MEMBERS' REPORT

FOR THE YEAR ENDED 31 DECEMBER 2019

The members present their Annual Report and financial statements for the year ended 31 December 2019.

Principal activities

The principal activity of Capstone Investment Advisors (UK), LLP ('the limited liability partnership') is to establish investment management relationships and to provide investment management services. The limited liability partnership is regulated by the Financial Conduct Authority as a BIPRU firm.

Designated members

The designated members who held office during the year and up to the date of signature of the financial statements were as follows:

Capstone Investment Advisors, LLC

T Stott

Policy on members' drawings and capital

The members' drawing policy allows each member to draw a proportion of their profit share, subject to the cash requirements of the business.

A member's capital requirement is linked to their share of profit and the financing requirement of the limited liability partnership. There is no opportunity for appreciation of the capital subscribed. Just as incoming members introduce their capital at "par", so members are repaid their capital at "par".

Members' interests

During the year discretionary profits of £16,284,454 were allocated to members.

Auditors

The auditors, Frank Hirth & Co LLP, are deemed to be reappointed under section 487(2) of the Companies Act 2006.

Statement of members' responsibilities

The members are responsible for preparing the Annual Report and the financial statements in accordance with applicable law and regulations.

Company law requires the members to prepare financial statements for each financial year. Under that law the members have elected to prepare the financial statements in accordance with United Kingdom Generally Accepted Accounting Practice (United Kingdom Accounting Standards and applicable law). Under company law the members must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the limited liability partnership and of the profit or loss of the limited liability partnership for that period. In preparing these financial statements, the members are required to:

- · select suitable accounting policies and then apply them consistently;
- · make judgements and accounting estimates that are reasonable and prudent;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the limited liability partnership will continue in business.

The members are responsible for keeping adequate accounting records that are sufficient to show and explain the limited liability partnership's transactions and disclose with reasonable accuracy at any time the financial position of the limited liability partnership and enable them to ensure that the financial statements comply with the Companies Act 2006 (as applied by The Limited Liability Partnerships (Accounts and Audit) (Application of Companies Act 2006) Regulations 2008). They are also responsible for safeguarding the assets of the limited liability partnership and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

MEMBERS' REPORT (CONTINUED) FOR THE YEAR ENDED 31 DECEMBER 2019

Statement of disclosure to auditors

Each of the members in office at the date of approval of this annual report confirms that:

- so far as the members are aware, there is no relevant audit information of which the limited liability partnership's auditors are unaware, and
- the members have taken all the steps that they ought to have taken as members in order to make themselves aware of any relevant audit information and to establish that the limited liability partnership's auditors are aware of that information.

Approved by the members on 16 April 2020 and signed on behalf by:

Rick Hanna (Apr 16, 2020)

Capstone Investment Advisors, LLC **Designated Member**

INDEPENDENT AUDITOR'S REPORT

TO THE MEMBERS OF CAPSTONE INVESTMENT ADVISORS (UK), LLP

Opinion

We have audited the financial statements of Capstone Investment Advisors (UK), LLP (the 'limited liability partnership') for the year ended 31 December 2019 which comprise the statement of comprehensive income, the balance sheet, the reconciliation of members' interests, the statement of cashflows and the notes to the financial statements, including a summary of significant accounting policies. The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards, including FRS 102 *The Financial Reporting Standard applicable in the UK and Republic of Ireland* (United Kingdom Generally Accepted Accounting Practice).

In our opinion the financial statements:

- give a true and fair view of the state of the limited liability partnership's affairs as at 31 December 2019 and of its profit for the year then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice;
- have been prepared in accordance with the requirements of the Companies Act 2006 as applied to limited liability partnerships.

Basis for opinion

We conducted our audit in accordance with International Standards on Auditing (UK) (ISAs (UK)) and applicable law. Our responsibilities under those standards are further described in the *Auditor's responsibilities for the audit of the financial statements* section of our report. We are independent of the limited liability partnership in accordance with the ethical requirements that are relevant to our audit of the financial statements in the UK, including the FRC's Ethical Standard, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Conclusions relating to going concern

We have nothing to report in respect of the following matters in relation to which the ISAs (UK) require us to report to you where:

- the members' use of the going concern basis of accounting in the preparation of the financial statements is not appropriate; or
- the members have not disclosed in the financial statements any identified material uncertainties that may
 cast significant doubt about the limited liability partnership's ability to continue to adopt the going concern
 basis of accounting for a period of at least twelve months from the date when the financial statements are
 authorised for issue.

Other information

The members are responsible for the other information. The other information comprises the information included in the members' report, other than the financial statements and our auditor's report thereon. Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If we identify such material inconsistencies or apparent material misstatements, we are required to determine whether there is a material misstatement in the financial statements or a material misstatement of the other information. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact.

We have nothing to report in this regard.

INDEPENDENT AUDITOR'S REPORT (CONTINUED) TO THE MEMBERS OF CAPSTONE INVESTMENT ADVISORS (UK), LLP

Matters on which we are required to report by exception

We have nothing to report in respect of the following matters where the Companies Act 2006 as applied to limited liability partnerships requires us to report to you if, in our opinion:

- adequate accounting records have not been kept, or returns adequate for our audit have not been received from branches not visited by us; or
- the financial statements are not in agreement with the accounting records and returns; or
- · we have not received all the information and explanations we require for our audit.

Responsibilities of members

As explained more fully in the members' responsibilities statement, the members are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view, and for such internal control as the members determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the members are responsible for assessing the limited liability partnership's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the members either intend to liquidate the limited liability partnership or to cease operations, or have no realistic alternative but to do so.

Auditor's responsibilities for the audit of the financial statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

A further description of our responsibilities for the audit of the financial statements is located on the Financial Reporting Council's website at: http://www.frc.org.uk/auditorsresponsibilities. This description forms part of our auditor's report.

Use of our report

AD Course

This report is made solely to the limited liability partnership's members, as a body, in accordance with Chapter 3 of Part 16 of the Companies Act 2006 as applied by the Limited Liability Partnerships (Accounts and Audit) (Application of Companies Act 2006) Regulations 2008. Our audit work has been undertaken so that we might state to the limited liability partnership's members those matters we are required to state to them in an auditor's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the limited liability partnership and the limited liability partnership's members as a body, for our audit work, for this report, or for the opinions we have formed.

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 DECEMBER 2019

1 Accounting policies

Limited liability partnership information

Capstone Investment Advisors (UK), LLP is a limited liability partnership incorporated in England and Wales. The registered office is 1st Floor, 10 New Burlington Street, London, W1S 3BE.

The limited liability partnerships' principal activities are disclosed in the Members' Report.

1.1 Accounting convention

These financial statements have been prepared in accordance with the Statement of Recommended Practice "Accounting by Limited Liability Partnerships" issued in December 2018, together with FRS 102 "The Financial Reporting Standard applicable in the UK and Republic of Ireland" ("FRS 102") and the requirements of the Companies Act 2006.

The financial statements are prepared in sterling, which is the functional currency of the limited liability partnership. Monetary amounts in these financial statements are rounded to the nearest pound.

The financial statements, which are those of Capstone Investment Advisors (UK), LLP as an individual entity, have been prepared on the historical cost convention. The principal accounting policies adopted are set out below.

The financial statements of the limited liability partnership are drawn up to 31 December each year.

1.2 Going concern

At the time of approving the financial statements, the members have a reasonable expectation that the limited liability partnership has adequate resources to continue in operational existence for at least one year from the signing of these financial statements. Thus the members continue to adopt the going concern basis of accounting in preparing the financial statements.

Following the departure of the UK from the European Union (EU) on 31 January 2020 ("Brexit"), there will be a period up to 31 December 2020 where the UK will continue to follow EU rules in return for continued access to EU markets whilst trade negotiations take place. The potential outcomes of the UK/EU trade negotiations are unknown at this point. The designated members have considered the possible implications of Brexit for the business, and consider there to be no material risk to the business under any likely outcome of the Brexit process.

The designated members have considered the risk posed by the coronavirus COVID 19. Based on the fact that widespread transmission is now evident, an assessment has been made of the risks to staff, the supply chain, customers, wider market impacts and the potential interruption to business. As a result of that assessment contingency planning has been put in place to help protect staff, to manage the ability to continue business under a range of circumstances. Consequently the designated members do not expect the current situation to impact the LLP's ability to continue as a going concern.

1.3 Turnover

Turnover represents the fair value of services provided during the period. Turnover is recognised as contract activity progresses and the right to consideration is earned. Fair value reflects the amount expected to be recoverable and is based on services provided and expenses incurred, but excludes VAT.

NOTES TO THE FINANCIAL STATEMENTS (CONTINUED) FOR THE YEAR ENDED 31 DECEMBER 2019

1 Accounting policies (Continued)

1.4 Members' participation rights

Members' participation rights are the rights of a member against the LLP that arise under the members' agreement (for example, in respect of amounts subscribed or otherwise contributed remuneration and profits).

Members' participation rights in the earnings or assets of the LLP are analysed between those that are, from the LLP's perspective, either a financial liability or equity, in accordance with section 22 of FRS 102. A member's participation rights including amounts subscribed or otherwise contributed by members, for example members' capital, are classed as liabilities unless the LLP has an unconditional right to refuse payment to members, in which case they are classified as equity.

All amounts due to members that are classified as liabilities are presented within 'Loans and other debts due to members' and, where such an amount relates to current year profits, they are recognised within 'Members' remuneration charged as an expense' in arriving at the relevant year's result. Undivided amounts that are classified as equity are shown within 'Members' other interests'. Amounts recoverable from members are presented as debtors and shown as 'Amounts due from members' within members' interests.

Once an unavoidable obligation has been created in favour of members through allocation of profits or other means, any undrawn profits remaining at the reporting date are shown as 'Loans and other debts due to members' to the extent they exceed debts due from a specific member.

1.5 Tangible fixed assets

Tangible fixed assets are initially measured at cost, net of depreciation and any impairment losses.

Depreciation is recognised so as to write off the cost or valuation of assets less their residual values over their useful lives on the following bases:

Short leasehold land and buildings

over the life of the lease

Plant and machinery

over 5 years on a straight line basis

Fixtures, fittings and equipment

over 7 years on a straight line basis

The profit or loss arising on the disposal of an asset is determined as the difference between the sale proceeds and the carrying value of the asset, and is recognised in the profit and loss account.

1.6 Impairment of fixed assets

At each reporting date fixed assets are reviewed to determine whether there is any indication that those assets have suffered an impairment loss. If there is an indication of possible impairment, the recoverable amount of any affected asset is estimated and compared with its carrying value. If the estimated recoverable amount is lower, the carrying value is reduced to its estimated recoverable amount, and an impairment loss is recognised immediately in profit or loss.

If an impairment loss subsequently reverses, the carrying value of the asset is increased to the revised estimate of its recoverable amount, but not in excess of the amount that would have been determined had no impairment loss been recognised for the asset in prior years. A reversal of an impairment loss is recognised immediately in profit or loss.

1.7 Cash at bank and in hand

Cash and cash equivalents are basic financial assets and include cash in hand, deposits held at call with banks, other short-term liquid investments with original maturities of three months or less, and bank overdrafts. Bank overdrafts are shown within borrowings in current liabilities.

NOTES TO THE FINANCIAL STATEMENTS (CONTINUED) FOR THE YEAR ENDED 31 DECEMBER 2019

1 Accounting policies (Continued)

1.8 Debtors and creditors

Debtors

Short term debtors are measured at transaction price, less any impairment. Loans and other debtors receivable are measured initially at fair value, net of transaction costs, and are measured subsequently at amortised cost using the effective interest method, less any impairment.

Creditors

Short term trade creditors and other current creditors payable on demand are measured at the transaction price. Other financial liabilities, are measured initially at fair value, net of transaction costs, and are measured subsequently at amortised cost using the effective interest method.

1.9 Taxation

The taxation payable on the partnership profits is solely the personal liability of the individual members consequently neither partnership taxation nor related deferred taxation arising in respect of the partnership are accounted for in these financial statements.

1.10 Employee benefits

The cost of holiday pay entitlement is recognised in the period in which the employee's services are received.

Termination benefits are recognised immediately as an expense when the limited liability partnership is demonstrably committed to terminate the employment of an employee or to provide termination benefits.

1.11 Retirement benefits and post retirement payments to members

The limited liability partnership contributes to personal pension schemes of certain individual employees. Contributions payable are charged to the profit and loss account in the year they are payable.

1.12 Leases

Rentals payable under operating leases, including any lease incentives received, are charged to the profit and loss account on a straight line basis over the term of the relevant lease.

1.13 Foreign exchange

Monetary assets and liabilities denominated in foreign currencies are translated into sterling at the rates of exchange ruling at the balance sheet date. Transactions in foreign currencies are recorded at the rate ruling on the date of the transaction. All differences are taken to the profit and loss account.

1.14 Members' remuneration and equity

A member's share in the profit or loss for the year is accounted for when profits are allocated. Unallocated profits and losses are included within other reserves. The treatment of members' remuneration in the profit and loss account is determined by reference to the nature of the participation rights that give rise to the remuneration. If the members' remuneration gives rise to a liability it is charged as an expense. Amounts subscribed or otherwise contributed by members are classified and accounted for, according to the substance of the contractual arrangement, as either financial assets, financial liabilities or equity capital. Equity capital is any capital that is repayable to the member only at the discretion of the limited liability partnership.

NOTES TO THE FINANCIAL STATEMENTS (CONTINUED) FOR THE YEAR ENDED 31 DECEMBER 2019

1 Accounting policies (Continued)

1.15 Deferred compensation

The LLP has a remuneration policy whereby a portion of the compensation for the year for eligible employees is deferred and may be subject to forfeiture. Payment to participating employees will depend on whether they remain in the employment of the LLP and on their performance over the deferral period.

Deferred remuneration is recognised as an expense evenly over the deferral period once an obligation exists, it is probable that the LLP will be required to pay the deferred remuneration and the amount can be measured reliably.

2 Judgements and key sources of estimation uncertainty

In the application of the limited liability partnership's accounting policies, the members are required to make judgements, estimates and assumptions about the carrying amount of assets and liabilities that are not readily apparent from other sources. The estimates and associated assumptions are based on historical experience and other factors that are considered to be relevant. Actual results may differ from these estimates.

The estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the period in which the estimate is revised where the revision affects only that period, or in the period of the revision and future periods where the revision affects both current and future periods.

3 Operating profit

		2019	2018
	Operating profit for the year is stated after charging/(crediting):	£	£
	Exchange gains	(21,066)	(6,192)
