Authorised share capital	- 1,000 ordinary shares of £1 each
Issued	- 2 ordinary shares of £1 each fully paid <u>£2.00</u>

1. The first part of the document discusses the importance of maintaining accurate records of all transactions. It emphasizes that proper record-keeping is essential for the integrity of the financial system and for the ability to detect and prevent fraud.

2. The second part of the document outlines the specific requirements for record-keeping. It states that all transactions must be recorded in a timely and accurate manner, and that the records must be maintained for a minimum of five years.

3. The third part of the document discusses the role of the auditor in verifying the accuracy of the records. It states that the auditor must perform a thorough review of the records to ensure that they are complete and accurate, and that any discrepancies must be identified and resolved.

4. The fourth part of the document discusses the consequences of failing to maintain accurate records. It states that failure to comply with the requirements may result in penalties, including fines and imprisonment.

5. The fifth part of the document discusses the importance of training and education for those responsible for maintaining the records. It states that regular training and education are essential to ensure that the records are maintained in accordance with the requirements.

6. The sixth part of the document discusses the importance of internal controls in preventing fraud. It states that strong internal controls are essential to ensure that the records are accurate and that any discrepancies are identified and resolved.

7. The seventh part of the document discusses the importance of transparency and accountability in the financial system. It states that transparency and accountability are essential to ensure that the system is fair and that the interests of all stakeholders are protected.

8. The eighth part of the document discusses the importance of ongoing monitoring and evaluation of the financial system. It states that ongoing monitoring and evaluation are essential to ensure that the system remains effective and that any changes are identified and implemented.

9. The ninth part of the document discusses the importance of collaboration and communication between all stakeholders in the financial system. It states that collaboration and communication are essential to ensure that the system is effective and that the interests of all stakeholders are protected.

10. The tenth part of the document discusses the importance of the financial system in supporting the economy and the well-being of the community. It states that the financial system is essential for the growth and development of the economy and for the well-being of the community.

The Company has taken power not to appoint auditors in accordance with Section 252 Companies Act 1985.

The Company was dormant throughout the financial year.
