Trustees' report

For the year ended 31 December 2013

The trustees present their annual report and financial statements for the year ended 31 December 2013.

The financial statements comply with current statutory requirements, the memorandum and articles of association and the Statement of Recommended Practice – Accounting and Reporting by Charities (SORP 2005).

Structure, governance and management

Suitable individuals are identified by the existing trustees on the basis of their skills and knowledge and are invited to become trustees. New trustees are inducted into the workings of the charity.

The trustees are responsible for the overall control of the charity and are assisted by the project co-ordinator to run the day to day operations.

Objectives and activities

The object of the charity is the provision of reusable materials collected from industry for use in art, craft and play activities involving families and community organisations.

Public benefit statement

The trustees review the aims, objectives and activities at least once each year to look at what has been achieved in the previous 12 months. The trustees have referred to the guidance contained in the Charity Commission's general guidance on public benefit when reviewing the aims and objectives and in planning future activities. In particular the trustees consider how planned activities will contribute to the aims and objectives they have set.

Achievements and performance

Staffing & Operation

There were two Scrap Stores operating in Cornwall during the year. One full time staff member, two part time staff members and seven volunteers helped run a two day service at each site.

Nanpean Scrap Store

Headquarters at Goonamarris, St Austell, PL26 7QX. Leased from Imerys Minerals Ltd for an annual rent of £420. The supervision of staff was undertaken by the full time Project Coordinator, Gary King. The day to day running of the store was undertaken by part time Store Supervisor, Elaine Dunstan, working one day a week. Three part time volunteers worked on a regular basis. One other volunteer worked on a casual basis. Membership to Nanpean was 277 (see below: Membership).

Pool Scrap Store

At Church Road, Pool, Redruth, TR15 7PT. Leased from The Homes & Communities Agency under an 'at will' agreement. The supervision of staff was undertaken by the full time Project Coordinator, Gary King. The day to day running of the store was undertaken by part time Store Supervisor, Karen Nicholls. Two part time volunteers work on a regular basis and one part time volunteer on a casual basis. Membership to Pool was 206 (see below: Membership).

Trustees' report

For the year ended 31 December 2013

Membership

Cornwall Scrap Store saw a peak in membership during 2005 and since then there has been a steady decline. While there have always been a consistent number of members not re-joining each year, that figure has previously been masked by the number of new members joining. In part it is the lack of new members since 2005 that makes it appear that our membership is falling, whereas it is that a lack of new members that has impacted on overall membership.

	2003	2004	2005	2006	2007	2008	2009	2010	2011	2012	2013
Nanpean Pool Liskeard	275 269 127	346 331 138	357 356 127	314 345 106	311 314 97	274 280 73	292 295 89	267 241 62	244 213 59	266 182 closed	277 206 n/a
Total	671	815	840	765	722	627	676	570	516	448	483
								 			

The recession has had an impact on membership since 2008. Furthermore, our closure of the Liskeard Scrap Store during 2011 and cutting back of opening days at the other two stores has impacted on the following year's figures, although 2013 saw a slight increase.

Materials

The amount of material collections has been steady over the year. 'Swaps' with other Scrap Stores form an important part of our materials collections. The number of other Scrap Stores that we swap with on a regular basis has remained constant, as has the number of 'multi-swaps' taking place regionally.

Events & Workshops

Cornwall Scrap Store has not facilitated any workshops during the year. However, Cornwall Scrap Store has been represented at events, conferences and exhibitions.

Summary

2013 saw a slight increase on 2012 membership figures, although the overall trend is still down on previous years. Both the Nanpean and Pool Scrap Stores increased their opening days during 2013 and it is hoped that 2014 will see a further increase in membership.

Financial review

The results for the year are shown in the statement of financial activities on page 6 and show net outgoing resources for the year of £4,526 (2012: incoming resources of £7,361), which together with the reserves brought forward of £19,437 (2012: £12,076) gives a total reserves figure of £14,911 (2012: £19,437), all of which is unrestricted.

Reserves policy

The trustees' policy is to maintain the reserves at a level equivalent to six months' expenditure to ensure the charity's long term viability.

Investment policy

The trustees regularly review the cash held by the charity and whilst maintaining access to funds for operational purposes, will place any surplus funds in an interest bearing deposit account when appropriate.

Independent examiner's report to the Trustees of Cornwall Scrap Store (Limited by guarantee)

I report on the financial statements of the company for the year ended 31 December 2013, which are set out on pages 6 to 11.

Respective responsibilities of trustees and examiner

The trustees (who are also the directors of the company for the purposes of company law) are responsible for the preparation of the financial statements. The trustees consider that an audit is not required for this year under section 144(2) of the Charities Act 2011 (the 2011 Act) and that an independent examination is needed.

Having satisfied myself that the charity is not subject to audit under company law and is eligible for independent examination, it is my responsibility to:

- examine the financial statements under section 145 of the 2011 Act;
- to follow the procedures laid down in the general Directions given by the Charity Commission under section 145(5)(b) of the 2011 Act; and
- to state whether particular matters have come to my attention.

Basis of independent examiner's report

My examination was carried out in accordance with the general Directions given by the Charity Commission. An examination includes a review of the accounting records kept by the charity and a comparison of the financial statements presented with those records. It also includes consideration of any unusual items or disclosures in the financial statements, and seeking explanations from you as trustees concerning any such matters. The procedures undertaken do not provide all the evidence that would be required in an audit and consequently no opinion is given as to whether the financial statements present a 'true and fair view' and the report is limited to those matters set out in the statement below.

Independent examiner's statement

In connection with my examination, no matter has come to my attention:

- 1. which gives me reasonable cause to believe that, in any material respect, the requirements:
 - to keep accounting records in accordance with section 386 of the Companies Act 2006; and
 - to prepare financial statements which accord with the accounting records, comply with the accounting requirements of section 396 of the Companies Act 2006 and with the methods and principles of the Statement of Recommended Practice: Accounting and Reporting by Charities

have not been met; or

2. to which, in my opinion, attention should be drawn in order to enable a proper understanding of the financial statements to be reached.
