.

## Leased Assets

Assets held under finance leases and hire purchase contracts are capitalised at the estimated fair value at date of inception of each lease or contract. The assets are depreciated over their expected useful lives. The finance charges are allocated over the primary period of the lease in proportion to the capital element outstanding. Rentals payable under operating leases are charged to the profit and loss account as incurred.
