DIRECTORS' REPORT for the year ended 30 June 2008

The directors present their annual report, together with the audited financial statements of the company and the group, for the year ended 30 June 2008

Principal Activity and Review of the Business

The principal activity of the company and its subsidiary undertakings was that of leather and grindery factoring and retailing. There have not been any changes in the group's principal activities in the year under review. The directors are not aware, at the date of this report, of any likely major changes in the group's activities in the next year.

Turnover for the year ended 30 June 2008 increased by 5 1% as compared to the previous year. The increase primarily arose in the retail shops business, with the benefit of a full year's trading from the 3 units acquired in the year ended 30 June 2007 and the acquisition of a further 6 units during the current year, taking the Group's total to 40 units. Gross margins increased from 59 1% to 60 8%, partly as a result of the increased level of retail trade but also due to improvements in the wholesale business. The directors are satisfied with the state of affairs of the group at the year end and are confident of maintaining the underlying improvement in the Group's operating profit in future periods.

Results and Dividends

The results for the year are set out on page 6

The directors have paid an interim dividend amounting to £141,684 and they do not recommend payment of a final dividend. If this recommendation is approved, £169,613 will be added to group reserves

Environment

The company recognises the importance of its environmental responsibilities and attempts to minimise its impact on the environment, including safe disposal of waste, recycling and reducing energy consumption

Payments of Creditors

It is the company's policy to ensure that suppliers are aware of the company's terms of payment, and that these terms are agreed at the commencement of business with each supplier. Payments are made in accordance with the payment terms and conditions agreed.

Trade creditor days of the company at 30 June 2008 were 71 days (2007 65 days) based on actual monthly purchases and relevant expenses

Principal risks and uncertanties

Competition and threat to market share is a key risk to the company. The risk is alleviated by maximising customer service, providing a wide range of quality products at competitive prices, and reacting efficiently to customer requirements and queries.

The company is partly financed by the bank loan and overdraft facilities, so is exposed to interest rate fluctuations Cashflow is carefully managed to minimise the level of the facilities used

Directors

The directors who served during the year are as stated below

DIRECTORS' REPORT for the year ended 30 June 2008

Auditors

In accordance with Section 385 of the Companies Act 1985, a resolution proposing that B M Howarth be reappointed as auditors of the company will be put to the Annual General Meeting

This report was approved by the Board on 21 October 2008 and signed on its behalf by

B Brian Secretary

STATEMENT OF DIRECTORS' RESPONSIBILITIES

The directors are responsible for preparing the financial statements in accordance with applicable law and regulations

Company law requires the directors to prepare financial statements for each financial year. Under that law the directors have elected to prepare the financial statements in accordance with United Kingdom Generally Accepted Accounting Practice (United Kingdom Accounting Standards and applicable law). The financial statements are required by law to give a true and fair view of the state of the affairs of the company and of the profit or loss of the company for that year. In preparing these financial statements the directors are required to

- select suitable accounting policies and apply them consistently,
- make judgements and estimates that are reasonable and prudent,
- state whether applicable UK Accounting Standards have been followed, subject to any material departures disclosed and explained in the financial statements,
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the company will continue in business

The directors are responsible for keeping proper accounting records which disclose with reasonable accuracy at any time the financial postion of the company and to enable them to ensure that the financial statements comply with the Companies Act 1985. They are also responsible for safeguarding the assets of the company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

The directors must, in determining how amounts are presented within items in the profit and loss account and balance sheet, have regard to the substance of the reported transaction or arrangement, in accordance with generally accepted accounting principles or practice

So far as the directors are aware, there is no relevant audit information (information needed by the company's auditors in connection with their report) of which the company's auditors are unaware, and

The directors have taken all the steps that they ought to have taken as directors in order to make themselves aware of any relevant audit information and to establish that the company's auditors are aware of that information

On behalf of the board

C H Wilson Director

21 October 2008

Independent auditors' report to the shareholders of Charles Birch Limited

We have audited the financial statements of Charles Birch Limited for the year ended 30 June 2008 which comprise the group profit and loss account, the group and company balance sheets, the group cash flow statement and the related notes, numbered 1 to 25 These financial statements have been prepared under the accounting policies set out therein

This report is made solely to the company's members, as a body, in accordance with Section 235 of the Companies Act 1985. Our audit work has been undertaken so that we might state to the company's members those matters we are required to state to them in an auditors' report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the company and the company's members as a body, for our audit work, for this report, or for the opinions we have formed

Respective responsibilities of directors and the auditors

The directors' responsibilities for preparing the annual report and the financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice) are set out in the statement of directors' responsibilities

Our responsibility is to audit the financial statements in accordance with relevant legal and regulatory requirements and International Standards on Auditing (UK and Ireland)

We report to you our opinion as to whether the financial statements give a true and fair view and are properly prepared in accordance with the Companis Act 1985. We also report to you whether in our opinion the information given in the directors' report is consistent with the financial statements. The information given in the director' report includes that specific information presented in the operating and financial review section of the directors' report.

In addition we report to you if, in our opinion, the company has not kept proper accounting records, if we have not received all the information and explanations we require for our audit, or if information specified by law regarding directors' remuneration and other transactions is not disclosed

We read the directors' report and consider the implications for our report if we become aware of any apparent misstatements within it

Basis of audit opinion

We conducted our audit in accordance with International Standards on Auditing (UK and Ireland) issued by the Auditing Practices Board. An audit includes examination, on a test basis, of evidence relevant to the amounts and disclosures in the financial statements. It also includes an assessment of the significant estimates and judgements made by the directors in the preparation of the financial statements, and of whether the accounting policies are appropriate to the company's circumstances, consistently applied and adequately disclosed.

Independent auditors' report to the shareholders of Charles Birch Limited continued

We planned and performed our audit so as to obtain all the information and explanations which we considered necessary in order to provide us with sufficient evidence to give reasonable assurance that the financial statements are free from material misstatement, whether caused by fraud or other irregularity or error. In forming our opinion we also evaluated the overall adequacy of the presentation of information in the financial statements.

Opinion

In our opinion

- the financial statements give a true and fair view, in accordance with United Kingdom Generally Accepted Accounting Practice of the state of the company's affairs as at 30 June 2008 and of its profit for the year then ended,
- the financial statements have been properly prepared in accordance with the Companies Act 1985
- the information given in the Directors' Report is consistent with the financial statements

NOTES TO FINANCIAL STATEMENTS for the year ended 30 June 2008

1 Accounting Policies

Accounting convention

The financial statements are prepared in accordance with applicable United Kingdom accounting standards and under the historical cost convention

Basis of Consolidation

The group financial statements consolidate the accounts of Charles Birch Limited and its subsidiary undertakings made up to 30 June each year

Turnover

Turnover represents the total invoice value, excluding trade discounts and value added tax, of sales made during the year

Amortisation

Amortisation of intangible fixed assets is made on a 10% straight line basis which is calculated to write off cost over the estimated remaining life

Tangible fixed assets and depreciation

Depreciation is provided at rates calculated to write off the cost less residual value of each asset over its expected useful life, as follows

Leasehold properties

10% and 4% on cost

Plant and machinery

10% and 25% reducing balance

Fixtures and fittings - 10% and 25% reducing balance

Leasing

Assets obtained under hire purchase contracts and finance leases are capitalised as tangible assets and depreciated over the shorter of the lease term and their useful lives. Obligations under such agreements are included in creditors net of the finance charge allocated to future periods. The finance element of the rental payment is charged to the profit and loss account so as to produce constant periodic rates of charge on the net obligations outstanding in each period.

Rentals payable under operating leases are charged against income on a straight line basis over the lease term

Investments

Fixed asset investments are stated at cost less provision for diminution in value

Stock

Stock is valued at the lower of cost and net realisable value

Pensions

Contributions are charged to the profit and loss account as they become payable in accordance with the rules of the scheme

NOTES TO FINANCIAL STATEMENTS for the year ended 30 June 2008

Deferred taxation

Deferred taxation is recognised on all timing differences which have originated, but not reversed, at the balance sheet date. Timing differences represent accumulated differences between the company's taxable profit and its financial profit and arise primarily from the difference between accelerated capital allowances and depreciation. Where the effect is material deferred tax is measured on a discounted basis to reflect the time value of money over the period between the balance sheet date and the dates on which it is estimated that the underlying timing differences will reverse.

Foreign currencies

Transactions in foreign currencies are recorded at the rate ruling at the date of transaction or at the forward contracted rate if applicable Monetary assets and liabilities denominated in foreign currencies are re-translated at the rate of exchange ruling at the balance sheet date

2. Turnover

The total turnover of the group for the year has been derived from its principal activity wholly undertaken in the UK
