For the purpose of ensuring that a particular transfer of shares is permitted under the provisions of these articles, the directors may request the transferor, or the person named as transferee in any transfer lodged for registration, to furnish the Company with such information and evidence as the directors may reasonably think necessary or relevant. Failing such information or evidence being furnished to the satisfaction of the directors within a period of 28 days after such request the directors shall be entitled to refuse to register the transfer in question.
- 8.2 If by transmission, transfer or otherwise equity shares not of the same class as the class of equity shares held by a member become registered in the name of that member, ("**Different Shares**"), the Different Shares shall ipso facto on registration in the name of that member be redesignated as and rank pari passu in all respects with the class of equity shares already held by that member.

Permitted and mandatory transfers

Permitted transfers to relations and family trusts

- 9.1 Notwithstanding any other provision in these articles any member may at any time transfer (or by will bequeath or otherwise dispose of on death) all or any shares held by him to a Privileged Relation or to trustees to be held upon a Family Trust of which he is the settlor provided that any transfer of shares to trustees to be held upon a Family Trust made during the lifetime of such member may only be made with the consent in writing of the holders of 75% of the A ordinary shares, B ordinary shares and C ordinary shares (as if one class of share).

Criteria for consents to Family Trusts

- 9.2 Where the consent of a holder of A ordinary shares, B ordinary shares or C ordinary shares is requested to a transfer to a Family Trust such consent shall be given when the holder is satisfied:-

- 9.2.1 with the terms of the trust instrument and in particular with the powers of the trustees;
- 9.2.2 with the identity of the proposed trustees;
- 9.2.3 that the proposed transfer will not result in 50% or more in the aggregate of the Company's equity share capital being held by trustees of that and any other trusts; and
- 9.2.4 that no costs incurred in connection with the setting up or administration of the Family Trust in question are to be paid by the Company.

Permitted transfers by Family Trusts

Permitted Transfers by Investors

9.5 Notwithstanding any other provision of these articles a transfer of any shares in the Company by any Investor to any other Investor may be made without any restriction as to price or otherwise and any such transfer shall be registered by the directors.

Transfers with shareholder approval

9.6 Notwithstanding any other provisions of these articles a transfer of any shares approved by the holders of 75% of the ordinary shares and the holders of 75% of the A ordinary shares, the B ordinary shares and the C ordinary shares (as if one class of share) may be made without restriction as to price or otherwise and any such transfer shall be registered by the directors.

Mandatory transfer if trust ceases to be a 'Family Trust'

- 9.7 If and whenever any shares held by trustees upon a Family Trust cease to be so held upon a Family Trust (otherwise than in consequence of a transfer to the settlor or to any Privileged Relation of the settlor) or there cease to be any beneficiaries of the Family Trust other than a charity or charities a Transfer Notice (as hereinafter defined) shall be deemed to have been given in respect of the relevant shares (as hereinafter defined) by the holders thereof and such shares may not otherwise be transferred.

For the purposes of this sub-article the expression 'relevant shares' means and includes the shares originally transferred to the trustees and any additional shares issued or transferred to the trustees by virtue of the holding of the relevant shares or any of them.

Mandatory transfer on cessation of employment

- 9.8 If an Employee Member ceases to be a director or employee of the Company or any of its subsidiaries and does not continue in that capacity in relation to any of them, Transfer Notices shall be deemed to have been served on the relevant Termination Date in respect of:

9.8.1 all shares held by the Employee Member immediately before such cessation; and

9.8.2 all shares then held by the Employee Member's Privileged Relations and/or Family Trusts (other than shares which the directors are satisfied were not acquired by such holders either (i) directly or indirectly from the Employee Member or (ii) by reason of their connection with the Employee Member, and the decision of the board of directors in this respect will be final).

Transfers under this sub-article are in these articles referred to as Compulsory Employee Transfers.

Mandatory transfer on change of control of shareholder

- 9.9 If a corporate member ceases to be within the control (as such term is defined by section 840 Income and Corporation Taxes Act 1988) of the person(s) who controlled such company on the date on which it became a member of the Company or on the date of adoption of these articles (whichever shall be the later) it shall be deemed to have immediately given a Transfer Notice in respect of all the shares as shall then be registered in its name; provided that this sub-article shall have no application to 3i or to any member of the 3i Group.

Pre-emption rights

Transfer notices

- 10.1 Save as otherwise provided in these articles every member who desires to transfer any shares

(hereinafter called 'the Vendor') shall give to the Company notice in writing of such desire (in these articles called a 'Transfer Notice'). Where the Transfer Notice is deemed to have been given it is referred to as a Deemed Transfer Notice. Transfer Notices and Deemed Transfer Notices shall constitute the Company the Vendor's agent for the sale of the shares specified therein (hereinafter called 'the Sale Shares') in one or more lots at the discretion of the directors at the Sale Price.

Calculation of the Sale Price

- 10.2 The Sale Price shall be the price agreed by the Vendor and the directors. If the Vendor and the directors are unable to agree a price within 28 days of the Transfer Notice being given or being deemed to have been given the Sale Price will instead be the price which the Independent Expert shall certify to be in his opinion a fair value thereof. In arriving at his opinion the Independent Expert will value the shares on a going concern basis as between a willing seller and a willing buyer ignoring any reduction in value which may be ascribed to the Sale Shares by virtue of the fact that they represent a minority interest and on the assumption that the Sale Shares are capable of transfer without restriction. The decision of the Independent Expert as to the Sale Price shall be final and binding.

Right of Vendor to reject partial sales

- 10.3 A Transfer Notice (but not a Deemed Transfer Notice) may contain a condition ('a Total Transfer Condition') that unless all the shares comprised therein are sold by the Company pursuant to this article none shall be sold. Any such provision shall be binding on the Company.

Certification of the Sale Price and right of Vendor to cancel

- 10.4 If the Independent Expert is asked to certify the fair value his certificate shall be delivered to the Company. As soon as the Company receives the certificate it shall deliver a copy of it to the Vendor. The Vendor shall be entitled by notice in writing given to the Company within ten days of the service upon him of the copy certificate to cancel the Company's authority to sell the Sale Shares unless the shares are to be sold pursuant to a Deemed Transfer Notice. The cost of obtaining the certificate shall be paid by the Company unless the Vendor cancels it in which case the Vendor shall bear the cost.

Pre-emptive offers-general

- 10.5 Once the Sale Price has been determined then unless the Vendor gives a valid notice of cancellation the Sale Shares shall be offered for sale as set out below. All offers made by the Company shall give details of the number and Sale Price of the Sale Shares.

Preliminary offer to a 'Warehouse'

- 10.6 Unless the holders of 75% of the ordinary shares and the holders of 75% of the A ordinary

shares agree otherwise any shares being sold by reason of a Compulsory Employee Transfer shall first be offered to an Employee Trust. Any shares not sold under this sub-article within 21 days of such offer will be offered for sale to the members of the Company as set out below.

First Offer

- 10.7 As soon as Sale Shares become available they shall be forthwith offered for sale by the Company to all holders of Equity Shares (other than the Vendor) pro rata as nearly as may be to the respective numbers of Equity Shares held by such members.

Any offer made by the Company under this sub-article will invite the relevant members to state in writing the maximum number of the shares offered to them they wish to purchase and will remain open for 21 days ('the First Offer Period').

Second Offer

- 10.8 If at the end of the First Offer Period there are any Sale Shares offered which have not been allocated the Company shall offer such shares to such members as have stated in writing their willingness to purchase all the shares previously offered to them.

This offer will invite the relevant members to state in writing the maximum number of shares they wish to purchase. If there are insufficient Sale Shares to meet the demand then the directors will allocate the Sale Shares pro rata as nearly as may be in proportion to the number of Equity Shares held by the relevant members. This offer will remain open for a further period of 21 days.

Thereafter the Company shall continue to make offers on the same terms while any member continues to state in writing his willingness to purchase all shares offered to him.

Transfer procedure for pre-emptive offers

- 10.9 If the Company finds a purchaser for all or any of the Sale Shares under the terms of this article the Vendor shall be bound upon receipt of the Sale Price to transfer the Sale Shares (or such of the same for which the Company shall have found a purchaser or purchasers) to such persons. If the Vendor defaults in transferring Sale Shares the Company shall if so required by the person or persons willing to purchase such Sale Shares receive and give a good discharge for the purchase money on behalf of the Vendor and shall authorise some person to execute transfers of the Sale Shares in favour of the purchasers and shall enter the names of the purchasers in the Register of Members as the holder of such of the Sale Shares as shall have been transferred to them.

Transfers free of pre-emption

- 10.10 If the Company does not find purchasers for all of the Sale Shares under the terms of this article the Vendor shall at any time within six months after the final offer by the Company to its members be free to sell and transfer such of the Sale Shares as have not been so sold to any person at a price which is no less than the Sale Price. However if the Sale Shares were the subject of a Total Transfer Condition such a sale may only be made of all the shares and not part only.

Effect of non-compliance

- 10.11 Any purported transfer of shares otherwise than in accordance with the provisions of these articles shall be void and have no effect.

Transfer of control

Transfers prohibited absolutely

- 11.1 No sale or transfer of the legal or beneficial interest in any shares in the Company may be made or validly registered if as a result of such sale or transfer and registration thereof a Controlling Interest would be obtained in the Company by a company in which one or more of the members of the Company (or persons acting in concert with them) has a Controlling Interest.

Transfers permitted where offer is made for shares

- 11.2 No sale or transfer of the legal or beneficial interest in any shares in the Company may be made or validly registered without the consent in writing of the holders of 75% of the Equity shares if as a result of such sale or transfer and registration thereof a Controlling Interest would be obtained in the Company by a person or persons who are not Original Members unless the proposed transferee or transferees or his or their nominees are independent third parties acting in good faith and has or have offered to purchase all the Equity shares at the Specified Price (calculated as set out below) and (if not redeemed) all the preference shares at a price per share of at least £0.01 plus a sum equal to any arrears or accruals of the Preference Dividend calculated down to the date of sale or transfer.

If any part of the Specified Price is to be paid except by cash then the holders of the A ordinary shares may, at their option, elect to take a price per share of such cash sum as may be agreed by them and the proposed transferee having regard to the transaction as a whole.

Calculation of the Specified Price

- 11.3 In this article the 'Specified Price' means the greater of :

- (1) • the subscription price per share, plus

- all arrears and accruals of the Compensatory Dividend on such share calculated down to the date of sale or transfer

and

- (2)
- the consideration (in cash or otherwise) per share is equal to that offered or paid or payable by the proposed transferee or his or their nominees for the shares being acquired, plus
 - the relevant proportion of any other consideration (in cash or otherwise) received or receivable by the holders of such other shares which having regard to the substance of the transaction as a whole can reasonably be regarded as an addition to the price paid or payable, plus
 - all arrears and accruals of the dividends on such share calculated down to the date of the sale or transfer.

In the event of disagreement the calculation of the Specified Price shall be referred to an Independent Expert whose decision shall be final and binding.

Interpretation

11.4 In this article:

- 11.4.1 the expressions 'transfer' and 'transferee' shall include respectively the renunciation of a renounceable letter of allotment and the renouncee under any such letter of allotment;
- 11.4.2 the expression 'shares' includes bearer shares, depository receipts and any other security or instrument into which shares may be converted with a view to a sale;

Thank-you for your letter. I am afraid to say that you enclosed uncertified copy minutes and ancillary documents (I will return them for certification) and copy share certificates, rather than originals. Can you forward those to me.

In the meantime, I enclose the articles. Hopefully this gets us there. I apologise if I misunderstood what you were looking for.

Kind Regards

Andrew Madden
