We have examined the abbreviated financial statements on pages 2 to 5 together with the financial statements of the company prepared under section 226 of the Companies Act 1985 for the year ended 30th April 1995.

Respective responsibilities of directors and auditors

The directors are responsible for preparing the abbreviated financial statements in accordance with Schedule 8 to the Companies Act 1985. It is our responsibility to form an independent opinion as to the company's entitlement to the exemptions claimed in the directors' statement on page 2 and whether the abbreviated financial statements have been properly prepared in accordance with that Schedule.

(continued)

**Auditors' report to
Care Products and Services Ltd
pursuant to paragraph 24 of Schedule 8
to the Companies Act 1985**

Basis of opinion

We conducted our audit in accordance with Auditing Standards issued by the Auditing Practices Board. An audit includes examination, on a test basis, of evidence relevant to the amounts and disclosures in the financial statements. It also includes an assessment of the significant estimates and judgements made by the directors in the preparation of the financial statements, and of whether the accounting policies are appropriate to the company's circumstances, consistently applied and adequately disclosed.

We planned and performed our audit so as to obtain all the information and explanations which we considered necessary in order to provide us with sufficient evidence to give reasonable assurance that the financial statements are free from material misstatement, whether caused by fraud or error or other irregularity. In forming our opinion we also evaluated the overall adequacy of the presentation of information in the financial statements.

Opinion

In our opinion the financial statements give a true and fair view of the state of the company's affairs as at 30th April 1995 and of its profit for the year then ended and have been properly prepared in accordance with the provisions of the Companies Act 1985 applicable to small companies.'

Depreciation of fixed assets is calculated to write off their cost or valuation less any residual value over their estimated useful lives as follows:

Plant and machinery	25% reducing balance
Motor vehicles	25% reducing balance
Fixtures and fittings	25% reducing balance

Leases and hire purchase contracts

Tangible fixed assets acquired under finance leases and hire purchase contracts are capitalised at the estimated fair value at the date of inception of each lease or contract. The total finance charges are allocated over the period of the lease in such a way as to give a reasonably constant charge on the outstanding liability.

Stocks

Stocks are valued at the lower of cost and net realisable value. Cost is computed on a first in first out basis. Net realisable value is based on estimated selling price less the estimated cost of disposal.
