**STATEMENT OF DIRECTORS' RESPONSIBILITIES**

The directors are responsible for preparing the Report of the Directors and the financial statements in accordance with applicable law and regulations.

Company law requires the directors to prepare financial statements for each financial year. Under that law the directors have elected to prepare the financial statements in accordance with United Kingdom Generally Accepted Accounting Practice (United Kingdom Accounting Standards and applicable law). Under company law the directors must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the company and of the profit or loss of the company for that period. In preparing these financial statements, the directors are required to:

- select suitable accounting policies and then apply them consistently;
- make judgements and accounting estimates that are reasonable and prudent;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the company will continue in business.

The directors are responsible for keeping adequate accounting records that are sufficient to show and explain the company's transactions and disclose with reasonable accuracy at any time the financial position of the company and enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

**REPORT OF THE DIRECTORS**  
**for the year ended 30 September 2014**

**STATEMENT AS TO DISCLOSURE OF INFORMATION TO AUDITORS**

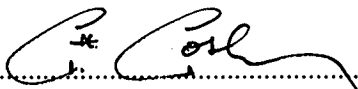

So far as the directors are aware, there is no relevant audit information (as defined by Section 418 of the Companies Act 2006) of which the company's auditors are unaware, and each director has taken all the steps that he ought to have taken as a director in order to make himself aware of any relevant audit information and to establish that the company's auditors are aware of that information.

**AUDITORS**

Deloitte LLP were re-appointed as auditors during the year and have indicated their willingness to be re-appointed for another term. Appropriate arrangements have been put in place for them to be re-appointed as auditors in the absence of an Annual General Meeting.

The Report of the Directors has been prepared in accordance with the provisions applicable to companies entitled to small companies exemption under Section 415A of the Companies Act 2006, which also provides an exemption from the preparation of a strategic report.

## **REPORT OF THE INDEPENDENT AUDITORS TO THE MEMBERS OF COUNTYWIDE COVENTRY LIMITED**

We have audited the financial statements of Countywide Coventry Limited for the year ended 30 September 2014 which comprise the Profit and Loss Account, the Balance Sheet and related notes 1 to 16. The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

This report is made solely to the company's members, as a body, in accordance with Chapter 3 of Part 16 of the Companies Act 2006. Our audit work has been undertaken so that we might state to the company's members those matters we are required to state to them in a Report of the Auditors and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the company and the company's members as a body, for our audit work, for this report, or for the opinions we have formed.

### **Respective responsibilities of directors and auditors**

As explained more fully in the Statement of Directors' Responsibilities set out on page two, the directors are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view. Our responsibility is to audit and express an opinion on the financial statements in accordance with applicable law and International Standards on Auditing (UK and Ireland). Those standards require us to comply with the Auditing Practices Board's Ethical Standards for Auditors.

### **Scope of the audit of the financial statements**

An audit involves obtaining evidence about the amounts and disclosures in the financial statements sufficient to give reasonable assurance that the financial statements are free from material misstatement, whether caused by fraud or error. This includes an assessment of: whether the accounting policies are appropriate to the company's circumstances and have been consistently applied and adequately disclosed; the reasonableness of significant accounting estimates made by the directors; and the overall presentation of the financial statements. In addition, we read all the financial and non-financial information in the Report of the Directors to identify material inconsistencies with the audited financial statements and to identify any information that is apparently materially incorrect based on, or materially inconsistent with, the knowledge acquired by us in the course of performing the audit. If we become aware of any apparent material misstatements or inconsistencies we consider the implications for our report.

### **Opinion on financial statements**

In our opinion the financial statements:

- give a true and fair view of the state of the company's affairs as at 30 September 2014 and of its profit for the year then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice; and
- have been prepared in accordance with the requirements of the Companies Act 2006.

### **Opinion on other matter prescribed by the Companies Act 2006**

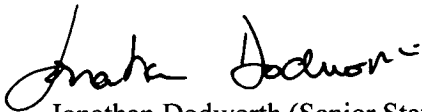

In our opinion the information given in the Report of the Directors for the financial year for which the financial statements are prepared is consistent with the financial statements.

## **REPORT OF THE INDEPENDENT AUDITORS TO THE MEMBERS OF COUNTYWIDE COVENTRY LIMITED**

### **Matters on which we are required to report by exception**

We have nothing to report in respect of the following matters where the Companies Act 2006 requires us to report to you if, in our opinion:

- adequate accounting records have not been kept, or returns adequate for our audit have not been received from branches not visited by us; or
- the financial statements are not in agreement with the accounting records and returns; or
- certain disclosures of directors' remuneration specified by law are not made; or
- we have not received all the information and explanations we require for our audit; or
- the directors were not entitled to take advantage of the small companies' exemption from the requirement to prepare a Strategic Report or in preparing the Report of the Directors.

**NOTES TO THE FINANCIAL STATEMENTS  
for the year ended 30 September 2014**

**1. ACCOUNTING POLICIES**

**Accounting convention**

The financial statements have been prepared under the historical cost convention in accordance with applicable Accounting Standards in the United Kingdom. A summary of the more important accounting policies, which have been applied consistently in both periods, is set out below.

**Going concern**

Notwithstanding the fact that at 30 September 2014 the company had net current liabilities, the financial statements have been prepared on a going concern basis as the company has received confirmation from Countywide Developments Limited, its related party, that it will not call for repayment of its intercompany loan until the company has sufficient funds to repay it.

**Consolidated financial statements**

Countywide Coventry Limited is exempt under section 400 of the Companies Act 2006 from the requirement to prepare consolidated financial statements as it and its subsidiary are small companies. The financial statements therefore contain information about Countywide Coventry Limited as an individual company.

**Cash flow statement**

Exemption has been taken from preparing a cash flow statement on the grounds that the company qualifies as a small company

**Turnover**

Turnover represents income from travel arrangements.

**Tangible fixed assets**

Tangible fixed assets are stated at cost less accumulated depreciation. Assets which are beneficially owned for which the company takes substantially all the risks and rewards of ownership are included in fixed assets and depreciated accordingly. Depreciation is calculated to write off the cost of tangible fixed assets, less estimated residual values, on a straight-line basis commencing when assets are brought into use over the expected useful economic lives of the assets.

The aircraft is depreciated by reference to a flying hours rate.

**Taxation**

Current tax, including UK corporation tax, is provided at amounts expected to be paid (or recovered) using the tax rates and laws that have been enacted or substantially enacted by the balance sheet date.

Full provision is made on a non-discounted basis for deferred tax assets and liabilities arising due to timing differences between the recognition of gains and losses in the financial statements and their recognition in the tax computation at the current rate of tax. Deferred tax assets are only recognised when it is considered more likely than not that they will be realised.

**Foreign currencies**

Transactions in foreign currencies are translated into sterling at the rate of exchange ruling at the date of transaction. Monetary assets and liabilities denominated in foreign currencies are retranslated into sterling at the rates of exchange ruling at the balance sheet date and any exchange differences arising are taken to the profit and loss account.

**NOTES TO THE FINANCIAL STATEMENTS - continued  
for the year ended 30 September 2014**

**2. STAFF COSTS**

**5. TAXATION**

**Analysis of the tax charge/(credit)**

The tax charge/(credit) on the profit on ordinary activities for the year was as follows:

	30.9.14	30.9.13
	£	£
Current tax:		
UK corporation tax	19,724	6,362
Group relief	16,922	13,340

Deferred tax	<u>7,957</u>	<u>(49,379)</u>
Tax on profit/(loss) on ordinary activities	<u><u>44,399</u></u>	<u><u>(30,757)</u></u>

The current corporation tax charge differs from the standard UK corporation tax rate applied to the profit/(loss) for the year. The differences are:

	30.9.14	30.9.13
	£	£
Profit/(loss) on ordinary activities at the standard rate of 22% (2013: 23.5%)	71,133	(39,426)

On 17 July 2013, legislation reducing the main rate of corporation tax to 21% from 1 April 2014 and 20% from 1 April 2015 was enacted and therefore deferred tax assets and liabilities have been provided for at a rate of 20% in these financial statements.
